ALEXANDER M. TRUJILLO
DIRECTOR

To: Mayor Connor S. Martin

From: Alexander M. Trujillo, Director of Public Works

Date: 3/22/2024

RE: Bid Waiver — Public Safety Complex Partial Roof Replacement — K&S Property Holding, LLC.

In accordance with Section 10-7(c) of the Town of East Hartford Code of Ordinances, I respectfully request a bid waiver in the amount not to exceed \$251,000 to replace a portion of the Public Safety Complex Roof.

Background: This area of the roof consists of a flat roofing membrane and shingle-type roof material for the sloped section. This section of the roof was not replaced when the other sections were done in 2003 and has developed significant leaks and needs replacing immediately. The water intrusion has caused one office to be relocated and is causing damage to the interior (outside the Chief of Police Office and leaking into the Records and Communications divisions) of the building every time it rains.

Consistent with the Town's Purchasing Ordinance and Finance Department policy, the Public Works Facility Manager solicited quotes using the competitively bid State of Connecticut DAS Trade Labor Services Contract #19PSX0002. Three bids were received ranging from \$414,000 to \$429,530. All three bids were \$125,000 over our estimated costs per the roof replacement assessment. After reviewing the bids, we felt that the prices were too high and not in line with market costs. We requested additional quotes from outside contractors using the same specifications. Two additional bids were received and reviewed.

I am recommending that we contract with K&S Property Holdings, LLC of Prospect, CT. in the amount of \$196,385 plus additional alternate costs (see attached quote) for the additional work that may be required as the installation takes place not to exceed \$251,000. This will yield a cost savings of approximately \$170,000 as opposed to using a vendor under the competitively bid state contract. Please note that this contractor is certified by DAS but is not currently on an active bid.

I respectfully request your approval as this is a savings to the Town and a priority to prevent further damage and displacement of staff.

Bidding Procedures

The Chair reviewed the current requirements for the town to seek bids or quotes for town goods or services. The current threshold for requiring a bid process is \$10,000 and obtaining three quotes is \$5,000. Both thresholds were last updated in 2011. The February 17th draft increases those thresholds to \$25,000 and \$10,000. The increase reflects ongoing inflation since 2011 and the time delay and financial and personnel costs of seeking bids.

CAO McCaw provided the committee with documentation that showed the following surrounding towns and similarly sized municipalities also had a \$25,000 threshold: Meriden, Bristol, Manchester, Berlin, Glastonbury, Hartford, West Hartford, Windsor, and Vernon.

The chair noted that the bid waiver subsection seemed to only apply to purchases of goods. The recommendation was to insert "and subsection (b) in that subsection so it clearly

applies to waivers of bid for town acquisition of services. With that change, the draft will be designated as March 6, 2024.

Installation and Maintenance of Sidewalks

The Chair explained that the current ordinance for responsibility for sidewalks between the town and the abutting landowner needed to be updated to reflect current state law. Basically, under state law, the town is responsible for installation and repair of sidewalks and towns may delegate responsibility to clearing the sidewalk of obstructions and snow to the abutting landowner. The proposed draft deletes certain ordinance sections that conflict with state law and retains those which allocate responsibility according to state law. Assistant Corporation Counsel Robert Fitzgerald concurred with this assessment and thought it was best to align town laws with state laws.

Food Trucks

This referral was based on a complaint from a restaurant owner who has had a food truck parked in front of the restaurant, thereby competing with the restaurant. Mayor Martin explained that the restaurant owner sought a town prohibition on food trucks near restaurants. The committee understood the concern but felt it was important to ensure town residents and those working in town had choices for where to obtain their meals or snacks. There is also some concern that limiting competition through some restriction on location as suggested would be outside the authority of the town. The committee took no further action on this request.

However, in reviewing the ordinance, Director of Health and Social Services Laurence Burnsed found inaccurate references to state law. The proposed draft aligns the food vendor ordinances with state law, updates the references to the Public Health Code and adopts state definitions by reference rather than restate them in ordinance. The chair noticed that draft had an incorrect reference to state law in amended language to section 12-9 which should be Conn. Gen. Stat. section 19a-36g. With that change, the draft will be referenced as March 6, 2024.

TOWN BIDDING THRESHOLD ORDINANCE (March 6, 2024)

Section 10-7 of the Town of East Hartford Code of Ordinances is repealed and the following is substituted in lieu thereof:

(a) All single purchases and contracts, except for professional services and except as provided in subsection (c) of this section, in which the amount of expenditure is estimated to be [ten] TWENTY FIVE thousand dollars or more, shall be made from or let by sealed bids. All purchases, except for those for professional services and except as provided in subsection (c) of this section of less than [ten] TWENTY FIVE thousand dollars, but more than [five] TEN thousand dollars, shall be substantiated by three written quotations which shall be held as a permanent record for audit and public inspection.

(b) Purchases of professional services estimated to cost [ten] TWENTY FIVE thousand dollars or more shall be subject to the following requirements:

(1) The Director requiring professional services shall (A) prepare a request for proposals defining the specific services to be delivered by the professional, requiring those responding to set out their professional qualifications, experience and ability to deliver such services, as well as the fee to be charged and containing such other information as may be required by the Director, or (B) prepare a request for qualifications containing a list of services to be provided, requiring those responding to set out their professional qualifications, experience and ability to deliver such services as well as the rates to be charged for each service and containing such other information as may be required by the Director;

(2) The Director shall appoint a committee of three persons, each of whom shall be qualified to judge such proposals by having knowledge, expertise and background in the field or subject matter addressed in the proposals. The committee shall review and evaluate such proposals and may, on behalf of the Town, negotiate specific terms, rates and prices with any person who submits a proposal;

(3) The Committee shall, after reviewing such proposals, submit its report and recommendations to the Mayor and the Director along with copies of the proposals. The Mayor may accept the committee's recommendation, select one of the other proposals, or reject all proposals. If the Mayor selects one of the other proposals or rejects all proposals, he shall document his reason for doing so in writing;

(4) Notices for requests for proposals shall be published in accordance with Section 10-8(a) (1) of The Code of Ordinances.

(c) The Town Council may waive the requirements of subsection (a) OR SUBSECTION (b) of this section whenever it deems that such waiver is in the best interests of the Town.

(d) The provisions of subsections (a) and (b) of this section and section 10-8 and section 10-9 of the town ordinances do not apply if a single purchase or contract in excess of [ten] TWENTY FIVE thousand dollars is made or let based on a bid, either through a competitive bidding process or reverse auction process, received by (1) a federal or state government, (2) a regional governmental entity, including but not limited to the Capital Region Council of Governments; (3) a purchasing consortium of state governments, including but not limited to the Western States

Contracting Alliance; or (4) the Connecticut Conference of Municipalities, when such government, governmental entity or purchasing consortium has received such bid through a sealed competitive bidding process and the bidder agrees to offer such goods or professional services at that bid to municipal governments in Connecticut.

(e) The provisions of subsections (a) and (b) of this section and section 10-8 and section 10-9 of the town ordinances do not apply if a single purchase or contract in excess of [ten] TWENTY FIVE thousand dollars is made or let in connection with a project funding in whole or in part by state or federal funds and (1) the town is required, as a condition of receipt of such funds, to follow state or federal bidding procedures and (2) the Purchasing Agent certifies that such federal or state bidding procedures have been followed.

Section 10-6a of the East Hartford Code of Ordinances is repealed and the following is substituted in lieu thereof:

The town may enter into on-call service contracts for a period of not more than five years. No additional request for services pursuant to the contract shall be made once the payments to the contracted service provider exceeds one hundred [fifty] SEVENTY FIVE thousand dollars or such lesser amount as provided in such contract. Within sixty days of the end of the fiscal year, the Finance Director shall report to the Town Council the amount expended by the town on each on-call service contract during that fiscal year. As used in this section, "on-call service contract" shall mean any contract for professional services including, but not limited to, architectural, engineering, computer, legal, real estate appraisal, plumbing, electrical and financial services, where the contractor agrees to provide services over a specified period of time as requested by the town.

Statement of Purpose: It has been 11 years since the bidding ordinance requirements have been updated. This proposal would increase the minimum contract amount required for the town to solicit bids from \$10,000 to \$25,000. Seeking bids is both time consuming and costly in terms of personnel resources which are not cost justified in lieu of obtaining three quotes for such product or service. In addition, the \$25,000 threshold is consistent with a survey of area and similar size towns. Finally, the maximum amount for any cumulative payments for an on call service contract is increased from \$150,000 to \$175,000 to reflect inflationary impacts on contracts since it was last amended 5 years ago.

Sections 18-28, 18-29, 18-32, 18-33 and 18-34 of the East Hartford Code of Ordinances are repealed.

State of Purpose: This proposal removes the responsibility of the abutting property owner to maintain and repair any public sidewalk adjoining such property since state law places such responsibility on the town. These sections are set out below for reference.

The ordinance placing responsibility for the abutting landowner to remove snow and other debris, and be liable for any injuries suffered as a result of the failure to do so, is retained as such is allowed under state law. Relevant state law and this provision are set out below

Sec. 18-28. Installation of Sidewalk; Responsibility of Abutting Property Owner.

Whenever the Director of Public Works shall order the installation of public sidewalks, the installation shall be the responsibility of the abutting property owner at his expense and within a reasonable time.

Sec. 18-29. Maintenance of Sidewalk by Property Owner.

(a) All public sidewalks, whether installed heretofore or hereafter, shall be maintained, repaired, replaced and kept clear by the abutting property owner at his expense.

(b) The Town of East Hartford shall not be liable to any person injured in person or property caused by the presence of ice or snow on a public sidewalk unless the Town of East Hartford is the owner or in possession and control of land abutting such sidewalk, other than land used as a highway or street.

Effective: 7/6/83

Sec. 18-32. Failure to Install Walks; Installation by Town; Assessment of Costs.

(a) Whenever the owner of any premises fronting upon any street in the Town neglects or refuses to comply with orders from the Director of Public Works to install public sidewalks, the Director shall cause the construction of the sidewalks, the expense of the same to be recovered from the owner by the Town.

(b) The Assessment of the cost of such installation upon the properties benefited thereby shall be on a "per front foot basis."

(c) When total costs and final assessments of the installation for public sidewalks are ascertained, the Director of Public Works shall cause liens to be filed against all abutting properties.

Sec. 18-33. Failure to Repair Walks; Repair by Town, Assessment of Costs.

(a) Whenever the owner of any premises fronting upon any street in the Town neglects or refuses to keep his sidewalk in good repair, or fails to perform any of the duties imposed upon him by any Section of this Article, after the expiration of the time within which he is required by notice to do so, the Director of Public Works shall cause work or repairs to be done and the expense of the same to be recovered from the owner by the Town, in addition to the penalty incurred by him for such neglect or refusal.

(b) Upon delivery to the Director of Finance by the Director of Public Works of any assessment for replacing, cleaning or repairing a sidewalk, the Director of Finance is authorized to collect from the property owner designated by the Director of Public Works the total amount of such bill, plus a service charge of eight per cent (8%) of the amount of the bill; provided that the minimum service charge on any bill shall be two dollars and fifty cents (\$2.50) and the maximum service charge shall be fifteen dollars (\$-15-.00).

(c) Whenever the property owner fails to pay the costs, charges and penalties, the Director of Finance shall cause a lien to be filed against said property.

Sec. 18-34. Ordering Replacement of Sidewalk Beyond Repair.

The Director of Public Works, when notified by the Director of Inspections and Permits that an existing sidewalk is in such condition that it cannot be suitably repaired and the public interests so requires, may order the owner of land fronting upon any street in the Town to replace the sidewalk laid in front of such property by laying a concrete sidewalk of such composition, width, and thickness and within such reasonable time as the Director may prescribe.

Sec. 18-35. Maintenance of Sidewalks; Removal of Litter and Obstructions.

Every person owning land within the Town upon or adjacent to which is a sidewalk, whether constructed by him or not, shall at all times keep the sidewalk in safe condition for the use of the public and shall have repaired all defects which may occur in the sidewalk and at all times remove therefrom all obstructions or any substance, and all litter of leaves, grass, gravel, dirt or other things which would in any way impede or imperil public travel upon sidewalk or to render it unsafe.

(C) Highways and sidewalks. (i) Lay out, construct, reconstruct, alter, **maintain, repair**, control, operate, and assign numbers to streets, alleys, highways, boulevards, bridges, underpasses, **sidewalks**, curbs, gutters, public walks and parkways;

(ii) Keep open and safe for public use and travel and free from encroachment or obstruction the streets, sidewalks and public places in the municipality;

(iii) Control the excavation of highways and streets;

(vi) Grant to abutting property owners a limited property or leasehold interest in abutting streets and sidewalks for the purpose of encouraging and supporting private commercial development;

Sec. 18-36. Maintenance of Tree Belt.

(a) The abutting owner shall maintain the ground surface of the tree belt, if any, between the sidewalk and the curb in a neat and graded manner, free and clear of all bushes and trees, unless planted by the Town, standing grass, and litter of every sort and free of holes and defects which would constitute a danger to pedestrians.

(b) As used in this Section, abutting owner shall mean the owner of land whose property line abuts any street right of way, regardless of the distance between any paved street or sidewalk and the owner's property line.

Sec. 18-37. Maintenance of Sidewalks Abutting Town Property.

It shall be the duty of the Director of Public Works to repair all sidewalks located in streets and abutting property belonging to the town or under the control of any department or agency of the Town, together with curbs abutting Town streets, except driveways not owned by the Town.

Sec. 18-38. Removal of Snow, Ice, Sleet, Debris and Obstructions From Sidewalks.

(a) The owner, agent of the owner or occupant of premises bordering on any street or public place within the town where there is an established sidewalk shall cause

to be removed therefrom any and all snow, ice, sleet, debris or any other obstruction. Snow and sleet shall be removed within eight (8) hours after the same shall have fallen or formed upon the sidewalk if the fall or formation of snow and sleet has occurred during daylight hours. If the fall or formation of such snow and sleet occurs between sunset and sunrise, same shall be removed from the sidewalk within eight (8) hours after sunrise. Obstructions other than snow, ice and sleet shall be removed immediately after they have appeared on a sidewalk.

(b) Any formation of ice upon a sidewalk shall be removed immediately, except that, when weather conditions are such as to make the removal of ice from a sidewalk impracticable, the sidewalk shall be made safe and convenient for travel by covering the ice with sand, salt, sifted ashes or some other suitable substance that will provide adequate traction.

(c) Every owner, agent or occupant to have violated any provision of subsections (a) or (b) above shall be issued a written warning by the Town's Director of Inspections and Permits or his designees directing such owner, agent or occupant to cure such violation within three (3) hours after the issuance of the warning. If such violation is not corrected within the time set out in the warning, the owner, agent or occupant will be issued an infraction ticket by the Sidewalk Inspector which will subject such owner, agent or occupant to a fine of fifty (\$50.00) dollars for the first violation. Failure by the owner, agent or occupant to cure the violation after issuance of the infraction ticket will result in the issuance of an additional infraction ticket by the Director of Inspections and Permits for each day the violation remains unabated, each of which will subject the owner, agent or occupant to a fine of ninety (\$90.00) dollars.

(d) The Town may, at any time after the issuance of the first infraction ticket to an owner, agent or occupant, cure such owner, agent or occupant's continuing violation by causing the removal of the snow, ice, sleet, debris or obstruction which caused the issuance of the citation and recover its costs from the offending owner, agent or occupant, plus legal interest thereon, as provided in Connecticut General Statutes Section 7-148(c)(6)(C)(v), by filing a lien against the property owned, managed or occupied by the offending owner, agent or occupant.

(e) Liability for Snow and Ice on Public Sidewalks

(1) The provisions of Connecticut General Statutes, Section 7-163a, are hereby adopted and are set forth in subsections (2) and (3) hereof.

(2) Notwithstanding the provisions of Section 13a-149 of the Connecticut General Statutes or any other general statute or special act, the Town of East Hartford shall not be liable to any person injured in person or property caused by the presence of snow, ice, sleet, debris or other obstruction on a public sidewalk unless the Town of East Hartford is the owner or person in possession and control of land used as a highway or street, provided that the Town of East Hartford shall be liable for its affirmative acts with respect to

such sidewalk.

(3) Responsibility of owners and abutters.

(a) The owner or person in possession and control of land abutting a public sidewalk shall have the same duty of care with respect to the presence of snow, ice, sleet, debris or other obstruction on such sidewalk toward the portion of the sidewalk abutting his property as the municipality had prior to the effective date of this chapter and shall be liable to persons injured in person or property where a breach of said duty is the proximate cause of said injury.

(b) No action to recover damages for injury to the person or to property caused by the presence of snow, ice, sleet, debris or other obstruction on a public sidewalk against a person who owns or is in possession and control of land abutting a public sidewalk shall be brought but within two (2) years from the date when the injury is first sustained.

Inspection Fees

Director Buckheit stated that the Administration is requesting an increase in the re-inspection fees for applicants. Discussions within the Inspections and Permits department have uncovered that applicants will schedule appointments to review work which is not completed, or simply make appointments without consideration to cancel them if work is not meeting schedule. In addition, the Director shared that applicants may intentionally schedule inspection appointments as a way to leverage the knowledge of inspectors on how to properly complete projects. While Town officials are not permitted to provide advice or guidance during appointments for legal reasons, they are required to alert builders of any potential hazards or code violations.

The Commission discussed the Town's current re-inspection fees of \$10 for residential properties and \$20 for commercial. The Director stated that the income from re-inspections does not cover the cost of staff, and proposes an increase that will better accommodate for time spent on appointments. The Director confirmed that the charging of fees is at the discretion of the inspector on a case by case basis.

The Commission discussed that in the spirit of the Town's efforts to be accommodating to residents and businesses, initial re-inspections should be at no cost, with an increase to the price of subsequent inspections as a means to alleviate staff expense.

MOTION By Travis Simpson
seconded by Awet Tsegai

to **recommend** the Town Council revise the Town's Fees Schedule for Re-Inspection Appointments as follows effective April 3, 2024:

Initial Re-Inspections: Free

For each subsequent re-inspection costs will be as follows:

Commercial Re-Inspections: \$60.00

Residential Re-Inspections: \$25.00

MEMORANDUM

DATE: March 25, 2024
TO: Connor Martin, Mayor
FROM: Melissa McCaw, Director of Finance
TELEPHONE: (860) 291-7246
RE: Referral to Tax Policy Committee - Properties Recommended for Tax Lien Sale

Attached please find a list of properties being recommended for the town's annual tax lien sale. The list contains 115 properties that are moving forward toward a tax lien sale totaling \$1,359,664.85 and represents properties that have fallen into delinquency where all town efforts have failed to secure payment. The estimated \$1.4 million includes a \$24 lien fee adjustment on all 2022 Grand List Bills.

Please note this list is preliminary and will decrease substantially as the process proceeds but all amounts that eventually move to lien sale will be updated through the expected date of sale, which should be no later than August 31, 2024.

The policy criteria applied by the Tax Office that results in a property being selected for lien sale includes any real estate delinquency in excess of \$10,000 or any amount when the delinquency spans any portion of the three grand list years.

As background information related to the process followed by the Tax Office, the collection process completed for each grand list year is summarized below:

- The tax bill first installment legal notice is published (3 times; before due date, after due and before it becomes delinquent).
- An individual tax bill is printed and mailed to the property address (mid-June).
- If full payment is not received, an individual delinquent letter is mailed (August).
- The tax bill second installment legal notice is published (3 times; before due date, after due and before it becomes delinquent).
- If full payment is not received, an individual demand letter is mailed (February).
- If amounts remain unpaid, a notice of intention to file lien letter is mailed (April).
- If amounts remain unpaid, a lien is filed by the Tax Collector (in May).

Based on the aforementioned, the town will issue a tax lien sale request for proposal (RFP). When the town has accepted bids in the past, the town was able to collect 100% of the tax due on the parcels when the lien was sold.

On some properties, the owner came forward and entered into an agreement with the town to deposit an initial payment approximately 25% of the taxes due while agreeing to retire the remaining balance over 18 months while keeping new taxes current.

Like past lien sales, the town will advertise these properties and request sealed bids. The bids received by the town will be opened and analyzed by the Administration, who then will return to the Town Council with approximate recommendations for the sale. The Finance Department, including the Tax Office, will work closely with Corporation Counsel to facilitate this sale by August 31, 2024 for tax receipt recording purposes.

In addition, the Tax Office, with the Corporation Counsel will be working to assign subsequent tax liens in cases where that property's tax liens have been sold in prior years. This encompasses 65 properties totaling \$443,508.79.

In closing, while it is regrettable that the town has to initiate these actions, despite our best efforts, we have been unable to secure collection with these particular properties. Accordingly, to maintain a fair and equitable tax collection system and support city services upon which our town residents rely, we must initiate this process.

Should you have any questions or concerns regarding the above noted, please do not hesitate to contact me.

Thank you.

DATE: March 26, 2024
TO: Richard F. Kehoe, Chair
FROM: Mayor Connor S. Martin
RE: REFERRAL: Real Estate Acquisition and Disposition Committee

In 2023, the Mayor's Office received a letter from Normand Goulet Jr. Manager of Goulet Properties LLC and the owner of several businesses on Rosenthal Street with his base office located at 10 Rosenthal Street. Mr. Goulet was requesting Rosenthal Street be classified as a Town road instead of a private road. Despite Rosenthal being a private road, the Town does perform plow services on this street.

The Real Estate Acquisition and Disposition Committee reviewed the information at their meeting on January 30, 2023 and rejected the request.

As a result, Mr. Goulet has reached back out to the town with a request to reconsider that decision.

Please place this item on the council agenda for April 2, 2024 for referral to the to the Real Estate and Acquisition and Disposition Committee for consideration.

Mr. Mayor,

I am writing this letter on behalf of Normand Goulet Jr., Manager of Goulet Properties LLC, Owner of United Centerless Grinding & Thread Rolling located at 25 Rosenthal St., as well as Harry & Peter Papageorgiou, manager and member of H&E Management Associates LLC, owners of 4 properties on Rosenthal St. and based at 10 Rosenthal. We are asking that our request for Rosenthal St. to be classified as a town road, and not a private one, be brought to the town council for approval. We are asking that routine maintenance of the road be performed by the town; i.e. snow plowing, road repairs, road sewers, etc. All of the aforementioned businesses hire their own trash removal services so this will not be an additional burden to the town.

When we were told in the spring that we were classified as a private road we were a bit confused as all of our attorney's, at the time of the purchases of the property, did their due diligence with title searches on all locations and this was not discovered or mentioned during the investigative process. With respect, we urge the town council to push this motion through as soon as possible.

Thank you for your time and your service to the town of East Hartford.

Best Regards,

Normand Goulet III
President, United Centerless Grinding & Thread Rolling, Co.

**Re: Outdoor Amusement Permit Application
"18th Annual Abelon Memorial Walk"**

Dear Chairman Kehoe:

Attached please find the amusement permit application by the **Michael Abelon Memorial Foundation** by Rachel Buck, VP for the Foundation and Walk Faculty Advisor for the CIBA Student Advisory Board. The applicant seeks to conduct a walk to raise money and awareness for pancreatic cancer research and money for a college scholarship for a CIBA student. The walk includes refreshments and guest speakers who will be on the grounds of the **Connecticut IB Academy, 857 Forbes Street on Saturday, May 18, 2024** from approximately 7:30 a.m. to 2:00 p.m. The walk will begin at CIBA and proceeds down Forbes Street to Sunset Ridge School (450 Forbes Street), then turns, retracing its steps back to CIBA.

The applicant respectfully **requests a waiver of the associated permit fee**, under the provisions of (TO) 5-6(a), due to the Town of East Hartford as this is a not-for-profit student initiated event.

Pursuant to Town Ordinance (TO) 5-3, a review of the application was completed by the Directors of the Fire, Health, Parks & Recreation, Public Works Departments and the Offices of the Corporation Counsel and Finance.

The **Risk Management Department** and the **Office of Corporation Counsel** approve the application as submitted.

The **Fire Department** approves the application as submitted and **indicates there are no anticipated costs to their Department**. The Fire Marshal would need to inspect any food trucks that may be present.

Tina:

This looks good from my perspective. It seems the gathering points are on board of education property so I assume the BOE has notice of this, and it appears the walking will be done on sidewalks so I don't see the need for a license agreement.

Thanks,

Outdoor Amusement Permit Application Additional Responses

7. Provide a detailed description of the proposed amusement:

Set-up will commence at 7:30 am outside of CIBA and will include setting up registration tables, refreshments, prize drawing items, signage and activities. Registration will start at 9 am. Guest speakers will introduce the event at 9:40. The walk will commence at 10 am, proceed down Forbes Street to Sunset Ridge, and then retrace the path back to CIBA. We will have a grand farewell, and walkers will leave. Students and volunteers will remain to help clean up.

11 Provide a detailed description of the proposed amusement's anticipated impact on the surrounding community. Please comment on each topic below:

a. Crowd size impact:

There is a large amount of pedestrian traffic, as the event consists of a fundraising walk that starts at CIBA, follows Forbes Street to Sunset Ridge School, loops around in the parking lot with a stop at the water station there, and retraces the path back to CIBA. All collective gatherings aside from the walk and water break take place in the parking lot outside of CIBA. All walkers are to use designated crosswalks and sidewalks.

b. Traffic control and flow plan at site & impact on surrounding/supporting streets:

All participants use designated crosswalks and sidewalks. As well, participants park their vehicles in the CIBA/EHHS parking lot. This does not create any undue congestion, and the impact on surrounding streets is minimal.

c. Parking plan on site & impact on surrounding/supporting streets:

All participants park their vehicles in the CIBA/EHHS parking lot. This does not create any undue congestion, and the impact on surrounding streets is minimal.

d. Noise impact on neighborhood:

There is some noise, but this is limited to the casual conversation of the participants as they walk the planned route. There will be music and speeches in the parking lot of CIBA during registration and welcome, but this should not create too much noise impact on the surrounding neighborhoods.

e. Trash & litter control plan for the amusement site and surrounding community during and immediately after the proposed amusement:

Student cleaning crews man the back of the walk, cleaning up any visible litter as they go. A water station with trash receptacles will be set up at Sunset Ridge School, and student volunteers

will be responsible for keeping all areas clean and removing the trash and receptacles at the end of the walk. Event supervisors inspect these areas prior to the end of the event.

f. List expected general disruption to neighborhood's normal life and activities:

Minimal; there will be heavy pedestrian traffic on the road for approx. 1 hour.

g. Other expected influence on surrounding neighborhood:

We hope to spread awareness of the devastating statistics that surround pancreatic cancer, raise funds for its treatment and patient support services, as well as raise money to support higher education.

12 Provide a detailed plan for the following:

b. Provision for notification of proper authorities in the case of emergency:

There are functioning landlines at CIBA, the main hub of this event. Additionally, the walk advisor listed on this form and other CIBA staff will have operational cell phones along the entire route.

c. Any provision for on-site medical services:

We will have first aid kits on site and access to telephones in the event that more serious medical treatment is necessary.

d. Crowd control plan:

CIBA staff helps to lead the walk and are in great attendance at this event, and they help to supervise and enforce crowd control.

e. If on town property, the plan for the return of the amusement site to per-amusement conditions:

Student volunteers are stationed at key locations along the route. They are responsible for the maintenance of the location, and these conditions are checked by the advisor listed on this form prior to the end of the event.

f. Provision of sanitary facilities:

A custodian is present at CIBA during the hours of the event, making restrooms inside the school available to event participants.

15. Include any other information which the applicant deems relevant (ie time waivers and fee waiver requests should go here):

Since this event is non-profit and student-initiated, we would like to request a waiver of any fees.
