INLAND WETLANDS - ENVIRONMENT
COMMISSION OF THE TOWN OF EAST HARTFORD

At the August 25, 2015 meeting of the Inland Wetlands - Environment Commission of the Town of East Hartford, the Commission voted to take the following actions:

- Tabled File #2015-013 Application of Sabrina Pools to conduct a regulated activity in the inland wetland upland review area in conjunction with the construction of a new 20' by 40' rectangular in ground swimming pool. Activities include construction of the pool with 52" fence, gates, and a concrete patio; located at 107 Sherwood Drive.
- Tabled File #2015-014 Application of Robert Hieronymus to extend previously issued permit #2010-018 to conduct a regulated activity in the inland wetlands and inland wetlands upland review area in conjunction with the construction of an addition to the house located at 34 Gorman Place.
- Tabled File #2015-015 Application of TO Design, LLC to conduct a regulated activity in the inland wetland upland review area in conjunction with the relocation of existing parking areas associated with the rehabilitation of the Veteran's Terrace apartments. Activities include removal of existing impervious surfaces, addition of walks and parking spaces; located at Veteran's Terrace, 70 Columbus Street (aka 3-59 Columbus Circle, 62-102 Columbus Street, 126-138 Columbus Street Extension, 2-50 Columbus Circle).
- Tabled File #2015-016 Application of Hurley East Hartford Realty Co. LLC c/o James M. Clark, CFO to conduct a regulated activity in the inland wetland upland review area in conjunction with the construction of a building addition and the removal and replacement of a loading dock; located at 60 Meadow Street.
- Tabled File #2015-017 Application of 905 Burnside LLC c/o SilverBrick Group to conduct a regulated activity in the inland wetlands upland review area in conjunction with the addition of 8 new residential units and 22 parking spaces; located at 905 Burnside Avenue.
- Tabled File #2015-018 Application of Hartford Outlet Shoppes LLC to conduct a regulated activity in inland wetland upland review area in conjunction with the construction of new retail outlet center. Activities include construction of new retail buildings, associated parking areas and driveways; located at Rentschler Field, aka 400 Main Street.

M. Denise Horan, P.E., Town Engineer,
The Designated Agent for the Inland
Wetlands-Environment Commission
