

Help us Spread the Word.

The Mortgage Crisis Job Training Program is helping homeowners throughout the state who are challenged in making their mortgage payments. Help the statewide Mortgage Crisis Job Training Team connect to residents who need help getting back on a path to success through the assistance of this program and the American Job Center network.

CAN YOU:

- Provide referrals to the residents in your town/municipality who have arrears on their property taxes. Often times those late in paying their taxes are also late in making their mortgage payments.
- Distribute the attached flyer to the residents and businesses in your municipality.
- Help us spread the word about this program to homeowners in jeopardy. This program can assist homeowners to self-sustainable paths, keeping their homes now and in the future.

If you have any questions, please contact: Rose Sbalcio, Lead Program Specialist, Capital Workforce Partners at: 860-836-4675 or rsbalcio@capitalworkforce.org.
