June 14, 2016: Topic – A Conversation about Race

We are at a crucial crossroad in the history of this nation--and we either hang together by combating these forces that divide and degrade us or we hang separately. Do we have the intelligence, humor, imagination, courage, tolerance, love, respect, and will to meet the challenge? Time will tell. None of us alone can save the nation or world. But each of us can make a positive difference if we commit ourselves to do so.

— Cornel West, *Race Matters*

Following on last month's talks on the power of personal stories, we'll continue the discussion with two talks on race and how we might work to overcome our own biases and preconceptions.
