## Did you know....

There are several Town ordinances and State statutes that you should be aware of as a dog owner. The following are just a few:

### State Statute 53-247

This statute says that you as a pet owner or keeper, must provide food, water and shelter for your pet. The animal must have shelter from outdoor elements when left outdoors.

This rule also covers animals left in vehicles. Please do not take your pet where it will have to wait for you in your vehicle. This is a DEFINITE health risk for an animal.

Violations carry a mandatory court appearance.

### State Statute 22-363

This statute says it is a violation for any dog to bark to excess OR to create a disturbance OR by such barking become an annoyance to any sick person residing in the area.

This circumstance could arise and become a problem if dogs are left out of doors when owners are not at home to control them.

A violation of this statute carries a fine for the first offense and a mandatory court appearance for each subsequent offense

### State Statute 22-364

This statute says it's a violation for any dog to roam at large on any town property or the property of another. A violation carries a fine.

### Town Ordinance 6-37

This ordinance states that it is a violation for your pet to defecate on the property of another or any town property unless the owner cleans up the feces. A violation carries a fine.
