**Subject:** Questions of Administration from May 20, 2015 Council Meeting

Angela:

Here are answers to the questions from Tuesdays Meeting:

Ram Aberasturia asked if Godar Terrace will be on the list of roads to be repaved.

Godar Terrace has been included in the recent list of roads currently in design. As long as there are no significant surprises in design, the design team believes that there will be sufficient funding within the recent bond authorization to include Godar in the 2016 construction package.

Pat Harmon noted that there are old vehicles at the firehouse on Forbes Street and asked when they will be removed.

Only the ladder truck that has been designated for surplus is parked there and will be going to auction this summer. The Chief stated that there was no other vehicle there other than employee vehicle. I will circle through and check myself.

Also, when the tree belts in the Sandra/Barbara Drive neighborhood will be re-landscaped. *(Resident of 58 Barbara Drive in attendance at meeting to address council regarding his property)*

I am told by Tim Bockus that the contractor has revisited the Sandra and Barbara Drive areas twice already. Last week Tim Bockus drove the area and noticed areas in need of attention but the majority of restoration appears to have taken well. Tilcon will be going back again to rake and seed within the week.

GRANTS ADMINISTRATION  
MEMORANDUM

---

TO: Mayor Marcia A. Leclerc

FROM: Paul O'Sullivan, Grants Manager *PMO'S*

SUBJECT: Council Resolution for Neighborhood Assistance Act Applications

DATE: May 22, 2015

---

Seventeen (17) community programs have asked to be included in the Town of East Hartford's annual participation in the State of Connecticut "Neighborhood Assistance Act Program". The Neighborhood Assistance Act provides State tax credits to businesses who contribute to community programs benefiting low income or handicapped individuals in such areas as: job training, job education, community services, and energy conservation. It is important to note that these are State, not municipal, tax credits. The "Tax Credit Program" was authorized under Connecticut General Statute SS 12-630aa, as amended. Energy conservation programs are awarded a 100% credit; all others receive a 60% credit.

Those programs wishing to participate are listed on the attached summary. Complete proposal forms as required by the State's Department of Revenue Services will be placed on file in the Town Clerk's Office and another set will be forwarded directly to the Town Council Office for their review. All 17 proposals were presented at a Public Hearing held May 12, 2015.

Representatives from these organizations have been asked to attend the Council meeting to answer questions regarding their programs.

I respectfully request that the attached Resolution be placed on the June 2, 2015 agenda of the Town Council for their approval. If approved, these proposals will be forwarded to the State of Connecticut Department of Revenue Services by July 1, 2014.

## **Purpose and General Information**

The purpose of the Youth Service Bureaus (YSBs) Grant Program is to assist municipalities and private youth-serving organizations designated to act as agents for municipalities in establishing, maintaining or expanding such YSBs. See Connecticut General Statutes (C.G.S.), Section 10-19n.

## **Overview**

Local communities began to develop YSBs in the 1960's as a response to a growing number of issues affecting youth. The role of the YSBs has been expanded to include both advocacy and coordination of a comprehensive service delivery system for youth. YSBs are organized to provide:

1. Administrative services, including an assessment of youth needs and the coordination of services for youth.
2. Direct services for youth that may include:
  - recreational activities;
  - individual and group counseling;
  - parent training and family therapy;
  - work placement and employment counseling;
  - alternative and special educational opportunities;
  - outreach programs;
  - teen pregnancy services;
  - suspension/expulsion services;
  - diversion from juvenile justice services;
  - preventive programs including youth pregnancy, youth suicide, violence, alcohol and drug prevention; and
  - programs that develop positive youth involvement.
3. Administrative core unit functions which include:
  - general administration;
  - research;
  - resource development;
  - community involvement; and
  - youth advocacy.

Additionally, each YSB is required to have an advisory board responsible for making recommendations on overall policy and program direction of the YSB.

The number of YSBs participating in the grant program has increased from 56 YSBs serving 71 towns in 1979-80 to 101 bureaus serving 145 towns in 2014-15. State funding for the grant program has increased from \$900,000 in 1979-80 to a high of \$3.3 million in 1994-95. The program was funded at \$2,929,483 in 2014-15.

RE: Suspense List

---

Attached is a memo from the Tax Collector detailing dates and reasons for requesting a transfer of delinquent taxes into the Suspense Rate Book. Included is the actual list and amounts.

Thank you.

MEMORANDUM

DATE: May 20, 2015  
TO: Mayor, Marcia A. Leclerc ✓  
FROM: Iris K. Laurenza, Collector of Revenue   
SUBJECT: Suspense List

The attached is a list of accounts I am requesting be transferred into the Suspense Rate Book. I have also attached a Collector's Certificate giving reference to this amount. It is anticipated that this list will be acted upon on the **June 2, 2015 Town Council meeting**.

I am requesting that all outstanding taxes for Personal Property, Motor Vehicle and Motor Vehicle Supplemental taxes on the 10-1-2011 Grand List be transferred into suspense.

This year also includes a request to suspend a number of real estate accounts. These parcels are mobile homes that were either removed, getting ready to be removed or replaced with a new one. Numerous Court Orders, abandonment, public auctions, and lien assignments have occurred on the attached list of properties (mobile homes) which makes it near impossible to collect on any balances due. On future grand lists a new owner and mobile will be in place.

1. These taxes will **remain collectible** for fifteen years from the due date, but at this time we feel that it is unlikely that we will be collecting these taxes and therefore they should be removed from the books as a receivable for the Town of East Hartford. All taxes transferred into suspense will show as due and payable during any inquiry for unpaid taxes or parking tickets on our system.
2. If these taxes are transferred into suspense, the prior year taxes will then present a more realistic figure as to what is actually collectible and will be useful in any future budget considerations and bonding issues.
3. By carrying only the current year taxes plus two prior years motor vehicle taxes as open items, we are working in concert with the blockage of motor vehicle registrations and the motor vehicle department. Registrations are renewed every two years. The Department of Motor Vehicle will carry a blockage on their records for 24 months. If we are unable to collect delinquent motor vehicle taxes within that time, our chances of collecting them later are very slim.
4. We have done our very best to collect personal property taxes. In most cases, those accounts not paid are either out of business, in bankruptcy, foreclosure, moved or continue to struggle with the poor economy.
5. The act of placing these accounts in suspense in no way diminishes our efforts or impedes our ability to pursue these delinquent tax amounts.

If I can be of further assistance or if additional information is needed, please feel free to contact me.  
Thank you for your attention to this matter.

**Re: Outdoor Amusement Permit Application**  
**"2015 Keith Berger Memorial Crit"**

Dear Mr. Kehoe:

Attached please find an Outdoor Amusement Permit Application submitted by the **TWZ Masters Racing Team by Massimiliano Accaputo, Race Director**. The applicant seeks to conduct a series of bicycle races on **Sunday, June 21, 2015** from **8:30 AM – 3:30 PM** from Founders Plaza and the following Streets: East River Drive, Pitkin Street, Meadow Street, and Hartland Street. Music and food will also be provided.

The applicant respectfully requests a waiver of the associated permit fee (\$10.00), under the provisions of (TO) 5-6(a), due to the Town of East Hartford as this is a fund raising event.

Pursuant to Town Ordinance (TO) 5-3, a review of the application was completed by the Directors of the Fire, Health, Parks & Recreation, Public Works Departments and the Offices of the Corporation Counsel and Finance.

The **Office of Corporation Counsel** approves the application as submitted and states they will need to sign License Agreement with the Town.

The **Risk Management Department** states that the applicant will need to submit a Certificate of One (1) million dollars of liability insurance naming and endorsing the policy to add the Town of East Hartford as an additional insured.

The **Fire and Parks & Recreation Departments** approve the application as submitted and state **there are no anticipated costs to their Departments**.

The **Health Department** recommends approval provided any temporary food service permit applications are submitted at least ten (10) days prior to the event. **There are no anticipated costs to the Department**.

The **Public Works Department** recommends the application be approved subject to the following conditions:

- The applicant shall obtain written permission from the property owner before utilizing business parking lots.
- Traffic in this area may be impacted by the CT DOT's bridge rehabilitation projects in the vicinity of Route 2 and I-84. The four bridge rehabilitation projects require detours of various duration over the course of two construction seasons. We do not have a specific schedule for the detours at this time. The

applicant is encouraged to contact the project engineer to ascertain the potential traffic impacts.

- **There are no anticipated costs to the department.**

The **Police Department** conducted a review of the application and the following comments/recommendations are made:

- The Police Department can provide adequate police protection for the event. The site is suitable for the outdoor amusement, the expected crowds are of small to moderate size, and the area has sufficient parking available.
- This event can be conducted with a minimal impact upon the surrounding neighborhoods and a near-normal flow of traffic on the streets adjacent to the site can be maintained.
- Police manpower required for this event exceeds the Department's normal patrol complement and some overtime hiring will become necessary. As an event that is not Town sponsored, this expense will have to be borne by the applicant.
- **The anticipated cost for this event is approximately \$6,000.00.**

Respectfully submitted for your information.

Sincerely,

A handwritten signature in black ink that reads "Scott M. Sansom". The signature is written in a cursive style with a long, sweeping underline.

East Hartford Town Council

**Re: Outdoor Amusement Permit Application -  
"2015 InterCommunity Firecracker 5 & 10K Fit Run"**

Dear Chairman Kehoe:

Attached please find a copy of the amusement permit application submitted by the **Glastonbury River Runners, Inc. by Rosemary P. Hokanson, its Vice-President.** The applicant seeks to conduct a **5 & 10K Run at Great River Park on Sunday, June 21, 2015 from 8 AM to 12 PM.** Both races will take place on the grounds of Great River Park and the 5K will traverse a paved course and the 10K will include pavement, trail terrain and some stairs. There will be music and food at the event.

Pursuant to Town Ordinance (TO) 5-3, a review of the application was completed by the Directors of the Fire, Health, Parks & Recreation, Public Works Departments and the Offices of the Corporation Counsel and Finance.

The **Office of Corporation Counsel** approves the application as submitted and states the applicant's name is Glastonbury Runners, Inc.

The **Risk Management Department** states that a current Certificate of Insurance for One (1) Million Dollars general liability will be required. The Town of East Hartford, the MDC and Riverfront Recapture must be named and endorsed on the general liability policy as an additional insureds for the this event.

The **Parks & Recreation, Health and Fire Departments** approve the application as submitted and state **there are no anticipated costs to their Departments for this event.**

The **Public Works Department** recommends the application be approved with the following condition:

- Traffic in this area may be impacted by the CT DOT's bridge rehabilitation projects in the vicinity of Route 2 and I-84. The four bridge rehabilitation projects require detours of various duration over the course of two construction seasons commencing this year. The applicant is encouraged to contact the project engineer to ascertain the potential traffic impacts. We do not have a precise schedule of construction from DOT; however, the liaison engineer recently indicated the contractor's notice to proceed may be issued in Mid-May of 2015.
- **There are no anticipated costs to the department.**

The **Police Department** conducted a review of the application and the following comments/recommendations are made:

- The Police Department can provide adequate police protection for the event. The site is suitable for the outdoor amusement, the expected crowds are of small to moderate size, and the area has sufficient parking available.
- Event organizers will be hiring one (1) private duty officer and **there are no anticipated costs to the Department for this event.**

Respectfully submitted for your information.

Sincerely,

A handwritten signature in black ink that reads "Scott M. Sansom". The signature is written in a cursive style with a long horizontal flourish extending to the right.

Carol,

I have reviewed this application and Pursuant to Town Ordinance 5.3, I recommend the application be approved subject to the following conditions:

1. The applicant should include a map of both the 5k and 10k courses including facilities for trash, restrooms, water stations, first aid, course signs, etc.
2. The applicant states private property across East River Drive can be utilized for parking. The applicant should obtain written permission from the property owner.
3. This event is scheduled to take place in June 2015 at Great River Park. The Engineering Division has no work scheduled here during this time frame, however traffic in this area may be impacted by the CT DOT's bridge rehabilitation projects in the vicinity of Route 2 and I-84. The four bridge rehabilitation projects require detours of various duration over the course of two construction seasons commencing this year. Background traffic volumes may be higher than the applicant anticipates. The applicant is encouraged to contact the project engineer to ascertain the potential traffic impacts.

Point of contact for the bridge projects:

Do you have any anticipated costs to the Department? I'm fairly certain that you don't but I just need to see it so I can include the information on the package going to the Town Council for review. Thanks.
