Office of the Mayor

June 3, 2020

To the Members of the Town Council and to the Residents of the Town of East Hartford:

For the long-time East Hartford resident, East Hartford is a community that was built on the promise of manufacturing jobs building the world's most reliable and powerful jet engines. Anyone who lived in East Hartford probably had a family member or at least knew someone who worked at Pratt and Whitney. However, times are changing with fewer than 300 town residents working at the East Hartford Pratt and Whitney plant, and so is our community.

Today, while Pratt and Whitney is still the largest employer and taxpayer in town, through economies and efficiencies, Pratt and Whitney is now smaller than in the past, and as a result, our community is being forced to adjust; adjust to the reality of being less dependent on Pratt and Whitney jobs and tax revenues, while at the same time our changing population is becoming more diverse.

So, while Pratt and Whitney remains etched in our community's economic history, moving forward, East Hartford's new strength that we need to begin to embrace and celebrate can be found in our diversity and cultural richness with over 72 ethnicities now calling East Hartford home.

Accordingly, it is on this message of change and diversity that I respectfully submit to you the Mayor's Adopted Budget for the Town of East Hartford for the fiscal year ending June 30, 2021.

Revenues

The Town's October 1, 2019 taxable grand list, the economic engine that produces \$135.6 million of revenue for the town to use to balance its budget grew by \$23.9 million raising \$1.2 million of new revenues. The growth in the grand list was attributable to \$20.9 million of new personal property led by new equipment purchases at Pratt and Whitney, as well as an increase in new motor vehicle purchases of \$11.8 million. Real Estate was lower compared to the prior year by \$8.8 million as taxable properties moved off the grand list.

Revenues in the form of grants from the State of Connecticut totaling over \$50 million annually were held flat in the fiscal year 21 budget projections. However, \$1.8 million of new funds in the form of an increase in the Municipal Projects Grant is expected to be

received from the State. Special thanks to Governor Ned Lamont and the East Hartford Legislative Delegation of Jason Rojas, Henry Genga, and Jeff Currey for securing these much-needed funds for the town as we strive to provide services affordably.

Expenditures

Board of Education (BOE) spending will increase by \$1.0 million and will be coupled with nearly \$2.0 million of new Alliance Grant State funding as the State fulfils its promise to better fund and more equitably allocate educational funding across the State by 2025. Both funding sources will allow the Board of Education to provide educational excellence to the students who attend school within East Hartford and will allow the Board to meet the rising cost of magnet school tuition payments and transportation arising out of the application of the provisions of the Sheff and ECJF educational funding lawsuit settlements.

East Hartford, like nearly every town and state in the nation struggles with unfunded pension and Other Post Employment Benefit (OPEB) liabilities. In an effort to continue the long process to reduce those liabilities, the town will contribute \$1.1 million more toward the Pension Plan based on a reduced projected investment return of 7.55% and an annual amortization rate of 3.25%.

With respect to OPEB, the Town finished the FY 19 year with a strong financial performance and with the OPEB trigger contribution ordinance required to be followed when Fund Balance exceeds 10% of the budget, East Hartford was mandated to contribute \$2.7 million toward retiring our OPEB unfunded liability. That transfer will in turn allow the town in FY 21 to reduce the usual \$2.0 OPEB contribution by \$513 thousand providing residents with some relief while continuing to meet the annual minimum funding requirements of the newly adopted OPEB Trust Fund funding ordinance.

Debt for the town increased by \$278 thousand year over year with the increase attributable to the placement of permanent bonds used to fund roads maintenance, levee work to protect the community from flooding, and the renovation work occurring now on the new senior center. East Hartford bonds are issued over 10 years to keep the cost of our capital improvements as low as possible while enjoying a low interest rate on tax exempt bonds driven by the short time period our bonds are outstanding before they are extinguished.

Other noteworthy increases in expenditures year over year included town contractual settlements of \$1.0 million, \$700 thousand for a calendar payroll anomaly called a 53rd pay period, \$322 thousand for MDC and their Clean Water Project, \$275 thousand for MIRA tipping fees for waste incineration and disposal, \$250 thousand for partial funding for the start of State mandated revaluation, \$187 thousand for scheduled labor contract settlements, \$275 thousand in assorted funding for IT (security software/GIS flyover), a Zoning regulations consultant, and Inspections staffing.

Infrastructure Maintenance and Capital Equipment Purchases

The Town of East Hartford Charter mandates that along with submission of the Mayor's Recommended Budget, a 5-year Capital Improvement Plan including recommendations and funding sources is to be submitted to the Town Council for review and approval.

Accordingly, such a plan is submitted as part of the annual budget and includes the following capital purchases using Bond Funding:

Road Improvements

Town Building Improvements

BOE High School/Middle School Roofs

The following items will be purchased using Lease Funding:

Town Hall Furniture and Equipment
Cardiac Monitors and Public Access AED

Various Vehicle Replacements Police Body Cameras Terry Pool Filter Replacement SWAT Armor and Helmets

The following items will be purchased using Local Capital Improvement State Grant funds:

Facility Sign Installation/PSC Fuel Tank

Hockanum River Linear Walkway

PSC Vehicle Storage Building

The following items will be purchased using VW Grant Funding:

2 CNG Powered Refuse Trucks

Bulky Waste Loader

Roll off Hoist

Key Budget Statistics

- > Total budget spending is \$196.7 million. This is an increase of \$1.3 million or 0.7% higher than the current year
- > Spending for Town government is budgeted at \$61.3 million. This is \$1.5 million or 2.5% higher than the current year
- ➤ Health Benefit/Insurances spending is budgeted at \$11.9 million. This is \$3.3 million or 21.4% lower than the current year
- Pension & Retirement spending is budgeted at \$19.8 million. This is \$1.1 million or 5.9% higher than the current year
- Educational spending is budgeted at \$92.7 million. This is \$1.0 million or 1.1% higher than the current year
- > Town and BOE Debt Service spending is budgeted at \$9.0 million. This is \$777 thousand or 9.5% higher than the current year
- Capital Improvement spending is budgeted at \$2.1 million. This is \$135 thousand or 6.9% higher than the current year

The recommended mill rate of 49.92 for Real Estate and Personal Property is 0.81 mills or 1.6% higher than the current year while the motor vehicle mill rate remains at 45.00 with no year over year increase. Accordingly, in total, the average taxpayer with two cars will see a \$43 or a 0.69% increase in taxes beginning in July of 2020.

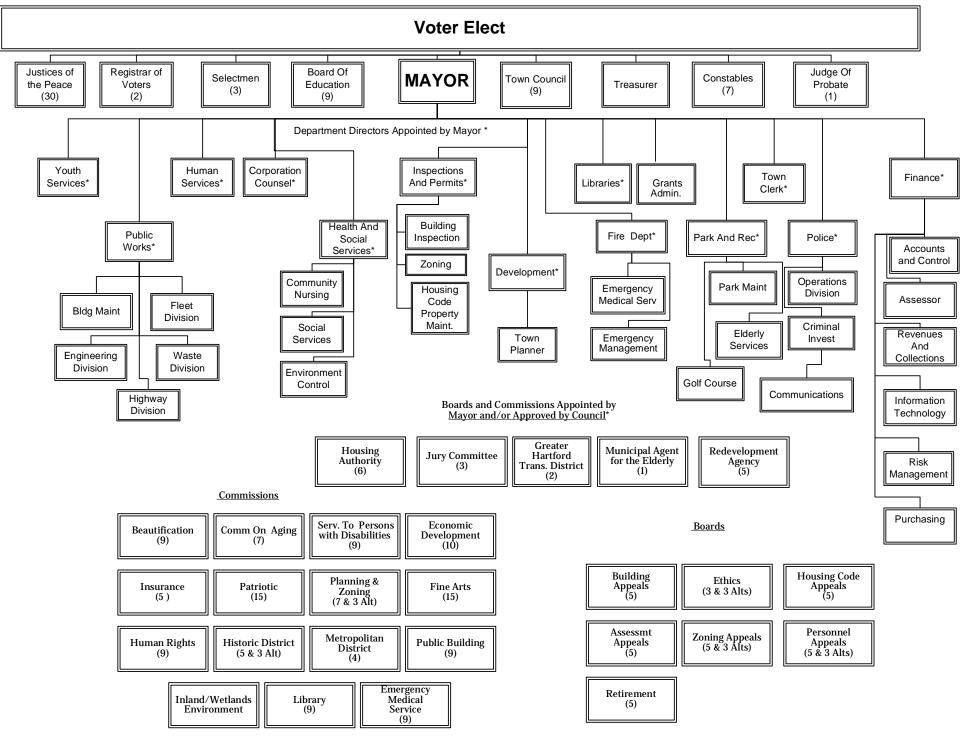

Sincerely,

The Town of East Hartford

Marcia A. Leclerc, Mayor

GENERAL INFORMATION

The Town of East Hartford is located directly east of the Capitol City of Hartford on the east bank of the Connecticut River, encompassing a land area of 18.7 square miles. The Town is bordered by Glastonbury on the South, Manchester on the East, and South Windsor on the North. East Hartford is situated halfway between New York City and Boston. The Town is served by regional and national rail lines and Bradley International Airport is twenty miles to the northwest. The Connecticut River provides water access to Long Island Sound 30 miles to the south. East Hartford's current population (2010) is 51,252.

East Hartford is the home of over 75 diversified manufacturing plants and 1,674 small businesses. Principal products include: aircraft engines, soda bottling, optical character recognition systems, machine tools, dies, precision parts, aircraft engine parts, winches, sheet metal fabrications, pneumatic valves, firearms, photo processing, printing paper products, marking machines, electronic test equipment, and storage racks.

The Town serves as the corporate and general headquarters for the Pratt and Whitney Division of United Technologies, which employs just under 35,000 world wide and 8,700 in East Hartford. Other significant employers include United Technologies Research Lab, Bank of America, N.A. Data Processing Division, Coca-Cola of N.Y. and Riverside Health and Rehabilitation Center.

The Town has pursued a strategy designed to diversify its economic base from major reliance on a single industry.

The Town is working actively with the Capitol Region Growth Council Inc. to develop industrial solutions for Rentschler Field, a 700-acre airport owned by United Technologies.

The Town's Charter was granted by the General Assembly, October 9, 1793 and was last revised in 2004. The land area was taken from the City of Hartford. The Town functions under the strong Mayor/Council form of government with the Mayor acting as the Chief Executive Officer. All

legislative authority of the Town is vested exclusively in the nine member Town Council. The Chairman of the Town Council is also the Deputy Mayor and is empowered to exercise the powers and duties of the Office of the Mayor in the event of his absence.

The Town provides the full range of municipal services as directed by State statute and the Town Charter. These include police and fire protection, parks and recreation activities, street construction and maintenance, planning and zoning, health and social services, education and general administrative services.

TOWN OF EAST HARTFORD BUDGET

Town Council	Legislative
Division	Department

Since the adoption of the Town Charter in 1968, which was revised in 1980 and 2004, East Hartford has been governed by a strong Mayor/Council form of municipal government. The Town Council is the legislative branch of local government.

The nine-member council meets the first and third Tuesdays of each month. It elects its own chairperson who also serves as the town's Deputy Mayor. Minority representation is guaranteed, with no more than six members of the council elected from the same political party. All council members are elected at-large for two-year terms in the odd-numbered election years.

The Town Council approves the town budget and adopts it into law as a Town Ordinance. The Town Council sets fees for town services, approves job descriptions, authorizes the town purchase, lease or sale of property, maintains and updates the Code of Ordinances and is responsible for engaging a licensed CPA firm to perform the annual single audit and additional special audits.

TOWN OF EAST HARTFORD BUDGET

Town Clerk	<u>Legislative</u>
Division	Department

The Town Clerk is appointed by the Mayor, but duties and responsibilities are set forth by State Statutes, The Town Charter and Town Code of Ordinances. One of the major responsibilities of the Town Clerk's Office is that of recording, preserving and maintaining all land records. Equally important the Town Clerk serves as East Hartford's Registrar of Vital Statistics, which includes issuing marriage licenses, certified copies of Birth, Marriage and Death Certificates, cremation and burial certificates and maintaining the sexton report.

The filing of minutes, agendas, and schedule of meetings of all Town Boards and Commissions are filled in the Town Clerk's Office. Notary Public service is provided, as well as Notary applications and certification.

As an agent for the State, a variety of sporting licenses and manuals are issued. Dog Licenses are issued from this office and an annual low-cost rabies clinic is sponsored. State and local conveyance taxes are collected, processed and filed with appropriate forms and monies forwarded to the Commissioner of Revenue Services. We supply accurate land transaction information to Tax and Assessor offices, assisting them in their duties.

The Town Clerk, along with the Registrars of Voters, is also charged with the responsibility of administering all elections. This office creates, maintains and issues the Absentee Ballots and Presidential Ballots, certifies all elections, primaries and referendums and issues Voter I.D. cards.

The Town Clerk is the Keeper of the Town Seal and Vital Statistics seal. The office is the repository for trade name certificates, recorder of liquor permits, filer of maps, Military Discharges, and Appointments of Justices of the Peace.

TOWN OF EAST HARTFORD BUDGET

Registrars of Voters	Legislative
Division	Department

The workload of the Registrars of Voters, now known as Election Administrators, has been significantly increased by Public Act 07-194. This act transfers all election activities performed by the Town Clerk to the Election Administrators.

The only function retained by the Town Clerk is the issuance of absentee ballots. The act also imposes added responsibilities on the Election Administrators aside from the shift of work from the Town Clerk's. For clarity, we will refer to our office as the Registrars for the time being. The Registrars are responsible for all elections, primaries, and referenda.

Office of the Mayor	<u>Executive</u>
Division	Department

The Town of East Hartford is governed by a strong Mayor/Town Council form of municipal government. The Mayor is recognized as the Chief Executive Officer of the Town and is directly responsible for the administration of all departments, agencies and commissions of the Town. The Mayor prepares the Town's annual operating budget for council approval and ensures proper enforcement of all laws and ordinances of the Town.

This responsibility involves significant interaction with the general public, various State and Federal agencies, Town Departments, Boards and Commissions and the Town Council. This office serves as a "clearing house" with respect to facilitating timely responses to our residents and business community on requests for information and assistance

Probate Court	<u>Executive</u>
Division	Department

The Probate Court for the District of East Hartford, initially part of the Probate District of Hartford, was founded in May of 1887, when it was established as a separate District comprised solely of the Town of East Hartford. The Court is located in the East Hartford Town Hall and serves the residents of East Hartford. It is headed by the Probate Judge who is elected to serve four-year terms. The Chief Clerk oversees the day to day operations of the Court, and together with the Clerk and Assistant Clerks, provides assistance to the public. The Judge of Probate presides over the court hearings scheduled in connection with the probate petitions filed by the public and issues rulings concerning said petitions.

The Probate Court is a statutory court with its jurisdiction extending over a wide variety of phases of family life, often times involving delicate issues concerning the most vulnerable members in our society. The Court handles a variety of legal matters, including, but not limited to, the probate of wills and administration of decedent's estates, the voluntary and involuntary appointment of conservators for adults who are unable to care for themselves and/or manage their own affairs, the settlement of disputes concerning life sustaining medical treatment, the appointment of guardians for individuals with intellectual disability, the commitment of individuals with psychiatric disabilities, the removal and appointment of guardians of minor children, the appointment of guardians of the estate of minor children, the issuance of special immigrant juvenile status findings for minors and young adults, termination of parental rights and adoptions, certification of foreign adoptions, paternity claims, legal name changes of adults and minors, confirmation of gender changes, the appointment of trustees (testamentary and inter vivos), fiduciary accountings, and the determination of title or rights of possession and use to any real or personal property that may be an asset of an estate, conservatorship, guardianship, or trust.

The Town of East Hartford is responsible for providing the Probate Court's office space, permanent record storage and maintenance, fire resistant vault, record books, office equipment and supplies, as well as legal publications and reference materials used by the Court in the course of its daily work.

The court is handicap accessible and provides full and equal access to the court's services. Upon request, the Court will make arrangements to provide necessary services within the Court's disposal to accommodate individuals with disabilities or individuals who may be prevented from accessing the court due to language barriers, including the provision of foreign language or sign language interpreters.

Youth Services	<u>Executive</u>
Division	Department

The Town of East Hartford's Department of Youth Services was created in 1971 and has celebrated over 47 years of providing professional youth and family counseling and positive youth development to East Hartford Youth.

The Department of Youth Services efforts are directed in five critical areas:

- 1. Providing therapeutic counseling services to individual youths and their families experiencing a wide variety of problems including abuse, neglect, criminal behavior, family dysfunction and substance abuse.
- 2. Providing carefully focused program services with the goal of preventing delinquent behaviors and substance abuse by enhancing communication, problem solving and decision making skills as well as offering positive opportunities for youth to participate in their community.
- 3. Providing community coordination, collaboration and advocacy for East Hartford youth with local, regional, state and federal youth serving agencies.
- 4. Creating awareness in the community of the services and programs offered by the Town of East Hartford, Department of Youth Services.
- 5. Securing state and federal grants to increase services to East Hartford youth.

Grants/Lease Administration	<u>Executive</u>
Division	Department

The Grants Administration Office manages the annual federal Community Development Block Grant (CDBG), a changing number of state and federal grants, leases for municipal properties, serves as the contract manager for on-call architectural services and is the staff liaison to the Historic District Commission.

The Town's budget supports 90% of the wages of the Grants/Lease Administrator. Two other positions, Housing Planning Analyst and Assistant Grants Administrator are funded solely by CDBG. There is a 20% administration expenditure cap in the CDBG program (24 CFR 570.200).

In addition to CDBG, other grant-funded projects managed by the office include financial administration of the Local Capital Improvement Program, Brownfields assessment grants from the state Department of Economic and Community Development and the federal Environmental Protection Agency, grants for the design and construction of a new Senior/Community Services facility, the Neighborhood Assistance Act Tax Credit Program run by the state Department of Revenue Services, donations made through the Brewer House Trust Fund, ongoing administration of grant funds dedicated to the Raymond Library, a cleanup project at Hockanum Cemetery funded through a Neglected Cemetery grant from the state Office of Policy and Management and programs for the Department of Health and Social Services.

Administration	Finan <u>ce</u>
Division	Department

According to Town Charter, Chapter V, Section 5.5-5.6 the Director of Finance is responsible for all aspects of the financial functions of a municipal government. Organized into six operating divisions (Accounts and Controls, Tax Collection, Assessor, Risk Management, Purchasing and Information Technology), the department is managed by the Director of Finance who is appointed by the Mayor.

In addition to administering the department, the Director of Finance prepares the Mayor's Recommended Budget, manages the Town's investment portfolio and advises the Mayor on matters affecting the financial standing of the Town. The Director is the administrator of the Town's Retirement Fund and oversees management of the employee benefits and insurance programs.

In the fall of 2010, the Mayor assigned additional responsibilities to the Director of Finance with respect to the delivery of Medical and Pension benefits. Medical and Pension benefits represent the fastest rising component of the budget. With national healthcare changes having both a financial and regulatory impact on the community, the Director of Finance will help to manage that change.

Information Technology	<u>Finance</u>
Division	Department

The Information Technology Division of Finance provides support for the Town's computer applications, programs, networking, enduser training and hardware including telephones.

In the area of computer applications the division interfaces with 3rd party vendors on purchased applications and systems. The division develops applications, stand alone programs and scripts where required to support Town needs and develops data linkages between Town data stores and those created by outside vendors. The division recommends software, tests, and evaluates products for Town use.

Networking support is provided by troubleshooting problems, monitoring system performance, installing operating system patches and managing professional service contracts.

Hardware purchasing, leasing, installations, Server builds and equipment troubleshooting are also handled by the division.

Lastly, the division provides printing and collating support for the Board of Education.

Assessor	<u>Finance</u>
Division	Department

The Assessor's Office compiles the total assessed value of all Real and Personal Property within the Town of East Hartford annually. The Assessor and staff attempt to discover and list all property as mandated by the Connecticut General Statutes. The property is valued and equalized. Fair and equitable assessments are a major goal in this process.

This office also administers and processes elderly, veteran's and numerous other exemption programs which continue to grow each year.

Service to the public and other Town departments is another major function of the Assessment Division.

Revaluation of all Real Property was completed for the 2016 Grand List.

Next revaluation will be conducted for the 2021 Grand List.

Employee Benefits	<u>Finance</u>
Division	Department

This area contains funding for most of the employee benefit programs for Town employees, many of which are established by actuarial valuation, State/Federal law, usage and labor negotiation. These programs include:

- retirement program
- Social Security and Medicare insurance
- longevity programs
- workers' compensation and heart and hypertension
- medical benefits insurance (indemnity and health maintenance organization coverages)
- deferred compensation
- employee assistance program
- group life insurance
- unemployment compensation

The Town has been very successful in self-insuring its workers' compensation and health benefit programs. In addition, aggressive and innovative management of these programs has resulted in reductions in some of these budget areas and reduced increases in some program areas in the next fiscal year.

Risk Management	<u>Finance</u>
Division	Department

The Risk Manager is tasked with protecting the Town and Board of Education assets, both human and physical, by identifying, evaluating and controlling loss exposures. This is accomplished by implementing risk management tools to reduce, prevent and mitigate losses. Mitigating risk and liability results in safer employees; communities; and a reduced burden from limited financial resources available to the Town and Board of Education.

Responsibilities of the Risk Manager include:

- Risk Retention and risk transfer.
- > Purchase and administer various insurance programs for liability, self-insured workers' compensation, property, health benefits and employee assistance program.
- > Claims administration and investigation.
- Review of agreements, contracts, leases for insurance compliance.
- Facilitate safety training for employees.
- Participate in departmental Safety Committees.
- > Administer Employee Wellness Incentive Program.
- > Partner with Town and Board of Education Insurance Broker in Risk Management programs and the purchase of insurance programs.

The Department of Development and Planning provide guidance and support to the resident, business and developers to encourage investment and economic growth for the Town, and to provide management and support services to the Town Planning and Zoning Commission, Redevelopment Agency and Economic Development Commission.

The department provides analysis, education and guidance on land use matters as well as project management for public property acquisition and disposition. Through staff initiatives, it provides many resources to support new business, business expansion and development initiatives.

Guidance on permit applications, land use matters, legal land use issues and zone change recommendations is provided to Town Planning and Zoning Commission and Redevelopment Agency. The department also expands the knowledge base of the town boards and commissions through education and research to respond to new development opportunities, understanding best practices and procedures to make East Hartford a town that is welcoming to business.

The department works collaboratively with the East Hartford Chamber of Commerce, Metro Hartford Alliance, Connecticut Economic Resource Center, State Development Agencies, and Federal agencies to assure maximum public and private capital investments.

Police – Administration	Public Safety
Division	Department

The East Hartford Police Department is comprised of four Bureaus: Field Operations, Criminal Investigations, Professional Standards and Support Services.

The Police Administration area includes all of the salary accounts for all Divisions and Units. It also covers most of the non-patrol and investigative spending including items such as: training, uniforms, animal control, printing, copier supplies, radio repairs and all police equipment. All salaries, both sworn and non-sworn, are accounted for in the Administrative area to ensure that the Personnel Services Report is easy to read and understand.

The Patrol/Operations Bureau is addressed in its own respective section of the budget. Likewise, the Criminal Investigations Bureau is also addressed in its own respective section of the budget.

The Professional Standards Bureau is comprised of the Training Unit, the Firearms Unit, and the Accreditation Team among others. The main function of the PSB is to conduct internal affairs investigations of administrative or citizen complaints of misconduct/malfeasance.

The PSB is responsible for duties associated with recruitment and hiring of new EHPD employees to include, but not limited to: coordinating with the Town Human Resources Department to prepare job postings, conduct testing and oral panel interviews in order to establish a certified eligibility list. Prospective candidates are screened through a polygraph test, psychological exam, background investigation and medical exam. Additionally, the PSB will manage and coordinate new hire matters to include, but not limited to: initial uniforms, equipment, and Human Resources orientation.

PSB is responsible for duties associated with research and planning in an effort to evaluate the current and future needs of the EHPD. The research and planning process is a key activity for any long-range plan, complex idea or project and it will be accomplished with data gathering, data analysis, policy making, policy changing, implementation and monitoring.

The Training Unit assists in all sections of the EHPD developing, implementing, monitoring and documenting all training for personnel.

Additionally, the Training OIC ensures all sworn officers are in compliance with POSTC recertification requirements, maintains all training

records, coordinates personnel participation in training classes, administers the training budget and monitors training legislation and mandates.

The Firearms OIC instructs personnel in basic, advanced and specialized firearms procedures and develops, manages, schedules and documents training for firearms and use of force. Additionally, the Firearms OIC tracks and submits both a monthly and yearly report, documenting the various use of force methods utilized by EHPD personnel during the previous year.

The Accreditation Team is meant to strengthen an agency's accountability, both within the agency and the community, through a continuum of standards that clearly define authority, performance, and responsibilities. Personnel research, develop and disseminate all EHPD policies, as well as compliance with CALEA (Commission on the Accreditation of Law Enforcement Agencies) standards and any associated work with accreditation.

The Support Services Bureau is comprised of the Communications Section, the Management Information Systems (MIS) Unit, the Property/Evidence Unit, the Fleet Officer, Records, and Administrative Personnel. The Communications Section is addressed in its own respective section of the budget.

MIS has overall responsibility for several information technology systems including: town-wide technical support, public safety infrastructure and LAN systems, Internet, phone system and security, E-mail, on-line security and other Information Technology-related systems.

The Property/Evidence Unit is staffed by assigned officer(s), who are responsible for the proper receipt, cataloging, storage, retrieval, release and disposal of all property and evidence held by the EHPD.

The assigned Fleet Officer is responsible for coordinating or conducting scheduled acquisition maintenance, and replacement of EHPD motor vehicles and vehicular components.

The Records personnel are responsible for the maintenance of the EHPD's central records, the provision of police records services to the public, and application for and issuance of various permits. A Records Supervisors oversees Records personnel and daily operations. The Administrative personnel perform various essential tasks including, but not limited to: maintaining all payroll, attendance records and management of uniform allowances/accounts for EHPD personnel.

Police – Patrol/Operations Bureau	Public Safety
Division	Department

The Field Operations Bureau consists of the Patrol Division, supplemented by the following special teams: Traffic Unit, Motorcycle Unit, Animal Control Unit, K-9 Unit, TRT SWAT Team, TRT Crisis Negotiating Team, Marine Patrol, Dive Team, Bomb Squad, full-time and part-time Community Service Officers, Honor Guard and the Bicycle Unit.

The Patrol Division is the backbone of the EHPD and is committed to providing safety, service and building relationships throughout the neighborhoods in the Town of East Hartford. The officers are assigned areas known as "districts" to detect and prevent crime and enhance the quality of life. They also respond to 911 emergency calls and other calls for service.

The Traffic Unit engages in uniform traffic enforcement to gain voluntary compliance with traffic laws/regulations and promote safe driving, thus reducing motor vehicle accidents and facilitating safe and expeditious flow of traffic.

The Motorcycle Unit is a part-time unit comprised of officers utilizing motorcycles for traffic enforcement, traffic direction, crash reduction and community relations purposes.

The Animal Control Unit is responsible for enforcement of statutes and ordinances pertaining to animals, including responding to animal-related complaints and investigations of cases involving stray, lost, stolen, injured, mistreated or vicious animals.

The K-9 Unit consists of highly trained teams (handler and dog) to assist in all relevant aspects of police work. EHPD K-9 Teams are dispatched to a variety of criminal and non-criminal incidents, including: tracking and/or locating missing persons, escaped prisoners or criminal suspects in open or enclosed areas, building searches, among many others.

The TRT SWAT Team consists of members who have been recruited, selected, trained, equipped and assigned to resolve critical incidents involving a threat to public safety, which would otherwise exceed the capabilities of traditional law enforcement first responders and/or investigative units. When a standard patrol response and tactics cannot resolve a situation, the TRT Unit is called upon.

The TRT Crisis Negotiating Team used to communicate with people who are threatening violence, including barricaded subjects and hostage takers.

The Marine Patrol is a part-time unit comprised of officers, who assist in the investigation of all boating accidents and drownings as needed, provides enforcement of boating laws and safe use of the Town's public waters.

The Dive Team is a part of the Capital Region Emergency Services Team (CREST), a multi-agency Regional Tactical Team staffed by specially trained capital region officers. Dive Team officers assist with search and rescue missions and provide safe use of public waters as needed.

The Capital Region Bomb Squad is a multi-agency regional team trained to handle cases involving suspected explosives and/or hazardous materials.

The Community Service Officers develop, organize and present public outreach activities and programs related to crime prevention and emergency preparedness, in addition to serving as a liaison between the community and EHPD.

The Honor Guard is a part-time unit comprised of officers that is utilized to officially represent the EHPD at parades, funeral, ceremonies, and other occasions where a formal uniformed presentation of flags, or flags and long guns, is desired or requested.

The Bicycle Unit is a part-time unit comprised of officers that will be utilized at the discretion of the Chief of Police or designee to patrol highly congested areas, parks, special event areas and/or terrain not accessible to police vehicles. The Bicycle Unit augments Patrol Units assigned to a district for special events, special operations or any other purpose.

Police – Criminal Investigations Bureau	Public Safety
Division	Department

The Criminal Investigations Bureau assists patrol officers with the investigation of cases that require specialized training or an extended period of time to complete. The CIB also initiates investigations that fall outside the normal complaint procedure such as compliance with Sexual Offender Registry laws, firearms violations and vice, intelligence and narcotics investigations.

The CIB is grouped into divisions, which enables personnel to receive specific training in their areas of investigation and to partner with similar units in the region to address recurring crime patterns of a like nature. All members of the CIB are prepared to shift quickly between Divisions depending on patterns of crime and major crime events. The CIB has restructured its operational activities to include gathering, analysis and dissemination of data.

The divisions within the CIB include: the General Investigations Division, the Vice, Intelligence and Narcotics (VIN) Division, Special Investigations Division and School Resource Officers, the Evidentiary Services Unit, the Crash Investigations Unit and the Court Officer.

The General Investigations Division is EHPD's primary investigative component. General Investigations manages investigations of all major crimes, crime scene processing, evidence collection and preservation, in addition to background investigations for potential EHPD employees.

The Vice, Intelligence and Narcotics Division conducts investigations and intelligence gathering related to major criminal organized drug operations. The VIN Unit will also conduct investigations involving the following types of crimes: prostitution, narcotics, gambling and liquor law violations.

The Special Investigations Division is comprised of Detectives that investigate special, unusual or complex cases that would be beyond the capabilities or time available to Patrol personnel. Cases that Special investigations manage include, but are not limited to: sexual investigations, missing persons, cases involving elderly citizens and juvenile investigations.

The School Resource Officers (SROs) are a component of the Special Investigations Unit within the Criminal Investigations Bureau. SROs are assigned to the Town's schools in lieu of other agency assignments. The number and specific assignment of SROs is determined by the Chief of Police or designee in coordination with the Board of Education.

The Evidentiary Services Unit is a component within the CIB tasked with responding to incidents requiring advanced techniques in the collection, preservation, processing and analysis of crime scene data, crime scene photography, and evidence. The ESU is called to respond to incidents such as, but not limited to: homicides, deaths suspicious in nature, shootings, fire/arson resulting in a fatality, in addition to sexual assaults, robberies and/or any crime resulting in the serious injury or death of the victim(s).

The Crash Investigations Unit is comprised of volunteer officers, trained to investigate and reconstruct fatal and serious motor vehicle crashes.

The Court Officer has the primary responsibility for prisoner transportation to Court, liaison with Court personnel, transmittal of forms, records and warrants between the EHPD and Court, in addition to warrant file maintenance. The Court Officer also provides assistance in the service of subpoenas and arrest warrants.

The CIB serves as the liaison to the States Attorney's Office, the Chief Medical Examiner, the State Police Forensic Laboratory, the Federal Bureau of Investigation, the Alcohol, Tobacco and Firearms Agency and the Drug Enforcement Agency.

<u>Fire - Administration</u>

Division

Public Safety

Department

This Department/Division provides the following services and functions and has the following statutory responsibilities:

The East Hartford Fire Department is committed to the prevention of fires and protection of lives, property and the environment. The Department's major areas of emergency response include fire suppression, emergency medical services, technical rescue, and hazardous materials incidents.

The staff includes a Chief, two Assistant Chiefs; 116 fire suppression personnel, (34 of which are Paramedics), Planning, Logistics and Support Personnel, an Administrative Assistant, a full time clerk, and a Secretary within the Fire Marshal's Office.

Divisions supporting the delivery of services include the Fire Marshal Office, the Medical Division, the Training Division, the Apparatus Maintenance Division, the Fire Alarm Division, and Emergency Management.

The Department maintains five fire stations, which are strategically located throughout town. This dispersion facilitates a timely response to fire and medical emergencies. These stations house five pumping engines, one 95' aerial tower/ladder, one 100' aerial ladder, one rescue truck, and a command vehicle. The department also has a boat that enables the department to handle marine emergencies. The Department also maintains two pumping engines as reserve equipment. This reserve equipment is used when first line equipment is being repaired and maintained. It is also available for response to larger incidents, mutual aid responses, and stadium events.

This budget proposes the minimal level of staffing and service necessary to ensure the continued safe and timely response to emergencies for the citizens of East Hartford. This budget also balances the need to maintain the planned and scheduled replacement of fire apparatus necessary to ensure fleet reliability, the department's continued ability to respond to emergencies, and the community's desire for fiscal responsibility.

<u>Fire Suppression/Operations</u>

Division

Public Safety
Department

The Operations Division of the Fire Department provides customer-centered emergency response services ranging from fire suppression to public service. The Fire Department's ability to respond in a prompt manner, with and adequate and well-trained staff using the correct apparatus and equipment, is what allows it to control fires and other emergencies in a safe and effective manner.

The East Hartford Fire Department Operations Division is organizes around a system of five strategically located fire stations that provide the capability to respond swiftly with personnel and equipment to control and extinguish fires. Since 1977, the Operations Division has also responded with skilled paramedics to calls for emergency medical care.

Additional capabilities of the Operation Division include water rescue, confined space rescue, hazardous material response, and motor vehicle extrication. This Division also conducts pre-fire surveys of complex structures, provides public fire education programs, and completes company reviews of department standard operating procedures and training directives. The research and development of new methods, tactics, and systems to provide better service is also a focus of the Division.

Fire Marshal	Public Safety
Division	Department

The Fire Marshal Division is responsible for preventing and reducing the loss of property and life from the devastation of fire. We recognize the need to inspect properties, enforce the fire safety code and to educate the public in order to meet our objectives.

The Town of East Hartford has approximately four thousand (4000) properties that are classified under the provisions of Connecticut General Statute 2-305. Additional duties imposed by Connecticut General Statues include, but are not limited to, the following:

- . Fire cause and origin investigation.
- . Issuing permits and inspection for compliance of State Explosive Regulations.
- . Inspection of flammable and combustible liquid storage tank installation.
- . Site inspections for firework and special effects displays.
- . Inspection and enforcement regarding the sale of sparklers.
- . Inspection of tents and portable structures.
- . Conduct plan reviews for proposed new construction and renovations.
- . Attendance of classes and seminars to keep abreast of codes, regulations and new technology.
- . Provide safety education to the general public.
- . Investigate complaints regarding smoke detection, overcrowding and other safety concerns.
- . Maintain an effective Juvenile Fire Setters prevention program

Fire Apparatus Maintenance	Public Safety
Division	Department

The Master Mechanic and an Assistant are responsible for the maintenance of nine primary Fire Department response apparatus, two spare fire apparatus, 29 light fleet vehicles and trailers, and significant array of equipment including fire hose, self-contained breathing apparatus (SCBA) firefighting tools.

The complexity of department apparatus has grown exponentially over the past several years. The fire service has embraced new technologies to provide more effective and efficient use of personnel and equipment. Because of this increased sophistication, the knowledge base of the Fire Apparatus Repair Division has expanded well beyond simple heavy truck mechanics. As we strive to maximize our fleet resources and longevity, the abilities of the Repair Division become more critical. The completion of the new apparatus repair facility on Brewer Street enables the department to further lessen its reliance on outside vendors, thus adding efficiency and cost savings to the repair and maintenance program.

Maintenance of mission-critical firefighting tools and equipment that ensure the safety of the firefighters is also coordinated through this division. They also facilitate the annual testing of all pump and aerial apparatus, self-contained breathing apparatus, fire extinguishers, hose, and ladders.

<u>Fire Alarm Maintenance</u> <u>Public Safety</u>
Division Department

The scope of work for Fire Alarm Division includes the receipt of alarms from the public (the Municipal Fire Alarms system and E911), processing of the alarms (the fire department responsibilities within Central Dispatch) and prompt notification of the alarm to the emergency responder(s) (the Fire Department Communications Systems).

The Municipal Fire Alarm System selectively signals Central Dispatch of hazardous conditions at convalescent hospitals, residential high rises, schools, municipal buildings and commercial occupancies. This system has been expanded to monitor security at certain Town owned and Board of Education buildings. The system also identifies a specific location within the facility where the response is needed, thus hastening the arrival of the responding units. Because the system is self-testing, problems are identified and corrected promptly.

Alarm processing occurs at Public Safety Dispatch utilizing fire department's standard operating procedures. Working with the Dispatch supervisor and under the direction of an Assistant Fire Chief, this division oversees the fire department aspects of Central Dispatch. Expansion of service is anticipated by the direct link of the radio alarm box system to the public safety computer system. Long-range goals include responder notification and status monitoring via radio to computer system link. Both of these items will be enabled by planned upgrade to the Computer Aided Dispatch System and the radio consoles contained within Public Safety Dispatch No fire department operation can be efficiently managed without continued growth and improvement of its communication system. The Alarm Division is responsible for the maintenance, testing and repair of the base stations, repeaters, mobiles, portables and antennas which make up our radio systems. In addition to internal systems, the division manages our participation in Intercity and mutual aid radio networks.

Additional duties provided by this division include maintenance of department electrical equipment and emergency generators, emergency electrical repairs to department facilities and calibration of combustible and flammable gas meters. The Alarm Division is also responsible for the diagnosis and re-lamping of town owned traffic control signals. Technical assistance is provided to other town departments. The Division has provided technical guidance on Board of Education radio communication projects and will provide repair and maintenance of Public Works radio equipment.

Fire Emergency Medical Service Public Safety
Division Department

The Fire Department responds to all life threatening and non-life threatening medical emergencies with the nearest Engine Company, Ladder Company, or Rescue Company. Advanced Life Support Care (ALS) is provided utilizing five Paramedic Engine Companies that respond from the Town's five fire stations. Through this effort, the Fire Department continues to provide Town residents and visitors with the highest level of Emergency Medical Services available.

We endeavor to save lives and minimize effects of injuries by ensuring a rapid response and efficient and effective effort by the Department's Emergency Medical Technicians and Paramedics.

To insure that the highest level care is provided to those in need, the Emergency Medical Services system must be constantly monitored and evaluated. The Emergency Medical Division is lead and managed by the department's Chief Medical Officer and an Assistant Medical Officer. Together they are responsible for the extensive ongoing medical quality assurance process, medical education for all personnel, and the research and purchase of all medical equipment and supplies.

The Division is responsible to maintain the Town's Public Access Defibrillation (PAD) program. This program has lead East Hartford to achieve the designation as a HEART safe Community.

The Division implemented and monitors, daily, the department's electronic patient's care reporting system. Statiscal data is created and monitored to drive decision making that will enhance service to the community and patient outcomes.

The Medical Division is responsible for administration and maintenance of EMD protocol. Part of that responsibility to ensure the EMD system meets its statutory mandate through administration of the quality assurance program and outgoing continuing education

The Medical Division administers the revenue recovery program that is conducted on the Town's behalf. It is also responsible for the creation and administration of the Emergency Medical Dispatch protocol. It also monitors, daily the department's electronic patient care reporting system.

Fire Emergency Management	Public Safety
Division	Department

The Office of Emergency Management (OEM) develops and maintains emergency management plans and operations plans as required by Title 28 of the Connecticut General Statutes. These plans enable the Town to respond quickly and effectively to an incident through training, drills, preplanning and exercises. The Town of East Hartford Charter designates the Mayor as the Emergency Management Director for the community. The Emergency Management Coordinator conducts the day-to-day activities of the office. The office also oversees and maintains the town's Everbridge reverse notification system.

The Office Emergency Management coordinates resources and agencies during natural and manmade disasters and emergencies. This includes the management of the Emergency Operations Center (EOC), relocation of victims, and management the town's shelters. The Office of Emergency Management is also responsible for Coordinating emergency management, fire service and homeland security grants as well as conducting Hazard Vulnerability (HVA) of the town. The Office of Emergency Management is responsible for the coordination, development and supervision of the Community Emergency Response Team (CERT). The Office of Emergency Management is also responsible for maintaining the Host Town Plan and coordinating training, exercises, and equipment maintenance with the state's Radiological Emergency Preparedness and Millstone Nuclear Power Station personnel.

The Office of Emergency Management also coordinates activities required under the federal law called SARA Title III, (Emergency Planning Community Right-to-Know). This law requires that all communities develop emergency response plans for chemical accidents and that certain facilities submit Tier II Reports to the Local Emergency Planning Committee and the Fire Department. Training requirements for those dealing with hazardous materials and emergency response are required through OSHA (CFR-1910.120)

The Office of Emergency Management is also directly responsible for coordinating resources, training, grants, laws, mandates, and emergency operations between local, state, and federal and private sector emergency management and homeland security agencies or organizations. The Office of Emergency Management is the Town's representative on the Capital Region Emergency Planning Council (CREPC) and is the point of contact between Regional Emergency Management Officials, the State Division of Emergency Management and Homeland Security (DEMHS), the Federal Emergency Management Agency (FEMA) and Federal Department of Homeland Security (DHS). The Office of Emergency Management is further responsible to ensure that the Town is compliant with all National Incident Management training mandates.

The Office of Emergency Management is also involved with several regional and state projects and planning efforts that directly benefit the Town and also assists and advises other local department with various public safety and emergency management related topics.

Fire Training	Public Safety
Division	Department

This division is responsible for developing and delivering all training to the fire suppression staff. This training is conducted to maintain and increase operational skills in the following areas: fire suppression, technical rescue, hazardous materials, apparatus operation, incident command, and officer preparation.

This division is also tasked with ensuring all personnel achieve and maintain their professional qualifications according to the Occupational Safety and Health Association (OSHA) as well as national consensus standards promulgated by the National Fire Protection Association (NFPA). This division is staffed with one member, the Chief Training Officer. In addition to his other duties, the Chief Training Officer is responsible for liaison with the Connecticut Fire Academy. The Chief Training Officer is also responsible for coordination of training and orientation for new members and acts as their primary point of contact during their training. This division maintains the departments training records and is responsible to coordinate individual company training and drills.

Public Safety - Communications	Public Safety
Division	Department

Public Safety Communications, through the Town Public Safety Answering Point (PSAP), provides effective communications services to the Fire Department (including emergency medical services) and Police Department, while answering calls for service from the Town of East Hartford. On average, it handles about 35,000 calls for Police Service, 1,600 calls for Fire Service and 9,000 calls for medical service. This Section is staffed by civilian Telecommunicators.

The continuing goals of the Public Safety Communications Department are: (1) to provide a high level of professional public safety dispatching services, (2) to continue to comply with federal, state, and local laws pertaining to PSAP functions, and (3) to obtain maximum performance and efficiency from both human and material resources.

Public Safety dispatchers are trained in Pro-QA Medical Priority Dispatch System (MPDS), which assists dispatchers in obtaining vital information about patient status and scene conditions to allocate the appropriate resources. The use of this system allows dispatchers to immediately assist patients by guiding them through treatment sequence protocols covering cardiac arrest, choking, and childbirth prior to first responder arrival.

Administration	Inspections and Permits
Division	Department

The Department of Inspections and Permits is responsible for the administration and enforcement of State laws and regulations, and local ordinances and regulations affecting land use, building construction and maintenance. The Director of Inspections and Permits is both the Town's building official and zoning enforcement official. The Director is supported by administrative staff and professional inspectors to protect and enhance the safety and value of the properties and buildings where our community work and live.

The Department of Inspections and Permits has three major functions: 1) administration of the Connecticut State Building Code including permits, inspections and correction of violations, 2) administration of the Town of East Hartford Zoning Regulations, and 3) enforcement of the Town of East Hartford Property Maintenance Code and related ordinances. The Department also functions as the administrative secretariat for the Zoning Board of Appeals, Building Code Board of Appeals and the Property Maintenance Board of Appeals.

Maintenance	Public Works
Division	Department

The Parks Maintenance Division is responsible for the ongoing year-round maintenance of over 650 acres of Town land. Their responsibilities include maintaining 5 outdoor pools and pool houses, restroom buildings, picnic pavilions, playgrounds, tennis and basketball courts, rental buildings (VMC, Brewer House), over 30 ballfields, nature trails, and Hockanum Linear Park. Other responsibilities include trash removal from the town parks and public areas and landscaping, tree & flower planting of greens, squares, public areas, Town Green and the outside of the Community Cultural Center. During the winter months the division clears snow and ice from all town owned sidewalks, bridges and steps, the Public Safety Complex, all Libraries, Youth Services, Larson Center Parking Lot, and all firehouses.

Administration	Parks, Recreation, and Senior Services
Division	Department

The two divisions of the Parks and Recreation Department perform administrative, technical, and maintenance services in providing to the community of wide variety of leisure activities for all ages, from pre-school to senior citizens, and for those of all ages with special needs. Our primary goal is to meet as many needs and interests as is possible, directly affecting the quality of life of the residents. With increased participation in programs and usage of facilities, the department continues to strive towards maximum utilization of town facilities in a cost-effective manner; preserving open space; and maintaining a high quality of life standard.

The Administrative/Recreation division's professional and part-time staff is responsible for planning, organizing, directing, supervising, publicizing, and evaluating a wide variety of leisure programs and activities, which include instructional programs of all types, organized sports leagues, health & fitness activities, bus trips, aquatics programs, special needs programs, etc.

This division handles bookings for the Community Cultural Center, Veterans Memorial clubhouse and the Brewer House.

Division	Department

The Town of East Hartford recognizes the value if its seniors and the importance of the Senior Center to the community. Seniors come together for a wide range of programs and activities in the areas of education, wellness, recreational, socialization, cultural and informational services. The goal is to help seniors maintain their independence while enjoying new friendships that enrich their lives. We welcome all members of this diverse and growing older adult population (age 55 and over), their families and friends. The following is a list of programs and services available through Senior Services:

- Health & Wellness
- Psychosocial Support
- Advocacy
- Programs for Independence
- Information & Referral Services
- Emergency Care
- Life Enrichment & Recreation

Administration	Health and Social Services
Division	Department

The Administration Division is responsible for articulating and implementing the mission, goals and objectives for the department. The Director exercises statutory oversight and enforcement for the Town's compliance with multiple sections of States statutes and the CT Public Health Code: Sections 19, 19a, 19-13, 19-13B33-B109; and applicable East Hartford Municipal Codes.

The Department of Health and Social Services is organized into five divisions:

- Administration
- Community Health & Nursing
- Environmental Control
- Social Services

The Director's principal functions are:

- Administer the five divisions of this department.
- Enforce the Public Health Code and municipal ordinances.
- Prepare and lead a workforce capable of responding to disease outbreaks, epidemics, bio-terrorist attacks, emergency preparedness activities, and other threats to public health.
- Conduct needs assessments and aid residents in undertaking and responding to community health and social needs.
- Design and implement programs to improve community health status.

TOWN OF EAST HARTFORD, CONNECTICUT

BOARDS & COMMISSIONS

ADOPTED BUDGET
FOR THE FISCAL YEAR JULY 1, 2020-JUNE 30, 2021

Beautification Commission	Boards & Commissions
Division	Department

The Beautification Commission provides plantings for areas of Town during the spring and fall. It also provides plantings for the flower barrels on Main Street and Burnside Avenue.

The Commission sponsors Holiday Fest, a town wide festival, the first weekend of December which includes a tree lighting and decorating of Town Hall and along Main Street and Town Green. The Commission donates a tree to a school on Arbor Day. The Commission serves as a Tree Board to comply with the designation of "Tree City USA" awarded to the Town in 1997 and every year since by the National Arbor Day Foundation. The Commission also maintains the service signs and median landscaping throughout Town. Along with clean-ups and education, the Commission tries to encourage citizens to take a more active role in their community by awarding Beautification Awards for outstanding landscaping to homes and business.

Historic District Commission	Boards & Commissions
Division	Department

The East Hartford Historic District Commission was established by Ordinance Article 18 in 1986 to promote and preserve our historic built environment. The Commission is organized under C.G.S. 7-147a-u and is designated as a "Certified Local Government" by the Connecticut Historical Commission and the National Park Service for having local expertise in dealing with matters concerning historic preservation. Certified Local Government status allows the Commission to examine all issues affecting historic preservation even if these are outside a locally designated district.

Staff services are provided through the Grants/Lease Administrator who is also the initial point of contact for the Municipal Historian. Historic data, design guidelines, and technical assistance relating to building preservation are available to any East Hartford resident through that office.

East Hartford has one local Historic District (Naubuc Avenue) and four National Register Districts (Naubuc Avenue/Broad Street, Garvan/Carroll, Central Avenue/Center Cemetery, and a portion of the Downtown).

Division	Department

The Inland/Wetlands Commission is created by statute and charged with regulating land use within established Wetlands and wetland buffer zone areas within the Town of East Hartford. The budget items listed are for those functions either required by statute (e.g., advertising) or deemed necessary for the orderly operation of the commission. By far, the budget item that generates the greatest cost is the one over which we have virtually no control -- Advertising. Proceedings are a matter of public record and must be published in local newspapers.

TOWN OF EAST HARTFORD, CONNECTICUT

FIVE YEAR CAPITAL IMPROVEMENT PLAN & NARRATIVES

ADOPTED BUDGET
FOR THE FISCAL YEAR JULY 1, 2020-JUNE 30, 2021

THE CAPITAL BUDGET PROCESS

The Town's five year capital improvement program is prepared annually for submission by the Mayor to the Town Council for approval. Pursuant to the Town Charter, Chapter VI, Section 6.3 (c), "the Mayor shall recommend to the Council those capital projects to be undertaken during the ensuing fiscal year and the method financing the same. Those financed from certified unappropriated surplus and current revenue shall be unlimited in amount."

Proposed capital projects which the Town wishes to finance through the issuance of general obligation debt (bonds or notes) must be approved not only by the Town Council but also by a voter referendum.

Capital projects included in the current fiscal year of the plan are those, which will be presented for referendum, and those, which will be funded from operating revenues, capital reserve funds or special revenue (grant) funds. Projects shown in years two through five are proposed projects in various stages of planning or multi-year projects for which funds are anticipated to be available from various funding sources in those future years. Such projects may include estimated bonding requirements subject to the approval process detailed above. All project totals are estimates and subject to refinement as a result of development of final designs and specifications and competitive bidding or requests for proposals.

TOWN OF EAST HARTFORD CAPITAL IMPROVEMENT PROGRAM DEBT LIMITATION

Municipalities shall not incur indebtedness through the issuance of bonds, which will cause aggregate indebtedness by class to exceed the following:

General Purposes 2.25 times annual receipts from taxation; School Purposes 4.50 times annual receipts from taxation; Sewer Purposes 3.75 times annual receipts from taxation; Urban Renewal Purposes 3.25 times annual receipts from taxation.

In no case, however, shall total indebtedness exceed seven times the base.

"Annual receipts from taxation", (the base), are defined as total tax collections (including interest and penalties) and state payments for revenue loss under Connecticut General Statutes Sections 12-129d and 7-528.

The statutes also provide for exclusion from the debt limit calculation debt issued in anticipation of taxes; for the supply of water, gas and electricity; for the construction of subways for cables, wires and pipes; for the construction of underground conduits for cables, wires and pipes; and for two or more of such purposes. There are additional exclusions for indebtedness in anticipation of the receipt of proceeds from assessments levied upon property benefited by any public improvement and for indebtedness issued in anticipation of the receipt of proceeds from State or Federal grants evidenced by a written commitment or contract but only to the extent that such indebtedness can be paid from such proceeds.

DEPARTMENT: TOWN HALL

Ref. # 2021-101 | Project Description: Town Furniture Replacement

We are recommending this request in the amount of \$25,000 in Capital Lease funding to provide a funding source for selected furniture replacement and office upgrades (paint, carpeting, and leasehold type improvements could be included as needed) within Town Hall and other satellite locations.

Over time, the furniture and equipment in Town Hall and satellite offices has deteriorated in condition and periodically some pieces require replacement or the office needs refreshment. This request simply attempts to continue to fund a regular equipment, furniture, or office upgrade rotation.

DEPARTMENT: PUBLIC WORKS

Ref. # 2021-201 | Project Description: Road Improvement Program

We are recommending this request in the amount of \$15,000,000 in bond funding as part of a November referendum to fund the next phase of the Town's Road Improvement Program.

This request simply attempts to provide a steady stream of funding to continue regular maintenance of the Town's roadway system.

Ref. # 2021-202 | Project Description: Town Building Improvements

We are recommending this request in the amount of \$10,000,000 in bond funding to fund improvements needed to Town buildings. The amount to be recommended as part of a November referendum will be further defined as the budget process advances. Buildings currently under review for improvements include Town Hall, Veterans Memorial Clubhouse, North End Senior Center, Hockanum Library, Community Cultural Center and Historic buildings at Martin Park.

This request will provide for funding for large scale building improvements.

Ref. # 2021-203 Project Description: Vehicle Replacements – Police Department

We are recommending this request in the amount of \$400,000 in Capital Lease funding to provide a funding source for the purchase of up to 8 Police cruisers. Historically, the Town has purchased between five and ten cars annually with the new vehicles introduced into the Patrol Division. Periodically, Command Staff vehicles will be purchased with this funding.

The per vehicle cost is estimated at \$40,000 and includes the installation of equipment, the associated costs for fleet deployment, and the required vehicle transition costs.

This request simply attempts to continue a regular equipment rotation into Town service.

Ref.#	2021-204
and 20	21-205

Project Description: Vehicle Replacements – Public Works Sanitation Division

We are recommending these two requests in the amount of \$337,000 each in Capital Lease and VW Grant funding to provide a funding source for the purchase of two CNG power driven refuse trucks. These will replace current vehicles.

This grant from the State of Connecticut is funded by Volkswagen Settlement Funds to Support Clean Air Projects and would offset 60% of the purchase cost of lower emission replacement equipment.

Accordingly, each \$337,000 of the purchase cost will be offset by a \$202,200 State Grant already awarded to the Town. The purchases must be made by April 30, 2021.

Ref. # 2021-206

Project Description: Vehicle Replacements – Public Works Highway Division

We are recommending this request in the amount of \$210,000 in Capital Lease funding to provide a funding source for the purchase of one new replacement heavy dump truck. This will replace a vehicle which was taken off the road in the current year.

Ref. # 2021-207 and 2021-208

Project Description: Vehicle Replacements – Public Works Sanitation Division

We are recommending these two requests in the amounts of \$198,000 and \$191,000 in Capital Lease and VW Grant funding to provide a funding source for the purchase of one bulky waste loader and one roll off hoist. These will replace current vehicles.

This grant from the State of Connecticut is funded by Volkswagen Settlement Funds to Support Clean Air Projects and would offset 60% of the purchase cost of lower emission replacement equipment.

Accordingly, \$198,000 of the purchase cost will be offset by a \$118,800 State Grant already awarded to the Town, and \$191,000 of the purchase cost will be offset by a \$76,400 State Grant already awarded to the Town. The purchases must be made by April 30, 2021.

Ref. # 2021-209 | Project Description: Vehicle Replacements – General Government

We are recommending this request in the amount of \$90,000 in Capital Lease funding to provide a funding source for the purchase of three compact/electric cars to be used by Town Hall staff as they carry out their daily work functions.

Ref. # 2021-210 | Project Description: Vehicle Replacements – Public Works Other Divisions

We are recommending this request in the amount of \$55,000 in Capital Lease funding to provide a funding source for the purchase of a Fleet Division van. This will replace a 1994 vehicle which has been taken out of service.

Ref. # 2021-211 | Project Description: Vehicle Replacements – Public Works Other Divisions

We are recommending this request in the amount of \$55,000 in Capital Lease funding to provide a funding source for the purchase of a Building Maintenance Division van. This will replace a 2001 vehicle which has been taken out of service.

Ref. # 2021-212 | Project Description: Vehicle Replacements – Public Works Other Divisions

We are recommending this request in the amount of \$30,000 in Capital Lease funding to provide a funding source for the purchase of a vehicle for the Director of Public Works.

Ref. # 2021-213 | Project Description: Vehicle Replacements – Public Works Other Divisions

We are recommending this request in the amount of \$27,000 in Capital Lease funding to provide a funding source for the purchase of an Engineering Division survey van. This will replace a 1998 vehicle which has been taken out of service.

Ref. # 2021-214 | Project Description: Facility Sign Installations – Various Town Facilities

We are recommending this request in the amount of \$200,000 in LOCIP funding to provide a funding source for the installation of 128 new signs to be installed at Town facilities, buildings, parks and cemeteries. The design phase of this project has already been completed by prior LOCIP funding.

Ref. # 2021-215 | Project Description: Terry Pool Filter System Replacement

We are recommending this request in the amount of \$135,000 in Capital Lease funding to provide a funding source for the replacement of the pool filter system at Terry Pool. The current filters are the original 1970s filters. The replacement system will improve efficiency and sanitation using a high rate, sand filtration system.

Ref. # 2021-216 | Project Description: Hockanum River Linear Walkway Repairs

We are recommending this request in the amount of \$100,000 in LOCIP funding to provide a funding source for repair of the Hockanum River Linear Walkway. The section of the walkway between Town Hall and the parking lot on Elm Street includes elevated wood boardwalks which have been damaged by seasonal flooding. This has resulted in the area being closed to protect public safety. Requested funds will be used to repair the decking, make the surface slip resistant, and anchor the boardwalks to prevent future damage from flooding.

Ref. # 2021-217 | Project Description: PSC Vehicle Storage Building

We are recommending this request in the amount of \$89,404 in LOCIP funding to complete the funding source for the construction of a large Butler type of building to house impounded vehicles and other town equipment like the Evidence Van. (CIP 2020-204) The ability of the Town to store equipment inside will extend their useful lives considerably.

The approximate location of this structure at the PSC will be in the northeast portion of the rear parking lot where the outdoor impound lot currently is located. Design is currently underway.

Ref. # 2021-218 | Project Description: Aboveground Fuel Storage Tank – Public Safety Complex

We are recommending this request in the amount of \$60,000 in LOCIP funding to provide a funding source for the purchase of an aboveground fuel storage tank to replace the underground fuel oil tank which was removed in 2019 at the end of its DEEP mandated 30 year service life. The Public Safety Complex is heated by a dual-fuel system using gas and heating oil. This request will improve the versatility of the facility.

DEPARTMENT: FIRE

Ref. # 2021-401 | Project Description: Fire Alarm Division Bucket Truck

We are recommending this request in the amount of \$123,000 in Capital Lease funding to provide a funding source for the purchase of a Fire Alarm Division Bucket Truck. This will replace the current vehicle purchased in 2001 with over 125,000 miles. The boom mounting, overall frame and support structure have significant corrosion.

The vehicle is used to service traffic signals and the municipal fire alarm system.

Ref. # 2021-402 | Project Description: Apparatus Division Repair Truck

We are recommending this request in the amount of \$103,000 in Capital Lease funding to provide a funding source for the purchase of an Apparatus Division Repair Truck. This will replace the current vehicle purchased in 1998 with over 176,000 miles. The vehicle was also damaged by fire in 2019.

This vehicle is used daily to provide mobile repair services on scene and in the fire stations. It will include a mobile fuel tank, compartments to carry replacement parts and tools, and a lift gate for moving heavy items such as tires.

Ref. # 2021-403 Project Description: Cardiac Monitors and Public Access AEDs

We are recommending this request in the amount of \$42,000 in Capital Lease funding to provide a funding source for the purchase of Fire Department cardiac monitors and the replacement of existing public access AEDs. It will also include the installation of new AEDs in the community.

DEPARTMENT: POLICE

Ref. # 2021-501 | Project Description: Police Body Cameras

We are recommending this request in the amount of \$198,000 in Capital Lease funding to provide a funding source for the purchase of a Police Body Cameras.

This requested amount would be used to purchase 75 Axon Body Cameras for patrol officers. This purchase is broken down over a five year period. This purchase will also include 75 Tasers for patrol.

EHPD is committed to the belief that on-officer audio/video is an important and valuable tool for law enforcement. On-officer video is essentially audio documentation of a police officer's investigative and enforcement activities from the perspective of the officer's person. The use of on-officer video is expected to result in greater transparency, more effective prosecution, and improved protection against false allegations of excessive use of force, misconduct or racial profiling.

Ref. # 2021-502 | Project Description: SWAT Armor and Helmets

We are recommending this request in the amount of \$50,000 in Capital Lease funding to provide a funding source for the purchase of a SWAT armor and helmets.

This requested amount would be used to purchase 17 [seventeen] ARIMIS Ballistic Vest w/AXIIIA Ballistics, HALO Buckle System, Trap Protection, Flashbang & Radio Pouches. 17 [seventeen] 3M Ultra-Light Weight (ULW) Ballistic Helmets and 34 [thirty four] Battle Steel Level III+ Ballistic Plates with M855 5.56mm AP Protection. The new ballistic protection will replace the Tactical Response Teams outdated and expired ballistic Vest, Plates and Helmets. Per ballistic protection cost (estimated at \$2,941) per operator which includes shipping. The new ballistic armor has a 10 year warranty.

The expired ballistic vest, plates and helmets would be removed from service but would remain in the Tactical Response Team's inventory and utilized during future departmental training.

Ref. # 2021-503 | Project Description: Real Time Crime Center

We are recommending this request in the amount of \$570,000 in Capital Lease funding to provide a funding source for the purchase of a real time crime center.

The East Hartford Real Time Crime Center (EHRTCC) project encompasses the implementation and monitoring, reporting and intelligence technology for the East Hartford Police Department. Like many communities, the Town of East Hartford has suffered from the impact of criminal acts such as organized theft, residential and commercial burglaries, robberies, shootings, serious assaults, and homicides. Those acts that have gone unsolved convey the highest impact to our community. The EHRTCC proposes the utilization of a variety of advanced technology systems, which include video surveillance cameras, License Plate Reader technology and video enhancement software, to capture and analyze information to provide a comprehensive and accurate picture of what is occurring. When combined, these systems can be used for everything from crime deterrence and prevention to providing valuable evidence needed to solve crime. Most importantly, the technology can act as a force multiplier during a time when hiring additional officers is not financially feasible.

As the quality and availability of video technology increases, it continues to prove its worth as an asset to Law Enforcement. The use of video surveillance is the wave of the future as it has helped to drive down crime rates and increase the success rate in solving crime. Police departments often struggle to solve major cases due to the lack of evidence or witnesses. With the increase of violent acts across the nation and here at home we need every tool available to deter, detect and solve crime. This project will help to bring the East Hartford Police Department on par with today's technology based policing push, increase the safety of our officers and most importantly improve the quality of life for the citizens of East Hartford.
