East Hartford Eats Contest Supports Local Restaurants

East Hartford, CT - The Town of East Hartford is excited to announce a contest aimed at supporting local businesses during the coronavirus pandemic. Although restaurants are currently closed to eat-in dining, many are open for takeout, curbside pickup, delivery, or gift card purchases. They are depending on continued business and support from patrons in order to remain open far into the future.

To encourage area residents to patronize these businesses, the Town of East Hartford is holding a contest with prizes of gift cards to local East Hartford restaurants, in the amount of $50 each, to **fifteen** lucky winners. Thanks to a generous donation, the number of winners has increased from five to fifteen, and the contest has been extended by one week. To participate, individuals should submit a photo, scan or a screen capture of a receipt from **_any_** East Hartford restaurant dated **April 10, 2020** or later, along with the participant's name and e-mail address. The receipt either must be from a restaurant exclusively located in East Hartford or clearly show an East Hartford address. Participants may enter up to four times per person, with a different receipt required for each entry. Each person is only eligible to win a maximum of **_one_** prize. Employees of the Town of East Hartford, and members of their immediate household, **_are not_** eligible for prizes.

The deadline to enter into the drawing is May 15, 2020 at 11:59 PM.
