### East Hartford Library Maker Fair

East Hartford, CT— The East Hartford Public Library invites you to celebrate creativity and innovation at an all-ages Maker Fair on Saturday, March 21, 1:00 – 4:00

Join us for an afternoon of Maker activities and demonstrations, such as craft projects, a metal-stamping jewelry station, LEGO™ robotics, a scavenger hunt, and more.

Additionally, visitors can check out our 3D printers and other Maker technology, while enjoying interactive green screen activities in the library's Creative Commons on the second floor, where we will also have the Makerspace Paper Theatre on display for public viewing.

Curious about our Makerspace but can't attend the Maker Fair? Stop by for Makerspace Open Hours, held every Tuesday from 9:00 – 11:00 AM, every Thursday from 6:00 – 7:30 PM, and every Friday from 2:00 – 4:30 PM. For projects and opportunities with a creative flair, stop by to the Creative Arts open hours on Mondays between 4:00 – 7:00. Be sure to check the library's online events calendar for exceptions such as holidays.

The East Hartford Public Library is located at 840 Main St., East Hartford. For more information about the Maker Fair and other programs, visit our [online events calendar](#).
