Lunch with the Mayor

East Hartford, CT – East Hartford Mayor Marcia Leclerc would like to invite residents to the next “Lunch with the Mayor” that will be held on October 25 at noon in the Welling Conference Room, Town Hall.

“I hope our East Hartford residents will join me for lunch in October to ask any questions they might have, express concerns, share their vision or just have lunch and chat,” Mayor Leclerc said. These luncheon meetings are generally held on the fourth Thursday of each month at 12 p.m. in the Welling Conference Room, 2nd Floor, Town Hall. This is a great opportunity for East Hartford residents to meet with the Mayor and discuss any questions or concerns they may have through an in-person, Q&A session. Each meeting will also include town updates from Mayor Leclerc as well as information and updates from various department directors.

There will be no “Lunch with the Mayor” in December and November, but the program will resume on January 24, 2019.
