

## For Immediate Release

East Hartford, CT— Mayor Marcia A. Leclerc and the Town of East Hartford held the annual Mayor’s Cleanup Day Saturday, May 18. The event gathered 250 volunteers who put in the hard work and effort to clean up and beautify a portion of Burnside Avenue. Together, volunteers rid the area of litter, cleaned, mulched and planted areas at the entrance to Mayberry Village, the bus stops and surrounding neighborhoods including Labor Park and the Hockanum Trail.

“Throughout my tenure of public service to the Town of East Hartford, I have especially focused on ways to keep the community an attractive, vibrant and engaged place to live and work,” said Mayor Leclerc. “I was proud to witness the community come together for the benefit of the Town of East Hartford during the annual Mayor’s Cleanup Day.”

The East Hartford community has a long and proud history of working together toward a common goal. We would like to extend our appreciation for the many organizations, businesses and community groups that rallied their membership and employees to come out and volunteer their time and efforts to this annual community project.
