III. HEARINGS DISCUSSION AND BOARD DECISIONS:

1. Brenetta Waite, 71 Vernon Road, is appealing the order of the Assistant Zoning Enforcement Official to prohibit the expansion of the driveway, a violation of Section 209.1(c) Parking Regulations. (Zone R-3).

Brenetta Waite, 71 Vernon Road had a survey done and it was too close to the property line and the application was withdrawn by the appellant.

2. Jacelyn Vincent, 92 Brookfield Drive, requests a variance from Section 209.1(c) Parking Regulations, to permit the expansion of the driveway within 1 ft. of the easterly property line requiring a 4 ft. variance. (Zone R-2).

Ms. Vincent would like to widen her driveway to accommodate 2 cars. She said her driveway is in terrible shape and would like it redone and thinks it would also increase the value of the property. She said many homes in East Hartford have driveways close to their
property lines and was wondering if this is a new regulation or were grandfathered in. Ms. Vincent also had signatures from her neighbors in favor of her request.

A discussion was held by the board; When most of the houses were built, many took the bus or only had one car, while these days, there are 3 and 4 cars in the family. It was also noted that the lot is only 70 feet wide and is non-conforming.

Mr. Fady El-Hachem made a motion to approve the application permitting the expansion of the driveway within 1 ft. of the easterly property line requiring a 4 ft. variance and Seconded by David Repoli. Variance Approved 5-0.
