REPORT AND
RECOMMENDATIONS

The East Hartford Charter Revision Commission was appointed by the Town Council at the June 15, 2021 regular council meeting and held its organizational meeting July 27, 2021. The Commission consists of 9 members, 5 members affiliated with the majority party (Democratic), and 4 members affiliated with the minority party (Republican).

Although membership was divided by political party as required by statute, it should be noted that the commission as a whole engaged in a bipartisan discussion of the issues before it. The membership is as follows:

The Council Resolution (see Attachment B) charged the Commission with considering three specific items:
1. Whether the Town Should Have a Professional Person in Charge of Overseeing All Town Government Operations.

2. Whether the Town Charter Should Continue to List All Town Departments or Provide Some Flexibility to Consolidate or Transfer Functions of Town Departments Without a Charter Revision.

3. Whether the Town Directors Should Serve at the Pleasure of The Mayor or Have Some Job Security Protections.

The resolution also charged the Commission with reviewing the East Hartford Town Charter and making recommendations for any amendments to such Charter.

Originally, the Council required the Commission to make its recommendations in accordance with state law by January 30, 2022. An extension to April 30, 2022 was provided January 18, 2022. The aim is to place the recommendations on the ballot at the time of the November 2022 election.

At the first meeting of the Charter Revision Commission, commissioners and members of the public were provided with the first opportunity to suggest topics for Commission review. In subsequent meetings, the Commission expanded to include each of the following items for discussion at one point during the process:

- Whether the Town Should Have a Professional Person in Charge of Overseeing All Town Government Operations;
- Whether the Town Charter Should Continue to List All Town Departments or Provide Some Flexibility to Consolidate or Transfer Functions of Town Departments Without a Charter Revision;
- Whether the Town Directors Should Serve at the Pleasure of The Mayor or Have Some Job Security Protections;
- Removal of Budget by Referendum;
- Term of Office for all Elected Positions;
- Term of Office for Mayor and/or Town Council—2 or 4 Years;
- Simplifying Town Elections by Realigning Terms of Office or Removing Selectmen and Constables;
- Staggering Terms for The Town Council;
- Personnel Appeals Board: Clarify Powers;
- Review of Compensation for Stipend Positions;
- Countersigning of Checks;
- Adding the Information Technology Department to the Charter;
- Clarifying Line of Succession in the Event of Mayoral Vacancy;
- Advisory Opinions From the Office of Corporation Counsel;
- Updating Charter Language to Include Gender Neutral Language; and
- Bond Referendum Threshold
In the early meetings in August and September, the Commission agreed to focus its attention on the first question, which involved whether having a “professional person” in charge of overseeing all town government operations required a change in the form of government. The Commission agreed that many of the other initial items on the list to be reviewed would be more easily settled once this first question was addressed.

As a result, the Commission sought background information on various forms of government, including research and Connecticut municipal charters from the Connecticut Conference of Municipalities and the National League of Cities. In addition, in September and October the Commission held two workshop sessions that explored this question in further detail. One session included researchers that studied form of government. The other session included speakers that executed the day-to-day functions of a strong mayor, town manager, and chief administrative officer. In addition, the Commission was supported by the Council clerk and the Office of Corporation Counsel (Corporation Counsel).

The information collected and public comments throughout the process were made available on the East Hartford town website, where the public could review the information and minutes, and submit a comment to the commission clerk. All meetings were public as required by law, and most of the 19 workshops and 10 public hearings conducted were broadcast live on television and posted online by East Hartford Public Television.

The Commission engaged in a thoughtful and bipartisan process to carefully consider each of the items above. Public feedback during public hearings and workshops led to discussions that determined whether to table an item under consideration or draft a recommendation. For more information on the meeting process and workshop and public hearing dates, please refer to the meeting minutes.

**Discussion Items**

**Whether the Town Should Have a Professional Person in Charge of Overseeing All Town Government Operations**

The bulk of the Commission’s time during Fall 2021 was placed in determining the answer to this question. A key consideration was an examination of what does not work well currently. As mentioned above, the Commission utilized research from the Connecticut Conference of Municipalities, National League of Cities, scholars, and practitioners to best understand what it would mean to make changes to the form of government. The Commission addressed this question in three stages—research, debate, and decision making.

Through this process, the Commission examined the values of the community, and what would be most efficient for the functions of town government given the current structure of government, size of East Hartford, and complexity of the needs of the community. The Commission sought best practices and presented itself and the community with three options to debate and decide on.
The first option was the keep the strong mayor form of government unchanged. The second option was the move to a town manager form of government. The third option was to maintain a strong mayor form of government but provide for an individual to assist the Mayor in overseeing daily operations.

The option to keep the form of government unchanged was supported by some in the community due to the potential cost of shifting to another method. This option was rejected by the Commission due in large part to the testimony of scholars and practitioners during the fall workshops. In reviewing the options, the Commission explored whether East Hartford municipal government could function better with additional executive assistance. It was determined that an additional layer of support would be beneficial, provided the position focused on operational management rooted in professional skills, experience, and background.

The option to move to a town manager form of government fostered robust debate and examination. This was the most closely contested item during the charter revision process. The benefit of moving to a town manager, as members of the Commission saw, was that a town manager could remove many political connections and allow for the chief executive officer for East Hartford to be a credentialed professional and provide continuity between administrations. There was agreement that the complexity of East Hartford, and increasing trend toward more complex and diverse challenges in municipal government, required a trained and knowledgeable individual coordinating day-to-day operations. However, the prevailing consensus, on a 5-4 vote, was that there was enormous value in having the residents of East Hartford elect the chief executive officer, and that the creation of a town manager would leave a mayor too weakened to effectively provide oversight of daily functions.

As a result, the option to move toward a town manager was turned down after much consideration in favor of a middle ground, option three. The Commission agreed that one of the most important values expressed by members of the community was to have a chief executive (strong mayor) that was directly accountable to the 51,000 residents of East Hartford. In providing for a qualified individual to effectively assist the Mayor as a chief administrative officer that coordinates with departments and serves as a thought partner to the Mayor, an added layer of support would allow for the Mayor to establish an executable vision in each department and ensure that complex tasks have an adequate level of experience and staffing.

The Commission unanimously agreed that the chief administrative officer should not be a political position, and that the position should be rooted in education, qualifications, and professional experience. The Commission also explored what the potential cost of the position would be, and if the town could afford an additional position. Extensive conversation toward the end of the charter revision process was focused on the exact language of the recommendation, and whether the position should be required—akin to the creation of a director—or optional, leaving it to the mayor’s discretion to hire a CAO or not. This was a closely contested question, resolved by further research via the Connecticut Conference of Municipalities, which provided responses to a survey of similarly situated municipalities that had a position which mirrored what the Commission envisioned. In a close vote, the Commission decided 5-4 to create a Chief Administrative Officer using “shall” instead of “may”.

5
In the preliminary vote to draft a recommendation that would keep the strong mayor form of government with the establishment of a “Chief Administrative Officer” the Commission voted in the affirmative, 9/0. (December 7, 2021). In the final vote, the Commission voted in the affirmative, 5/4 (April 21, 2022).

**Whether the Town Charter Should Continue to List All Town Departments or Provide Some Flexibility to Consolidate or Transfer Functions of Town Departments Without a Charter Revision**

Once the question on the form of government was answered, a number of other items were fairly quickly decided upon because they were previously addressed by prior speakers and/or research. There was unanimous agreement by both the Commission and members of the public at public hearings that the Mayor and Council should have the ability to consolidate or transfer functions of town departments to ensure efficiency and be responsive to the changing needs of the community. The important question here was if it was necessary to create a less complex process to achieve a realignment or merger of departments if the Mayor and Council agreed that in the interest of more efficient governance, change was necessary.

In the preliminary vote to draft a recommendation that would provide flexibility to the Mayor and Council to consolidate or transfer functions of town departments without the need for a charter revision, the Commission voted in the affirmative, 9/0. In the final vote, the Commission voted in the affirmative, 9/0. (April 21, 2022).

**Whether the Town Directors Should Serve at the Pleasure of The Mayor or Have Some Job Security Protections**

A fair amount of time was given to this question during fall 2021. Currently, town directors serve at the pleasure of the mayor. There was concern over lack of job security for directors, and the Commission discussed the implication on recruiting and retaining highly talented employees. There was unanimous agreement that there should be protections for directors to promote continuity and remove the potential for political decision making negatively impacting town government functions. There were questions over what specific protections were needed, and whether contracts for employment could achieve more security, but the Commission was moving toward consensus. The November 2021 election, however, brought a change in administration, and the Town Council during the fall concluded a town director compensation study which it used to ratify a town director compensation schedule which included severance protections for directors.

This resolution (Attachment C) requires annual review by the Council during the budget, and upon approval of the Fiscal Year 2022 budget, the Council effectively codified the review and approval of these protections annually. As a result, the Commission agreed that the question had been addressed by the Council.

The Commission voted to table discussion of this item on March 7, 2022, 9/0.
**Removal of Budget by Referendum**

After public comment and brief discussion, the Commission agreed that removal of budget by referendum would unnecessarily undo the work of the 2004 Charter Revision Commission, and most importantly, remove a layer of process for residents that seek to ensure that the budget is reflective of the wishes of the community.

The Commission voted to table discussion of this item on December 7, 2021, 9/0.

**Term of Office for Mayor and Council – 2 or 4 Years**

Term of office for Mayor and Council was discussed in the context of simplifying town elections and staggering terms. This turned out to be one of the most closely contested issues the Commission discussed. The Commission quickly agreed that the Council should continue to have a two-year term of office. The question then centered around whether the Mayor should continue at two years or be moved to four-year terms. The Commission debated whether the day-to-day operations of town government, as overseen by the Mayor, would be best served with a four-year term that insulates the Mayor from political campaigning on a biannual basis and allows for directors and the Mayor’s office to have additional stability.

The Commission was evenly split on the subject. In a compromise, the Commission agreed to send the preliminary recommendation to amend the Charter to allow for a four-year term of office to Corporation Counsel for draft report language, with the option to reconsider pending further public hearings on the working draft of this report. The Commission held a public hearing specifically on this topic and posted a community survey to solicit resident feedback. In April discussions, the prevailing belief became that allowing a mayor to serve a four-year term, especially while the Council continues with a two-year term, could cause an untenable decline in voter participation and make the Mayor less accountable to the public.

In the preliminary vote to draft a recommendation that would establish a four-year term of office for mayor, the Commission voted in the affirmative, 7/1, on March 10, 2022. This enabled the Commission to engage Corporation Counsel on draft report language. In a final vote to recommend keeping term of office to two years for all offices, the Commission voted 7/2. (April 21, 2022).

**Simplifying Town Elections by Realigning Terms of Office or Removing Selectmen and Constables**

The Commission, in exploring how to potentially simplify town elections to spur additional engagement, briefly considered whether realigning terms of office and/or removing Selectmen and Constables would be effective. It was determined, with significant input from the public, that changes to the ballot in this regard was not in the interest of the community.

The Commission voted to table discussion of this item on March 3, 2022, 9/0.
**Staggering Terms for The Town Council**

The Commission discussed this topic and received some community input, and determined that staggering terms for the Council would not be effective in serving the interest of the community with a council of nine members.

The Commission voted to table discussion of this item on December 7, 2021, 9/0.

**Personnel Appeals Board: Clarify Powers**

The Commission spent substantial time examining this issue. In multiple meetings, the Commission discussed whether to recommend reforms to the Personnel Appeals Board or to eliminate it altogether, provided no collectively bargained rights were impacted. The Commission reviewed the Personnel Rules and Merit System and whether there were other avenues for town employees to seek adjudication for their grievances that would save time and money. Corporation Counsel also provided information to assist the Commission. The Commission held a public hearing specifically on this topic, and posted a community survey to solicit resident feedback.

In the preliminary vote to draft a recommendation that would eliminate Personnel Appeals Board, the Commission voted in the affirmative, 7/1 on March 10, 2022. In the final vote, the Commission voted to recommend elimination of the Personnel Appeals Board, 8/1. (April 21, 2022).

**Review of Compensation for Stipend Positions**

The Commission began to discuss this topic, and the three members of the Commission that are currently members of the Town Council recused themselves. Upon advice of Corporation Counsel, the Commission learned that it did not have the authority to recommend non-home rule ordinance changes.

The Commission voted to table discussion of this item on March 10, 2022, 8/0.

**Treasurer Countersigning of Checks**

Section 5.3 of the Charter requires the Town Treasurer to countersign all checks. Due to a resident request for the Commission to review whether this was still necessary given the work of the Finance Department, the Commission asked Corporation Counsel of the legal implications of changing this requirement. The advice was to forgo amending the section.

The Commission voted to table discussion of this item on April 21, 2022, 9/0.

**Adding the Department of Information Technology to the Charter**

Near the end of the process, as the Commission began reviewing actual charter language recommendations, it was brought to the attention of the commissioners that the Department of
Information Technology (IT) does not technically exist because it has not been amended into the Charter. The addition of IT reconciles the existence and need of the department with the listing of operational departments in the Charter.

In the vote to draft a recommendation that would add the Department of Information Technology to the Charter, the Commission voted in the affirmative, 9/0. (April 21, 2022).

Clarifying Line of Succession in the Event of Mayoral Vacancy

In the March 22, 2022 public hearing, the Commission received a recommendation from the Council Chair that it review and clarify the line of succession in the instance of a mayoral vacancy. The Commission, with input from Corporation Counsel, developed language that would clarify the line of succession by doing the following:

1) If there is a vacancy in the Office of Mayor, the Council Chair will assume the office. If the Council Chair is unable to assume the office, the Council Vice Chair will assume the office.
2) If the Council Vice Chair is unable to assume the office, the Town Council will elect a member of its body to assume the office for the remainder of the unexpired term of office.

The Commission, at its April 7, 2022 workshop, discussed whether this language was sufficient, and how far down the line the Charter needed to follow. At the April 21, 2022 meeting, the Commission agreed that the definition of “unable to assume” would be left to the discretion of the individual upon which the duty fell.

In the vote to draft a recommendation that would clarify the line of succession in the instance of a vacancy in the Office of the Mayor, the Commission voted in the affirmative, 7/1, with the Chair abstaining, at the April 21, 2022 meeting.

Advisory Opinions from the Office of Corporation Counsel

The Office of Corporation Counsel, as the Commission reviewed technical changes, that is, specific language to promote clarity in legal interpretation, offered that the Commission should consider whether to clarify that the Office of Corporation Counsel has the authority to provide an advisory legal opinion to an East Hartford board or commission. The Commission discussed the topic, asking whether this power was needed or needed to be clarified. The Commission declined to pursue the matter further.

The Commission voted to table discussion of this item on April 21, 2022, 9/0.

Updating Charter Language to Include Gender Neutral Language

The Commission identified instances with gendered language and agreed to fully replace those references with gender neutral language.
In the vote to draft a recommendation that would replace all gendered language with gender neutral language, the Commission voted in the affirmative, 9/0 at the April 21, 2022 meeting.

**Ballot Question Threshold**

The Commission, at its March 22, 2022 workshop, discussed whether it should examine changing the ballot question threshold requirement found in Section 8.5 of the Charter, which provides that a ballot question shall fail unless the total number of votes cast on a question is at least twenty percent of the electors eligible to vote at the preceding regular election. At the April 7, 2022 workshop, the Commission discussed the implications of removing the 20% threshold.

Discussion occurred regarding removing the threshold altogether as a method to ensure that the majority of voters casting a ballot on a question would be heard. Discussion also focused on whether the threshold was valuable especially when deciding on an issue as important as debt. It was also noted by assistant corporation counsel at the workshop that the ballot question threshold was unusual in Connecticut. The argument to remove the threshold altogether prevailed.

In the vote to draft a recommendation that would remove the ballot question threshold, the Commission voted in the affirmative, 9/0 on April 21, 2022.

On April 26, 2022 the Commission voted unanimously to approve a draft report which was then submitted to the Town Clerk. On May 17, 2022 pursuant to State Statute, the Town Council reviewed the draft report and made recommendations that were provided to the Commission for review (see attachment- May 16, 2022 Town Council Recommendations). On June 13, 2022 a joint meeting between the Town Council and the Commission occurred to confer on the Council’s recommendations. In a special meeting of the Commission that occurred after the joint meeting, the Commission voted unanimously to adopt the recommendations of the Council and incorporate them into the final version of the report and recommendations.

The East Hartford Charter Revision Commission is grateful to the residents that attended and participated in our workshops and public hearings. The Commission also acknowledges and thanks the past and present elected officials and current town staff that provided assistance. The Commission is especially appreciative of the support provided by Council clerks Angela Attenello and Jason Marshall, as well as the advice and counsel of Rich Gentile of the Office of Corporation Counsel.

Such rules and any amendments thereto shall become effective upon being filed by the Mayor with the Town Clerk. Copies of such rules and any amendments thereto shall be distributed to all members of the classified service.

Eliminates conflicting language in Section 7.2(d) regarding personnel rules that seemingly includes pay for positions that must be approved by the town council AND requires personnel rules to be filed with the Town Council Clerk.

(c) Compensation for all positions in the classified service shall be determined in accordance with the provisions of section 5.26 of the Town Charter

(d) No later than July 1, 1968 the Mayor shall also cause to have prepared a set of personnel rules which shall provide, among other things, for the method of holding competitive examinations, administration of the classification plan, and probationary periods of employment removals, and such other rules as may be necessary to provide an adequate and systematic procedure for the handling of the personnel affairs of the town. Such rules and any amendments thereto shall become effective upon being filed by the Mayor with the Town Clerk and the Town Council Clerk. Copies of such rules and any amendments thereto shall be distributed to all members of the classified service.

June 15, 2021 Town Council Organizing Resolution

Establishment of Charter Revision Commission

MOTION  
By Awet Tsegai

seconded by Esther Clarke

to adopt the following resolution:

Whereas the East Hartford Town Council adopted a Town Charter in 1968 and subsequently revised the Town Charter in 1980 and 2004; and

Whereas many of the Charter provisions should be clarified to address issues that have arisen during the 17 years since the last revision; and

Whereas in particular, the Commission should consider (1) whether the Town Charter should continue to list all town departments or provide some flexibility to consolidate or transfer functions of town departments without a charter revision; (2) whether the town directors should serve at the pleasure of the mayor or have some job security protections; and (3) whether the Town should have a professional person in charge of overseeing all town government operations; and

Whereas the Connecticut General Statutes establish the procedures for revising town charters.

NOW THEREFORE BE IT RESOLVED THAT:

The East Hartford Town Council, pursuant to Connecticut General Statutes section 7-188, establishes a Charter Revision Commission to review the East Hartford Town Charter and make recommendations for any amendments to such charter; and

The Charter Revision Commission shall consist of nine members; and

The Charter Revision Commission shall review the East Hartford Town Charter and address minor and technical changes along with the three specific issues contained in this resolution, hold a public hearing and address such other issues as it deems appropriate; and

The Charter Revision Commission shall make its recommendations in accordance with state law to the East Hartford Town Council by January 30, 2022.

On call of the vote, motion carried 9/0.
December 14, 2021 Director Compensation Town Council Resolution

Recommendation from Personnel & Pensions re: Directors' Compensation Study

MOTION

By Awet Tsegai
seconded by Tom Rup

in accordance with the provisions of Section 3.4 and Section 5.25 of the East Hartford Town Charter, I move that the Town Council establish the pay plan for directors, mayor's chief of staff and the police and fire chief as set out in a document entitled “Uniform Compensation Plan for Directors of the Town of East Hartford” dated January 1, 2022, provided further that the Town Council shall annually review such plan and adopt any appropriate changes as part of the annual adoption of the town budget.

Motion carried 7/0.
The East Hartford Charter Revision Commission has made significant, substantive recommendations for changes to the East Hartford Town Charter which will facilitate the efficient operation of town government. The Town Council urges the Commission members to consider the attached minor and technical changes to provide clarity and uniformity of charter language.

These changes are summarized, by chapter below:

**Chapter III.**

Section 3.1 The charter references ‘office of profit under the government’. The question of what that term means has occurred over the past few years without a lot of clarity. The meaning seems to be a position for which the person is compensated. To avoid future questions, the proposed change no longer used the term office of profit and instead uses “town government elected or appointed position for which such person is compensated”

Section 3.2 The charter sets the first meeting of a newly elected town council as the first Monday after the town election which in some years is Veterans’ Day. By practice, the meeting is pushed to the next day. This change codifies that practice and eliminates any question about whether to meet on a national and state holiday but providing when the Monday is a holiday, the first meeting will be on the succeeding Tuesday

Section 3.2(c) Eliminates the use of pronouns and uses the position’s name

Section 3.4(g) Clarifies that the Council sets fees charged for use of or access to town property. The issue had previously come up regarding charges for private companies to provide fax services to the public in the library

Section 3.5 Eliminates the parentheses as use of such does not occur in state or municipal statutes

Section 3.10 Eliminates the use of pronouns and uses the position’s name

**Chapter IV**

Section 4.2 Addresses the same ‘office of profit’ issue as in section 3.1 and eliminates the use of pronouns and uses the position’s name. Makes the first two sentences of (a) a separate subsection for clarity and renumbers the subsequent sections

Section 4.2(c) Changes ‘enquire’ to ‘inquire’

Section 4.3(c) Makes uniform the references to charter sections as “Section xx of the Charter” and corrects the reference from section 6.8 to section 6.9 as section 6.8 has nothing to do with checks being countersigned
Section 4.3 (e) Working with the mayor several years ago, the Town Council set up a process in ordinance for removing board or commission members especially for non-attendance. This change aligns the charter language with the ordinance process which includes automatic removal if there is a failure to attend one third or more of the meetings.

Chapter V

Section 5.1 Eliminates the use of pronouns and uses the position’s name.

Section 5.2 Eliminates ‘at his or her option’ since the language already states that the Town Clerk ‘may’.

Section 5.3 Eliminates the use of pronouns and uses the position’s name and eliminates ‘at his or her option’ because the language already states the Town Treasurer ‘may’.

Section 5.4 Makes uniform the reference to ‘Council’. Clarifies that any change in departments is subject to approval by the Council rather than ‘shall be approved’ which makes it sound like the Council has no other option.

Section 5.6 (a) Makes uniform the references to charter sections and eliminates the use of pronouns.

Section 5.6 (c) Eliminates the use of pronouns and uses the position’s name.

Section 5.7 Eliminates the use of pronouns and uses the position’s name and splits up the Director’s program authority into three subdivisions for clarity.

Section 5.8 The provision allows the Public Works Department to provide services to the board of education provided the costs are assessed to the board. Over the years, the town and the board have provided various services to each other with assessing the actual cost to the other. This amendment provides for assessment of costs if the Town Council requires it which will align with current practice.

Section 5.9 Makes uniform the references to charter sections.

Section 5.11 Makes uniform the references to charter sections.

Section 5.13 Makes uniform the references to charter sections and eliminates the use of pronouns.

Section 5.14 Eliminates the use of pronouns and uses the department reference.

Section 5.17 Eliminates the use of pronouns and uses the position’s name and eliminates ‘town’ in front of ‘council’.

Section 5.19 Eliminates the use of pronouns and uses the position’s name. Section 5.21 Eliminates the use of pronouns and uses the position’s name. Section 5.22 Eliminates the use of pronouns and uses the position’s name. Section 5.25 Eliminates ‘and/or’ which is not a term used in statutory language. Section 5.27 Eliminates the use of pronouns and uses ‘such person’.
Chapter VI

Section 6.2 Eliminates the use of pronouns and uses the position’s name

Section 6.3 Makes uniform the references to charter sections

Section 6.4 Makes uniform the references to charter sections

Section 6.4(d) Clarifies the mayor’s veto or reduction of budget items is effective unless overridden by the Council. The language currently says approval or disapproval by the mayor

Section 6.5 (a) and (b) Eliminates ‘town’ in front of ‘council’

Section 6.5 (d) Eliminates the use of pronouns

Section 6.7 Changes reference to chairman to chairperson

Section 6.9(b) Eliminates the use of pronouns and uses the position’s name

Section 6.9(c) Adds commas to separate “and the manner in which” for clarity

Section 6.9(d) changes “examine into the matter” to ‘examine the matter’

Chapter VII

Section 7.1 Makes uniform the references to charter sections

Section 7.2 Aligns the language of this section with the changes to section 5.26 where compensation includes vacation time, sick leave and other leaves of absence. Section 5.26 requires Town Council approval. The personnel rules in section 7.2 do not. It has been understood that any compensation for any town government employee would be in accordance with a systemic pay plan approved by the Town Council

Chapter VIII

Section 8.2 Makes uniform the reference to charter sections, eliminates “town” before “council”

Section 8.3 Makes uniform the reference to charter sections and makes the correct section reference regarding the adoption of ordinance provisions. Eliminates “town” before “council” in several references

Section 8.4 Makes uniform the reference to charter sections and makes the correction section reference regarding the referendum petition form

Sec. 2.6 Eligibility.

No person shall be eligible for election to any town office who is not at the time of the election a resident elector of the town and any person ceasing to be a resident and elector of the town shall thereupon cease to hold elective office in the town.

Sec. 2.7 Removal of Elected Officials.

Any elected town official may be removed from office for cause which shall include, but not be limited to, conviction of a felony, conviction of a lesser crime involving fraudulent or dishonest conduct, willful violation of this Charter, or a willful violation of the Town’s Code of Ethics. If the Vice Chairperson is unable, the Town Council shall elect one of its members to assume the Office of Mayor. The fact of disability of the Mayor shall be determined by an affirmative vote of eight of the members of the Town Council and shall continue for such time until a majority of the Town Council members determine that such disability no longer exists. If a Town Council member assumes the powers and duties of the Mayor until the next biennial election, the Town Council member shall resign from the Town Council, and the Town Council shall fill the vacancy for the remainder of the Town Council's term. The call for each special meeting of the Town Council shall state the purposes of the meeting and shall be served upon or mailed to each Councilor at least twenty-four hours before the hour of said meeting; but the lack of a call or the insufficiency of the service thereof shall not invalidate any meeting of the Town Council at which all members shall be present. No business shall be acted upon at any special meeting except that concerning which notice of proposed action shall have been given in the call for the meeting. (d) The Town Council is authorized, in adopting ordinances, to incorporate any nationally recognized code, rules or regulations that have been printed in book form, or any code officially adopted by any administrative agency of the state, or any portion thereof, by reference thereto in such ordinance; provided, upon adoption of any such ordinance wherein such code, rules or regulations or portions thereof have been incorporated by reference, there shall be maintained copies of such code, rules or regulations in the office of the Town Clerk for examination by the public, and there shall be available copies of such code, rules or regulations or portions thereof as are incorporated by reference in any ordinance for sale at cost to any member of the public.

Sec. 3.8 Relations to Administrative Service.

Neither the Town Council nor any of its members shall direct or request the appointment of any person to any office or employment, or direct or request the removal of any person from any office or employment which office or employment, by the provisions of this Charter, the Mayor or any of his appointees are empowered to fill by appointment, provided the Mayor may seek advice from the Town Council regarding appointments and provided further the Town Council may prefer charges in writing against any officer or employee appointed by the Mayor in the manner hereinafter prescribed for the removal of officers and employees. If the Mayor does not return the proposed ordinance within the time required, it shall become effective without his approval. The Mayor may disapprove or reduce any item or items in any appropriation, whereupon the approved portion of the appropriation shall become effective unless the disapproved or reduced portion thereof is passed by the Town Council over the Mayor's veto in the manner herein provided, in which case the entire appropriation shall become effective as finally passed.

(b) In computing the time periods specified in this Section, the period begins with the first day after Town Council approval and does not include Saturdays, Sundays and legal holidays.
Chapter IV. The Mayor
