Rebranding East Hartford

Renewed focus on the 3 - C’s
• Customer Service = Resident satisfaction
• Communication = Keeping residents informed
• Collaboration = Fostering long lasting partnerships

Mission
“To support a diverse population through exemplary resident services reinforced by our guiding principles, stellar customer service, transparent communication and collaboration.”

Vision
“To become a Town grounded in culture and inclusion that provides opportunity for all.”

Simply Put
“If we fail to deliver exceptional resident service, there is no reason for us to be here!”

“Each of these projects are real and tangible but some may not happen if the math doesn’t work”

“Town Hall assists developers; Town Hall does not create markets”
Project # 01) Silver Lane Plaza

For Situational Awareness
• Three-building plaza with largest spaces vacant
• Site is appraised at $4.6 million

Project # 19a) New Ways of Policing - Embedded Social Worker

For Situational Awareness
• A new partnership between the Police and a Social Worker
• Better coordination of available resources to citizens
• Workers may respond alone to non-violent calls dealing with mental health and issues not requiring police intervention
• This project also satisfies the requirements recently passed in the 2020 Police Accountability Act

Goals:
• Direct services and resources to citizens dealing with mental illness, addiction, and homelessness.
• Improved community wellness and reduction in referrals to police for crisis needs through prevention.

Next Steps: Meet with local mental health service providers, write policy, and train staff on collaborating, supporting and assisting this new partnership.

Timeline: Upon written agreement with a mental health services agency, and selection of a dedicated clinical social worker. Have the social worker selected and working inside the Police Department by the second quarter of 2022.

Project Owners:
• Chief Sansom
• Human Services

Funding Sources:
• New budget initiative
Project # 19b) New Ways of Policing - District Policing

For Situational Awareness
• The Police Department Patrol Division is staffed by six distinct platoons that share responsibility for districts
• Officers rotate shifts, days off and into various neighborhood districts making it difficult to forge relationships with citizens and business owners.

Goal: Improve community policing and focus on Quality of Life issues through increased accountability for activity in town. Every neighborhood district is assigned a police commander who is responsible for the activity that occurs in that area. Zone Policing’s goal is to increase police visibility, increase contact and foster positive relationships between police and the community, create accountability in geographic ownership, and address neighborhood/Quality of Life issues through partnerships with the people who live and work in the district.

Next Steps: Meet with department supervisors to create a plan to support Zone Policing and supervisory accountability. Create a policy and share it with all department staff, emphasizing the importance to partnerships and collaboration.

Timeline
Implemented following discussions with Police Department supervisors and formulation of a guideline or policy, with the goal to have the program in place during the first quarter of 2022.

Project Owners:
• Chief Sansom

Funding Sources:
• Existing budget

For Situational Awareness
- Trash-to-energy plant in the South Meadows of Hartford is set to close by July 1, 2022
- Trash from throughout the Hartford region will need to be shipped out of state

Goal: Assume a leadership role in development of an environmentally sustainable waste disposal facility at a reasonable cost to taxpayers

Next Steps
- Host regional leadership meeting to discuss

Project Owners:
- Public Works Director
**Project # 20b) Municipal Solid Waste Disposal - Locally**

**Goals:**
- Curbside collection moved away from public employees
  - Allows repurposing of public employees toward quality of life services
  - Eliminates capital investment in equipment
  - Eliminates maintenance, fueling, and repair expenditures
- Bulky waste town-wide curbside pickup once per month, no appointments necessary
  - Improves community access to affordable and proper disposal
- Improved transfer station operations with a payment system at the gate and possible expanded hours
- Attainment of recycling diversion goals through education and enforcement

**Next Step**
- Develop a project RFP

**Project Owners:**
- Public Works Director

**Funding Sources:**
- Existing budget
Project # 21a) Church Corners Inn

For Situational Awareness:
- Historic boarding house in prominent downtown location
- Owner John Laraia intends to sell the building in 2022
- Poor building condition and constant tenant issues
- Capital Studio Architects to address fire code violations

Challenges
- Health issues including overdoses, hoarding, mold, and bed bugs
- Restaurant has had public safety and permitting issues
- Restaurant lease may not be appealing to potential owners
- Building is subject to historic restrictions

Goal: Ensure the building’s new owner is capable of maintaining the property and ensuring a safe living environment

Next Steps
- Owner to provide building details and restaurant lease
- Determine if Town should have role in the sale and/or future ownership of the property

Timeline:
New ownership in spring of 2022

Project Owners:
- Mayor Mike
- Development Director
- Health Director
- Quality of Life Team

Funding Sources:
- Private investment
Project # 21b) Hotel on Roberts Street

For Situational Awareness

- Former Holiday Inn & Ramada
- Lost brand affiliation in 2016 and closed in 2019
- Former home of Nolita Restaurant and Final Score Sports Bar
- Numerous building code and health issues when operating
- Owner is considering conversion to apartment housing or demolition
- B1 Zone - Multiple-family housing permitted by Special Permit

- Development Director
- Health Director

Funding Sources:
- Private investment
Project # 21c) Squeeky’s

For Situational Awareness
• Renovation and reopening of laundromat/dry cleaner delayed for years due to owner’s medical needs
• Owner intends to reopen same business
• New plans submitted in November of 2021
• Construction began in December of 2021

Goal: Eliminate unsightly appearance of building and put property back to use

Challenges
• Communication between owner and Town Departments has been inconsistent and delayed

Next Steps
• Building inspections upon completion of construction

Timeline:
Reopen by spring of 2022

Project Owners:
• Inspections & Permits Director
• Town Planner

Funding Sources:
• Private investment
Project # 21d) School Street Square

For Situational Awareness

• New tenants Planet Fitness, Barton’s Home Outlet, and O’Reilly Auto Parts all opened in 2015
• Parking lot is in poor condition
• Plaza was sold in December of 2021 and a specialty grocery store is planned

Goal: Improve condition of plaza and parking lot and encourage new tenants to meet community needs

Project Owners:
• Mayor Mike
• Development Director

Funding Sources:
• Private investment
• Commercial Facade Improvement Program
Project # 22) Health Care Access

For Situational Awareness
- Access to preventative healthcare limits unexpected and long-term expenses
- East Hartford has a lower percentage of residents with health insurance than Connecticut as a whole
- Minority residents are more likely to be uninsured
- Public Library is an Access Health CT open enrolment site
- Enhanced Laboratory Capacity Grant

Goal: Increase health insurance coverage in East Hartford to meet the statewide rate

Challenges
- Individuals perceive coverage as unaffordable or are unaware of cost assistance
- Misinformation about benefits (preventive care, access to care) of coverage versus costs
- Barriers to understanding process and access to consultants

Next Steps
- Investigate partnership with Access Health CT Health Equity Team
- Formulate relationships with businesses, community organizations and churches to help spread awareness and resources
- Conduct outreach at key locations and events such as Foodshare distribution and healthcare providers

Timeline:
Develop East Hartford plan for outreach and education by March 31, 2022

Project Owners:
- Health Director

Funding Sources:
- $341k ELC Grant
Project # 23) Land Bank

Situational Awareness
- The Town has a number of blighted properties which are not currently being put to effective use by their current owners.
- Land Banks are statutorily permitted charitable non-stock corporations that are partnered with one or more municipalities to convert vacant, abandoned, and foreclosed properties into productive use.

Goal
- Acquisition of real property (Town foreclosure).
- Restoration of property by demolition, site prep, and environmental remediation to make them more marketable or sale of properties to buyers committed to returning them to the Town’s tax roll.

Challenges
- Funding of the land bank.
- Finding a suitable organization or individuals to start the formation of the land bank.

Next Steps
- Must find a partner to work with the Town to form the land bank as a Connecticut corporation.
- Town council must pass an ordinance establishing the land bank. Ordinance must include: (1) Name of land bank; (2) Size of board of directors - either 5, 7, 9 or 11 members; (3) Qualifications, manner of appointment, and terms of office for the board of directors; and (4) initial members of the board of directors, any of which may, notwithstanding general statutes restrictions, be an elected official or employee of the Town.
- Incorporate and apply for tax-exempt status from the IRS and State of Connecticut.

Potential Funding Sources
- Grants and loans from the municipality, state, or federal government;
- Private loans and donations;
- Issuance of limited obligation bonds;
- Services rendered, rents or leaseholds, consideration from real property disposition, investment income, insurance proceeds from any incurred loss.

Project Owners:
- Corporation Counsel
- Development Director
- Public Works Director
- Quality of Life Team

Funding Sources:
- TBD

- 10 federal family/elderly/ disabled housing sites.
- 19 Scattered Sites.
- $60m redevelopment of Veterans Terrace.

Goals
- Strengthen partnership between Town and EHHA.
- Shared services. (Public Safety)
- Support major redevelopment of other sites such as Hockanum Park Apartments.
Project # 25) East Hartford GuideStar

For Situational Awareness
• Plan is to gather key East Hartford stakeholders to discuss the overall direction of the town, provide guidance to the Mayor, and improve cross-sector communication
• Modeled on “Bishops” of Hartford - meetings of key leaders who set direction of city in 1970’s and 1980’s
• Former Town Council Member Linda Russo to be first Chair
• Boston Fed research shows communication among key leaders and institutions is essential to civic revitalization

Goal: Group to serve as a resource to help make government more effective and responsive and set future direction

Next Steps
• Assemble a diverse group of members representative of the community

Timeline:
First meeting in early 2022

Project Owners:

East Hartford delivers the highest level of services of all towns in the State of Connecticut.

Taxes are in the bottom third compared to other towns with lower service levels.

The mill rate is high because our property values are low, some would say affordable.
