He then announced the exit locations in accordance with Connecticut General Statutes §29-381, after which the Council joined him in the pledge of allegiance.

Susan Kniep, 50 Olde Roberts Street, (1) asked what financial impact the transfer of money to the OPEB trust fund would have on East Hartford taxpayers; (2) suggested that the Town Council, with the Mayor, form a committee to determine what the town's assets are; and (3) believes there should be an audit of the East Hartford Community Cultural Center.

APPROVAL OF MINUTES

January 2, 2019 Regular Meeting

MOTION By Ram Aberasturia  
seconded by Pat Harmon  
to **approve** the minutes of the January 2, 2019 Regular Meeting.  
Motion carried 5/0.

## COMMUNICATIONS AND PETITIONS

### Materials Innovation & Recycling Authority (MIRA): Possible Tip Fee Increase

Chair Kehoe stated that a letter from the Materials Innovation and Recycling Authority (MIRA) indicated a serious mechanical failure with the trash-to-energy facility in Hartford's South Meadows in November 2018. While the repairs were underway, the costs to divert the waste processing averaged over \$100/ton. If this increase continues, it will be necessary to incorporate it into the tip fee for FY2020.

Chair Kehoe said that this situation serves to emphasize the importance for all residents to recycle.

### OPEB Contribution for FY2018 re: §10-52 of the East Hartford Code of Ordinances

Chair Kehoe explained the Other Post-Employment Benefits (OPEB) ordinance, adopted in June 2008, serves to address the long-term liabilities of the town by setting aside the excess in the town's Fund Balance that is over 10% of the current fiscal year's budget. This year that amount is \$1,587,900 which will be transferred to the OPEB Trust Fund.

The Chair went on to say that the town's funds are well managed – an opinion that is shared by Standard & Poor's, referencing their October 2018 report that states "East Hartford's budgetary performance is strong, in our opinion. East Hartford's budgetary flexibility is strong. East Hartford's liquidity is strong, very strong. East Hartford's debt and contingent liability profile is strong".

Leclerc, Mayor of the Town of East Hartford, is authorized to make application to, and execute and approve on behalf of this corporation, any and all documents, contracts, and amendments as may be required by the state Department of Energy and Environmental Protection as they pertain to this Personal Services Agreement.

NEW BUSINESS

67 Woodbridge Avenue

Mike Walsh, Finance Director, initiated a discussion of the history of 67 Woodbridge Avenue. The Town acquired this property through a tax deed sale in 2018. The annual taxes are approximately \$4000. Karraine Moody, Executive Director of Habitat for Humanity, addressed the Committee on the homes Habitat built in East Hartford. She stated that her organization has built ten homes in town and that most everything donated to Habitat is "bricks & sticks". For this particular house, that monetary value is between

\$150,000 and \$180,000. Once started, the house will take approximately 8 to 10 months to build and will be financed through Thrivent Financial, who also provided a \$70,000 grant toward the cost to build this house.

No action taken at this time.

### OLD BUSINESS

#### 1252-1256 Main Street

The Committee received an update on the property at 1252-1256 Main Street by Scott Chadwick, Corporation Counsel. He stated that the town initiated a tax deed sale on the property and that the owner had 6 months or until Feb 15<sup>th</sup> 2019 to redeem the property by paying the back taxes. He further stated that a New York firm purchased the property for \$100,000, which was approved by the Glastonbury Probate Court. The Town is working with the new owner per a court stipulation to renovate the building and pay the back taxes by February 15, 2019. The new building will consist of 19 apartments and will take approximately 18 months to build, with a 3-month extension if needed. If the current owners fail to abide by the dates set forth in the stipulation, the Town will go back to court to seek demolition of the property by the owner per the stipulation.

No action taken at this time.

## TOWN OF EAST HARTFORD OFFICE OF THE MAYOR

DATE: December 19, 2018  
TO: Richard F. Kehoe, Chair  
FROM: Mayor Marcia A. Leclerc   
RE: REFERRAL: Real Estate Acquisition and Disposition Committee-67 Woodbridge Avenue

---

By way of this memo, I respectfully request that the parcel of real estate known as 67 Woodbridge Avenue (Assessor's data card attached) which is owned by the Town of East Hartford be transferred to Habitat for Humanity so they may rebuild a house on the property, returning it to productive use.

Please understand that 67 Woodbridge Avenue was a long-time tax delinquent property and after a fire several years ago, became a blighted property. Many citations were issued by the Town and ultimately, an order to demolish the property was given by the Town's Building Official.

The owner at that time began an illegal demolition without remediating the structure of hazardous materials. During the illegal demolition, the rented equipment used to demolish the structure severed a hydraulic line with the operator abandoning the equipment onsite with construction materials partially blocking the roadway.

Attempts to contact the owner were unsuccessful so the Town was forced to step in to complete the demolition and reopen the road. Eventually, the Town acquired the property for taxes due.

It is at this juncture that we wish to turn the property over to Habitat for Humanity so they may rebuild, returning a long-time delinquent, blighted parcel to productive real estate which will serve as a new home for an East Hartford family.

As you may recall, the Town of East Hartford has partnered with Habitat for Humanity in three recent instances taking delinquent and/or blighted properties and rebuilding homes on them to be occupied by East Hartford families. Below are examples (tax payment screens for each property are attached):

- 48 Branch Drive—a long-time open foundation is now an owner occupied home paying \$6,662 in annual real estate taxes;
- 9-11 Moore Avenue—a long-time delinquent property with building code violations was rebuilt and is now owner occupied paying \$6,085 in annual real estate taxes;
- 66-68 Bliss Street—a roof collapse in January 2011 saw the house set for demolition when Habitat for Humanity stepped in and will soon turn the keys over to an East Hartford family with annual real estate taxes estimated to be \$6,000 per year

Mike Walsh will be in attendance at the January 2<sup>nd</sup> Town Council meeting to address any questions. So, in closing, I respectfully request the Council's approval to convey the parcel known as 67 Woodbridge Avenue to Habitat for Humanity.

Please place on the Town Council agenda for the January 2, 2019 Town Council meeting.

Thank you.

# U.S. DOT and NHTSA Kick Off 5th Annual U Drive. U Text. U Pay. Campaign

April is National Distracted Driving Awareness Month

Share:    

April 5, 2018 | Washington, DC

The U.S. Department of Transportation's (USDOT) National Highway Traffic Safety Administration (NHTSA) is kicking off National Distracted Driving Awareness Month today. NHTSA is mobilizing law enforcement officers nationwide to look out for drivers texting or using their phone behind the wheel. The 'U Drive. U Text. U Pay.' high-visibility enforcement campaign, now in its fifth year, is supported by a \$5 million national media buy. The ads are in both English and Spanish, and will appear on television, radio, and digital platforms targeting motorists aged 18 to 34 – those who, data shows, are most likely to die in distraction-affected crashes.

"Cell phones have a place in our lives, but not while driving," said **NHTSA Deputy Administrator Heidi King**. "Everyone should understand the very real dangers of texting while driving. Taking your eyes off the road for a moment is all it takes to cause a crash and change lives forever. Remember, no text or call is worth a life."

In 2016, new NHTSA data shows that at least 3,450 people were killed in motor vehicle crashes involving distracted drivers, including those who were texting and driving. Key statistical findings in NHTSA's new [2016 Distracted Driving Research Note](#) and [Teen Distracted Driver Fact Sheet](#) include:

- Nine percent of fatal crashes in 2016 were reported as distraction-affected crashes.
- Six percent of all drivers involved in fatal crashes were reported as distracted at the time of the crash.
- Nine percent of drivers 15 to 19 years old involved in fatal crashes were reported as distracted. This age group has the largest proportion of drivers who were distracted at the times of the fatal crashes.
- In 2016, there were 562 non-occupants (pedestrians, bicyclists, and others) killed in distraction-affected crashes.
- In 2016, 70 percent of the distracted drivers in fatal crashes were male, as compared to 74 percent of drivers in all fatal crashes.
- Hand-held cell phone use while driving is highest among 15- to 29-year-old drivers.
- Female drivers with a cell phone have been more likely to be involved in fatal distracted-driving crashes as compared to male drivers every year since 2012.

To prevent tragedies due to distracted driving, motorists are urged to:

- Turn off electronic devices and put them out of reach before starting to drive.
- Be good role models for young drivers and set a good example. Talk with your teens about responsible driving.
- Speak up when you are a passenger and your driver uses an electronic device while driving. Offer to make the call for the driver, so his or her full attention stays on the driving task.
- Always wear your seat belt. Seat belts are the best defense against unsafe drivers.

All pedestrians and bicyclists should focus on their surroundings and not on their electronic devices.

Currently, 47 states, DC, Puerto Rico, Guam, and the U.S. Virgin Islands ban text messaging for all drivers. All but four have primary enforcement laws - an officer may cite a driver for using a hand-held cell phone without any other traffic offense taking place and be given a fine. Fifteen states, DC, Puerto Rico, Guam, and the U.S. Virgin

Islands prohibit all drivers from using hand-held cell phones while driving. Important to note: 38 states and DC ban all cell phone use by novice drivers, and 20 states and DC prohibit it for school bus drivers.
