AMENDMENTS TO THE AGENDA

RECOGNITIONS AND AWARDS

OPPORTUNITY FOR RESIDENTS TO ADDRESS THE COUNCIL ON AGENDA ITEMS.

<u>Daniel Moura</u>, President of the Holy Ghost Portuguese Society, spoke in support of approval of the Amusement Permit requests brought to the Council by his organization. He noted that a new administration has taken over the Society and is working to be more collaborative with the town and the neighborhood. The Society will be taking many steps to ensure that the two amusements will be conducted in a way that is respectful of the neighboring community.

<u>Holly Reed</u>, 93 Michael Avenue, expressed concern over the safety of children with regards to the at-grade crossing located between Veteran's Terrace and McAuliffe Park. Mayor Martin explained that the crossing is being built to safety specifications by the railroad company and has been approved by the Connecticut Department of Transportation.

<u>JoAnn Bittner</u>, 23 Rowland Drive, resides in a home abutting the property owned by the Holy Ghost Society. The resident is concerned that the Society's social activities and proposed amusements are detrimental to the solitude of the neighborhood. The resident requested that the organization provide to the neighboring property owners information regarding upcoming events and developments more proactively.

<u>Sandy Ferrante</u>, 15 Rowland Drive, voiced concern over the noise from the Holy Ghost Society's construction vehicles that are being used to restore portions of the property per a town cease and desist order as a result of the previous Society administration creating a race track on the property without permits.

OPPORTUNITY FOR COUNCILLORS TO DIRECT QUESTIONS TO THE ADMINISTRATION

<u>Councillor Morrison</u> requested an update on the Concourse Park project (936 Silver Lane). The Mayor anticipates having an update shared with the Council by the end of April, which is the deadline currently in place for the Town to transfer the property over to Jasko Development.

<u>Councillor Bell</u> asked if there have been any changes to the timeline for the planned refurbishing of the Town's outdoor basketball courts due to recent rain. *Mayor Martin said that no significant delays have occurred and anticipates the project to be completed in the coming weeks.*

<u>Councillor Simpson</u> asked for an update on the demolition of McCartin School. *The Mayor stated that additional funding is required to complete the work as planned. A request for*

bonding support from CRDA is being created that will include demolition of the building as well as installation of infrastructure that would support future residential development.

<u>Councillor Tsegai</u> proposed new nets and fresh line striping to the basketball courts that are not a part of the ongoing project.

Councillor Bell asked for an update on the relocation of the remaining tenants of Silver Lane Plaza. Four tenants are in those buildings and the Town has moved forward with the eviction process of each. A trial date has been set with one of the tenants and the remaining three are still to be scheduled. The goal is to mediate relocations without going to trial.

SUBJECT: Referral to Council – CDBG-CV (Coronavirus) Reprogramming

DATE: April 26, 2024

Attached is a draft Town Council resolution requesting the reprogramming of \$161,046 in the 46th Program Year Community Development Block Grant Coronavirus (CDBG-CV) funds. This resolution will establish three new activities: Senior Services account, Friendship Center account and Parks Improvements account. This reallocates unused funds from previous activities such as North End COVID Center, Townwide and Targeted Communication, and Interval House (see attached). All activities funded with CDBG-CV funds must prevent, prepare for and/or respond to the coronavirus (COVID-19).

At the Town Council meeting held on January 19, 2021, the Council approved the Town's plan for the expenditure of \$766,793 in CDBG-CV funds. Per the Town's CDBG citizen participation plan, a substantial amendment is required to use the funds for other activities (reprogramming of funds).

The resolution would reprogram CDBG-CV funds in the amount of \$161,046 to establish the following three new activities that prevent, prepare for and/or respond to the coronavirus (COVID-19):

- A Senior Services account of \$3,000 for the delivery of services to East Hartford's elderly population.
- A Friendship Center account of \$15,000 to be used to supplement the operating budget of the Friendship Center's free hot meal program.
- A Parks Improvements account of \$143,046 to be used improvements to parks in low to moderate income areas.

The legal notice (see attached) announcing the Town's intent to reprogram these funds was published in The Hartford Courant on March 26, 2024. The citizen comment period ended April 19, 2024. No comments were received.

I respectfully request that this item be placed on the Town Council agenda for their meeting to be held on May 7, 2024. Please contact me at extension 7206 if you have any questions.

These formula (noncompetitive) funds can be used to implement strategies to reduce energy use and/or fossil fuel emissions, and to improve energy efficiency. Current plans are to use these funds to help defray the cost of the purchase and installation of a new HVAC system at the Veterans Memorial Clubhouse.

I respectfully request that this item be placed on the Town Council agenda for their meeting to be held on May 7, 2024. Please contact me at extension 7206 if you have any questions.

What You Need to Know About the Energy Efficiency and Conservation Block Grant

Infrastructure

Sustainability & Resilience

Skip to Content

hile the Energy Efficiency and Conservation Block
Grant (EECBG) is just one of many <u>climate-related</u>
programs funded through the bipartisan Infrastructure
Investment and Jobs Act (IIJA), it is the only program that will go
directly to some cities, towns and villages by the formula for sustainability,
climate and community resilience projects. The EECBG program is one of
NLC's key advocacy wins in the infrastructure bill, and it presents a great

opportunity to advance energy efficiency, energy conservation and

renewable energy projects in communities.

With a grant from EECBG, the community of Ocean View, Delaware, installed a carport-mounted solar array that is saving taxpayers money on town utility bills. |

The <u>EECBG</u> was enacted in 2007 and funded just once previously – in 2009 through the American Recovery and Reinvestment Act. With this <u>previous funding</u>, cities, towns and villages invested in energy-efficient retrofits and municipal buildings, updated building codes, adopted renewable energy technologies, created incentives for residents to use transportation alternatives and implemented energy-saving campaigns.

In order to meet our national carbon emissions reduction goals necessary to mitigate the effects of climate change, local governments across the country must aggressively improve energy efficiency, increase energy conservation and deploy renewable energy systems. The EECBG provides

Skip to Content

much-needed federal funding to increase and expand state and local efforts to achieve these goals.

With the \$550 million provided through IIJA, cities, towns and villages can develop comprehensive energy plans and jump-start or enhance energy efficiency programs in their communities. Improving energy efficiency and investing in renewable energy makes good economic sense for residents, businesses and communities—which is more important than ever as America's cities are experiencing the fiscal consequences of the coronavirus pandemic.

The infrastructure bill did not change the underlining EECBG program except to add a new eligible activity. Based on that, here is what local officials need to know about the Energy, Efficiency and Conservation Block Grant.

How Will the Funds be Distributed?

The \$550 million will be allocated to units of governments as follows:

- 68 percent of the funds will be set aside for grant awards to cities and counties;
- 28 percent of the funds will be awarded to states;
- 2 percent will be set aside for Indian tribes; and
- 2 percent will be set aside for competitive grants to local governments that are not eligible based on population or to a consortium of local governments.

What are the Eligibility Requirements for the EECBG?

State and local governments may use grant funding to conduct programs and activities such as:

- Cities, towns and villages with a population of at least 35,000 are eligible to apply to and receive grants directly from the U.S.
 Department of Energy (DOE).
- At a minimum, the ten largest cities in each state, including Puerto Rico, regardless of population, are eligible to apply to and receive grants directly from DOE.
- Cities, towns and villages with a population less than 35,000 or those that are not one of the ten most populous cities in the state can apply for EECBG funds through their state. The law requires each state to pass through at least 60 percent of the total EECBG funding it receives to cities and counties that do not receive funding directly from DOE.

What are Eligible Activities under the EECBG?

State and local governments may use grant funding to conduct programs and activities, such as:

- Developing and implementing an energy efficiency and conservation strategy;
- Conducting residential and commercial building energy audits;
- Establishing financial incentive programs for energy efficiency improvements;
- Developing and implementing energy efficiency and conservation programs for buildings and facilities;
- Developing and implementing programs to conserve energy used in transportation (e.g. flex time for employees; satellite work centers; zoning guidelines or requirements that promote energy efficient development; infrastructure, such as bike lanes, pathways and pedestrian walkways; and synchronized of traffic signals);

Skip to Content

- Developing and implementing building codes and inspection services to promote building energy efficiency;
- Developing and implementing programs to increase participation and efficiency rates for recycling programs;
- Replacing traffic signals and street lighting with energy efficient lighting technologies;
- Purchasing and implementing technologies to reduce and capture methane and other greenhouse gases generated by landfills or similar sources;
- Developing, implementing and installing on or in any government building onsite renewable energy technology that generates electricity from renewable resources, such as solar and wind energy, fuel cells and biomass; and
- Financing energy efficiency, renewable energy and zero-emission transportation (and associated infrastructure), capital investments, projects and programs for leveraging of additional public and private sector funds.

MEMORANDUM

TO: Mayor Connor S. Martin

FROM: Laurence Burnsed, Director of Health & Human Services

SUBJECT: Gentle Love Diaper Pantry Support with ARPA Funding

DATE: March 22, 2024

On March 6, the Chief Operating Officer of Gentle Love Diaper Pantry, a local non-profit organization that supplies diapers and baby wipes to two of the East Hartford food pantry sites, reached out to the Department of Health & Human Services requesting financial support to sustain our partnership through fiscal year 2025. Gentle Love Diaper Pantry has provided diapers and other supplies to St. Mary's and St. Rose food pantry sites since October 2022. Our monthly demand for supplies has recently increased from serving 75 to 144 families per month in need of assistance. Gentle Love has also just received notice from their supplier that in-kind donations of supplies will be drastically reduced due to a significant increase in demand of diaper assistance nationally.

The Department of Health & Human Services propose the use of American Recovery Plan Act (ARPA) funds that were originally allocated for department operations to support the increased demand of diapers and associated supplies during fiscal year 2025 as we continue to search for additional donations and grants. Gentle Love has requested \$12,750 to support 75 children through FY25; \$11,250 for supplies and \$1,500 for administrative costs (inventory management, storage, delivery, reporting, etc.). The \$11,250 amount was calculated by taking the average cost per a diaper (\$0.25), multiplying that by the number of diapers per a month (50), multiplying that by the number of months in a year (12) and the number of children supported (75). Gentle Love has committed \$15,000 in grant funds and to supplying the half of the expected costs to support our East Hartford sites.

This limited allocation to support an essential basic needs supply for families served by our food pantry sites will not impact our ongoing public health response program activities through FY25.

Sarah Kline Morgan, Library Director

SUBJECT:

ARPA funding support for library service expansions

DATE:

March 25, 2024

The library has launched two major pandemic-era service expansions in response to community need: summer enrichment and digital navigation.

Summer enrichment

The library's summer enrichment program began in summer 2021 as a partnership with Parks & Recreation, Youth Services, and the East Hartford Public Schools. The program, in its fourth year, provides high quality and engaging academic enrichment programs held during morning hours at the library and at the parks sites to complement the traditional Parks & Recreation outdoor camp experience. We also offer afternoon enrichment programs for East Hartford Public Schools Thrive (after school program) participants.

Our current ARPA allocation will fund the program at a baseline through summer 2024. This baseline funding is complemented by external funding sources (for example, the Connecticute State Department of Education funds additional outreach for teen camp) and in-kind support by community partners.

We propose to utilize \$75,000 in a new ARPA allocation to continue the program through 2026. We will continue to seek external funds and to pursue partnerships to offer the best, most effective program to support East Hartford children in their recovery from pandemic-related learning loss.

Digital inclusion/tech support staffing

The library's digital navigator program was launched in 2021 as a pilot program funded by a competitive grant from the Connecticut State Library. Digital navigators help residents get connected with home internet, find access to an affordable and appropriate device, and provide personalized digital skills training. Since September 2022, the program staffing has been supported through local ARPA dollars (FT supervisor) and the library's operating budget (PT navigators).

Our digital inclusion manager, a professional-level supervisory position located at the Wickham Memorial Library, is currently funded by ARPA through the end of FY24.

With the expansion of technology-related programming comes additional tech support needs. Our half-time technology librarian, currently funded in part by ARPA, provides the necessary oversight and support to maintain our digital navigation program and other technology services for residents. Her position is funded through the end of FY24 through a combination of general fund dollars and the existing ARPA allocation, and will continue to be covered partially by the general fund in FY25 in the budget as adopted.

We propose to fund both positions through new ARPA allocations to cover two more years (through June 2026):

Digital Inclusion Manager: \$180,000 (salary and benefits) Part-time Technology Librarian: \$70,000 (partial salary)

Digital connectivity is essential to pandemic recovery: it provides benefits for economic mobility, public health, civic engagement, and social connection. We are eager to continue supporting East Hartford's households with digital inclusion programming.

RE: Referral to Town Council: Request to Approve Agreement Between the Town of East Hartford

and End Hunger CT! for the CT Fresh Match and True Match Grant Programs

I am respectfully requesting the Town Council to approve the Town of East Hartford to enter into an agreement with End Hunger CT! (EHC!) to enroll our farmers' market into the CT Fresh Match and True Match grant programs.

The Department of Health & Human Services was informed by EHC! on April 25 that the **East Hartford Farmers' Market** is again *eligible* for both their **CT Fresh Match** and **CT True Match** programs. This would be our second year participating in the match program, if approved. CT Fresh Match is a program of EHC! that offers monetary incentive to double purchases of fresh fruits and vegetables for farmers' market customers paying with Supplemental Nutrition Assistance Program (SNAP) benefits from vendors at participating farm-to-retail venues. The True Match program SNAP incentive allows farmers' market outlets to double SNAP purchases of all SNAP-eligible items, not just produce. These programs are funded through the CT Department of Agriculture through ARPA funds.

Our farmers' market operates annually from July through October. Farmers' markets are a great source of fresh fruits, vegetables, and other foods for our residents. The EH farmers' market received approval to serve as a SNAP retailer last year. Enrolling in both programs will help improve access to fresh produce and other SNAP approved foods for low-income residents by doubling benefits dollars for eligible farmers' market purchases. Both contracts have been reviewed by our Corporation Counsel.

CT Fresh Match Partner Contract & MOU

2024 Season

May 1, 2024 - April 30, 2025

Produce Matching

End Hunger CT! 2023-26 GusNIP Project

Please read the following Agreement in its entirety and fill in ALL yellow highlighted regions. Digital signatures are acceptable.

GusNIP Program Firm Agreement

Year 1: Valid May 1, 2024 through April 30, 2025 End Hunger Connecticut! ("EHC!"), a Connecticut non-profit corporation, is pleased to accept Town of East Hartford Farmers' Market

as a "Program Firm (or Firm)" partner under Farm Fresh Rhode Island's **Gus Schumacher Nutrition Incentive Program** ("GusNIP" formerly known as "FINI") Grant Program award for year two of this three-year project, for which EHC! is a regional subawardee.

Per this agreement, EHC! will grant reimbursement funds to the above Program Firm to support the implementation of "CT Fresh Match," a program of EHC! that offers monetary incentive to double purchases of fresh fruits and vegetables – for customers paying with Supplemental Nutrition Assistance Program (SNAP) benefits – from vendors at participating farm-to-retail venues. The Program Firm enters/continues this partnership with EHC! to build capacity and test innovative strategies for healthy food incentives at direct-to-consumer markets. All Program Firms join CT Fresh Match as a statewide group of nutrition incentive program operators, working collaboratively to make fresh fruits and vegetables more accessible and affordable for SNAP households.

NOTE: This agreement applies to CT Fresh Match produce matching ONLY and not EHC!'s True Match non-produce matching program. Markets can participate in both programs, but True Match entails a separate contract and tracking processes and is NOT funded by GusNIP. Contact <a href="matching-mat

TERMS AND CONDITIONS

EHC! outlines the following terms and conditions applicable to all Program Firms, established and required by EHC! in accordance with Farm Fresh Rhode Island for the GusNIP Grant Program project:

- Partnership Compliance & Communication: Program Firms will participate in all aspects of and comply with all program standards, guidelines, and requirements developed by EHC! (in addition to this agreement, these may be provided to Program Firms from time to time during the term of this grant and/or partnership). Program Firms are also responsible for checking the email account(s) provided to EHC! as main point of contact(s) and responding accordingly, as important partnership information and updates are regularly relayed throughout the year. Failure to comply with these terms may result in delayed/no reimbursement(s) or, in extreme cases, partnership termination at the discretion of EHC!.
- **CT Fresh Match Usage:** CT Fresh Match incentives must be granted only for eligible market products (fresh fruits and vegetables only) unless otherwise approved by EHC!. If a question arises regarding whether a product should count under the CT Fresh Match program per this contract, it should be brought to EHC!'s attention immediately for a

decision, and *before* a matched sale is made. Vendors who wrongfully match purchase(s) for an inappropriate product under this contract will not be reimbursed for the purchase(s). *Note again that the True Match feature of this program, which allows doubling of eligible non-produce items, is NOT included in this contract and is a separate agreement.*

- **Training:** EHC! requires that all Program Firms participate in trainings related to CT Fresh Match administration and data-tracking. Program Firms will receive additional training/support if:
 - 1. the Program Firm requests it;
 - 2. new Program Firm staff members need training; and/or
 - 3. EHC! feels that the Program Firm is not upholding correct practices and/or feels additional training/support is necessary.
- **Record Keeping and Data-Tracking**: EHC! requires that all Program Firms use the FM Tracks 2.0 application, or another platform under EHC!/FFRI's discretion if requirements should change, to record all data requested. Program Firms can keep their own recording methods, but EHC! will NOT accept them for invoicing. EHC! will use reports from FM Tracks 2.0 on/near the 15th of every month and only use data from that report for invoicing. Data entered in FM Tracks 2.0 by Program Firms after the 15th will not be reimbursed until the next month's invoicing unless otherwise noted by EHC!. If the payment schedule changes, EHC! will alert Program Firms and that schedule will override that in this agreement. Properly reported data is crucial, as EHC! is required to collect this data for USDA grant compliance and project evaluation. All data fields must be entered into FM Tracks 2.0 properly and on time for Program Firms to be reimbursed. *A list of fields that must be entered into FM Tracks 2.0 is provided in Attachment A.*
- Incentive Dollars: At the start of the season, EHC! will communicate with Program Firms and use last season's actual GusNIP incentive spending and/or SNAP sales (where available) to estimate an incentive spending for the new season for each Program Firm. As Program Firms are reimbursed for incentives as reported per month, this estimate is subject to change throughout the season. Program Firms agree to alert EHC! when they are *nearing* their allotment and EHC! will determine at that time if there are additional funds available to increase the Program Firm's season total. Additionally, EHC! does not require Program Firms to place spending caps on SNAP purchases as of the date of this agreement (but this may be subject to change as new Program Firms join the program); Program Firms can choose to set a cap at their own discretion. EHC! might also make this recommendation for Program Firms that are nearing their season allotment and it has been determined there will not be additional funds available to them. All Program Firms understand that all available and/or additional incentive funds are distributed to Program Firms on a first-come, first-served basis and overages of incentives that are not pre-approved by EHC! may not be funded.
- Communications, marketing, & outreach: EHC! will provide Program Firms with appropriate logos and language to be used in media and communications when discussing/including CT Fresh Match as needed. EHC! may also highlight the Program Firm on social media/newsletters/other communications to promote the partnership and to promote general market operations. Program Firms will share electronic files of any program materials, such as flyers, posters, incentive program alternative currency,

training documents, etc. with EHC! that were created as part of the GusNIP project.

Program Firms must include the EHC! and CT Fresh Match logos on any materials they develop, as well as the following funding credit statement: "SNAP-doubling funded by End Hunger Connecticut!'s CT Fresh Match Program." Logos are provided in Attachment B. EHC! will provide a branding guide to all Program Firms later.

• **Legality:** Each party is responsible for its negligent acts or omissions and that of its employees, officers, or directors, to the extent allowed by law. Nothing in this agreement shall be deemed to create a legal partnership, agency, joint venture, or any other type of relationship in which one party is responsible for the actions of the other.

Town of East Hartford Famers' Market (name of market network/name)

a participating Program Firm with End Hunger Connecticut! (EHC!) under Farm Fresh Rhode Island's **Gus Schumacher Nutrition Incentive Program** ("GusNIP") Grant Program award for year one of this three-year project.

My signature below confirms the following for the 2024 Market Season:

- I understand that GusNIP funds for SNAP incentives may only be used to incentivize produce. I have spoken directly with every vendor who sells at my Firm and clearly explained the parameters of the GusNIP funding:
 - Vendors that sell fruits and/or vegetables understand that they can accept incentive dollars funded through GusNIP for fruits/vegetables.
 - Vendors that sell other products (not fruits and/or vegetables) understand that they cannot accept incentive dollars funded through GusNIP for nonfruits/non-vegetables. (Vendors that sell a combination of products can accept GusNIP incentive dollars for fruits/vegetables only.)
 - o I understand EHC!'s True Match non-produce matching program is separate from GusNIP and requires a separate process from this contract.
- I certify GusNIP funds provided to my Firm will be used appropriately according to the policies associated with this federal grant, and that my Firm is compliant with all relevant state and municipal regulations.
- I certify GusNIP funds provided to my Firm will **not** be used for the purposes of lobbying, carrying out of propaganda, or otherwise attempting to influence legislation.
- I have communicated what is required to run as a CT Fresh Match Program Firm to appropriate staff/volunteer members to ensure standards are upheld and will do so for new members as needed.
- I understand that I can request additional matching funds from EHC! before I exceed my initial allotment. If I exceed my allotment and there are no additional funds available through EHC!, I understand that those purchases cannot be doubled by EHC!.
- I understand the consequence of delayed/no reimbursement and possible partnership termination upon failure to comply with the items outlined in this agreement.
- I understand that GusNIP is a federal grant program and my Firm cannot start doubling until this contract and MOU are properly filed with EHC!.
- I have read, understood, and will uphold all provisions in this agreement.

B. *Incentives offered at firm:* customers of the Firm who participate in the federal Supplemental Nutrition Assistance Program (SNAP) will be eligible to use SNAP to purchase qualifying produce products for every \$1 spent, will receive an incentive of \$1 to spend on additional produce products.

C. *Data collection:* the Firm will provide the Subgrantee and Grantee with all incentive transaction-related data necessary for a robust evaluation of the GusNIP grant project with the mutual understanding that this data will be furnished to USDA NIFA, FNS, and GusNIP evaluators. These data include:

Site and Project Information

- Management or organizational structure of the program
- Financial instrument used for SNAP and incentive purchases (tokens, scrip, electronic, etc.)
- Retail locations, mobile routes, or other pertinent information to understand how the project improves access to healthy food for underserved, low-income consumers
- Months of operation and operating days and hours
- Whether it is a new SNAP incentive program or the continuation, expansion, or modification of an existing program
- Whether program sites accept other nutrition assistance program benefits
- Whether program sites collaborate with nutrition education programs or offer other experiential nutrition education activities

• Expenses associated with establishment and operations of the program

Incentive Program Information

- Fruit and vegetable products eligible for incentives
- Incentive level (ratio and maximum)
- Incentive delivery mechanism
- Dollar value of SNAP purchases (per site/per year)
- Number of SNAP transactions (per site/per year)
- Dollar value of incentives issued (per site/per year)
- Dollar value of incentives redeemed (per site/per year)
- Average incentive value redeemed per recipient (weekly/monthly/annually)

E. *Firm Regulations*: the Firm will follow all relevant GusNIP and SNAP rules including, but not limited to, the following:

- The Firm will only accept incentives for GusNIP qualifying fruits or vegetables;
- The Firm will never accept incentives for ineligible products (i.e., non-food, alcohol, tobacco, or hot food products);
- The Firm will never exchange incentives for cash (i.e., trafficking);
- The Firm will never provide cash or SNAP EBT change for incentives;
- The Firm will never provide cash or SNAP EBT refunds for incentives;
- The Firm will never accept incentives from individuals known not to be legally entitled to possess incentives;
- The Firm will never accept incentives to pay credit accounts; and,
- The Firm will never knowingly provide false information of a substantive nature regarding their participation in the grant project.

The Firm acknowledges that failure to abide by GusNIP and SNAP rules, at any firm location, may result in SNAP disqualification, civil money penalties, and/or criminal penalties.

- F. *Grantee Regulations*: The Grantee acknowledges that failure of the Grantee to abide by GusNIP grant program rules may result in rescission, in whole or in part, of grant funds.
- G. Grantee and Sub-Grantee Responsibility for Firm: The Grantee and Sub-Grantee acknowledge that they are responsible for overseeing Firms participating in their grant project to ensure that SNAP and GusNIP rules are followed; and that they will be held responsible for instances of noncompliance that occur at any of their participating Firms.

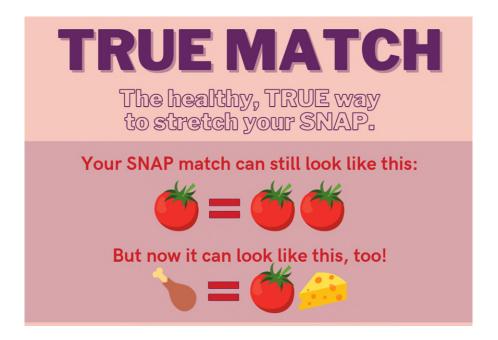

The Grantee, the Sub-Grantee and the Firm hereby acknowledge the above regulations and agreements and commit to uphold them throughout the duration of the GusNIP grant program, or until this agreement is superseded by a future memorandum of understanding to ensure continued compliance with USDA FNS guidelines.

CT True Match Partner Contract & MOU

2024 Season

May 1, 2024 - April 30, 2025

Non-Produce Matching
End Hunger CT! 2022-25 DoAG ARPA Project

Please read the following Agreement in its entirety and fill in ALL yellow highlighted regions. Digital signatures are acceptable.

Connecticut True Match Firm Agreement

Year 2: Valid May 1, 2024 through April 30, 2025

End Hunger Connecticut! ("EHC!"), a Connecticut non-profit corporation, is pleased to accept

Town of East Hartford, East Hartford Farmers' Market

(name of market network/name)

as a "Program Firm (or Firm)" partner under EHC!'s True Match SNAP-Doubling Project funded by the CT Department of Agriculture (DOAG) via American Rescue Plan Act (ARPA) funds for year three of this four-year project.

Overview

True Match is a Supplemental Nutrition Assistance Program (SNAP) incentive that allows farmers' market Firms to double SNAP purchases of all SNAP-eligible items, not just produce. It is an expansion feature of CT Fresh Match, a program of End Hunger Connecticut! (EHC!). True Match is funded through CT DOAG through ARPA funds.

TERMS AND CONDITIONS

EHC! outlines the following terms and conditions applicable to all Program Firms, established and required by EHC!'s DoAG ARPA SNAP-doubling project:

• Eligibility: CT True Match allows for the doubling of benefits on any SNAP eligible items. Because EHC! operates produce matching through a separate grant, only non-produce will be reimbursed and tracked through CT True Match unless otherwise noted by EHC!. Any inquiries about which items are eligible can be answered by contacting EHC! or via the USDA Website: https://www.fns.usda.gov/snap/eligible-food-items. Items that are eligible for True Match include: meat, poultry, fish, dairy products, breads, cereals, snack foods, non-alcoholic beverages, and seeds/plants which produce food for the household to eat. Markets will NOT receive reimbursement for any non-qualifying items. NOTE: This agreement applies to CT True Match non-produce matching ONLY and not EHC!'s CT Fresh Match program (produce matching). Produce matching is funded through End Hunger CT!'s GusNIP award, which requires a separate contract and data tracking. Markets can participate in both programs. Contact <a href="matching-matching-nethon-nethod-n

- Record Keeping and Data Tracking: Unless otherwise noted, True Match transactions will be tracked in EHC!'s proprietary True Match database system. This system will store market profiles where you will enter "Daily sales and data" following every market day. The transactions can be done individually or batched per vendor. Each transaction entry will require the entry of the vendor's name, payment method, total snap purchase amount, "non-produce" selection, incentive redeemed, distributed incentive, and the date of the market. These transactions will be submitted and recorded on the respective transaction log after every market day. Each market profile can be managed to add vendors and other key market information. It is required that markets keep their profiles up to date or notify EHC! immediately if a change needs to be made to any vital market information. Training materials will be provided to markets on how to use the True Match Data system. Additional support can be requested by contacting EHC!.
- **Partnership Compliance & Communication:** Program Firms will participate in all aspects of and comply with all program standards, guidelines, and requirements developed by EHC!. Program Firms are responsible for checking the email account(s) provided to EHC! as main point of contact(s) and responding accordingly, as important partnership information and updates are regularly relayed throughout the year. Failure to comply with these terms may result in delayed/no reimbursement(s) or, in extreme cases, partnership termination at the discretion of EHC!.
- **CT True Match Usage:** CT True Match incentives must be granted for eligible market products, and *non-produce matching only*. If a question arises regarding whether a product should count under this contract, it should be brought to EHC!'s attention immediately for a decision, and *before* a matched sale is made. Vendors who wrongfully match purchase(s) for an inappropriate product under this contract will not be reimbursed for the purchase(s).
- **Training:** EHC! requires that all Program Firms participate in administration and data-tracking. Program Firms will receive additional training if:
 - 1. The Program Firm requests it;
 - 2. New Program Firm staff members need training; and/or
 - 3. EHC! feels that the Program Firm is not upholding correct practices and/or feels additional training/support is necessary.
- Incentive Dollars: At the start of the season, EHC! will communicate with Program Firms and use last season's actual incentive spending and/or SNAP sales (where available) to estimate an incentive spending for the new season for each Firm. Since Program Firms are reimbursed for incentives as reported per month, this estimate is subject to change throughout the season. Program Firms will alert EHC! when they are *nearing* their allotment and EHC! will determine at that time if there are additional funds available to increase the Firm's season total. Additionally, EHC! does not require Program Firms to put a spending cap on SNAP purchases; Program Firms can choose to do so at their own discretion. EHC! might also make this recommendation for Firms that are nearing their season allotment and it has been determined there will not be additional funds available to them. EHC! reserves the right to instill a spending cap to any market if needed. All Program Firms understand that any and all available and/or additional incentive funds are distributed to Firms on a first-come, first-served basis. *Note: Produce matching is acceptable under this grant if you are not part of our GusNIP project and/or if it is*

impossible to break apart a produce+non-produce transaction. It must be noted in the True Match data platform when tracked.

- Communications, marketing, & outreach: EHC! will provide Program Firms with appropriate logos and language to be used in media and communications when including CT True Match as needed. EHC! may also highlight the Program Firm on social media/newsletters/other communications to promote the partnership and to promote general market operations. Program Firms must include the EHC! and CT Fresh Match logos on any materials they develop, as well as the following funding credit statement: "SNAP-doubling funded by End Hunger Connecticut!'s CT Fresh Match & True Match Program." EHC! will provide a branding guide to all Program Firms.
- **Legality:** Each party is responsible for its negligent acts or omissions and that of its employees, officers, or directors, to the extent allowed by law. Nothing in this agreement shall be deemed to create a legal partnership, agency, joint venture, or any other type of relationship in which one party is responsible for the actions of the other.

True Match Firm Acknowledgement

(name of market network/name)

a participating Program Firm with End Hunger Connecticut! (EHC!) under the Connecticut Department of Agriculture award for year three of this project.

My signature below confirms the following for the 2024 Market Season:

• I understand that Connecticut Department of Agriculture grant funds for SNAP incentives may only be used to incentivize SNAP-eligible products other than fruits and vegetables. I have spoken directly with every vendor who sells at my Firm and clearly explained the parameters of the program.

- I certify Connecticut Department of Agriculture funds provided to my Firm will be used appropriately according to the policies associated with this state grant, and that my Firm is compliant with all relevant state and municipal regulations.
- I understand that True Match (this contract) and Fresh Match (produce matching through EHC! GusNIP grant) require separate contracts and data tracking and will uphold the proper protocols required.
- I certify Connecticut Department of Agriculture funds provided to my Firm will **not** be used for the purposes of lobbying, carrying out of propaganda, or otherwise attempting to influence legislation.
- I have communicated what is required to run as a CT True Match Program Firm to appropriate staff/volunteer members to ensure standards are upheld and will do so for new members as needed.
- I understand that I can ask EHC! at any point in the season if there are additional matching funds available, with ample time before I exceed my initial allotment. If I exceed my allotment and there are no additional funds available through EHC!, I understand that those purchases cannot be doubled by EHC!.
- I understand the consequence of delayed/no reimbursement and possible partnership termination upon failure to comply with the items outlined in this agreement.
- I have read, understood, and will uphold all provisions in this agreement.

OLD BUSINESS

<u>Proposed Revision to Job Description and Pay Grade for Position of Assistant Director of</u> Parks and Recreation

Director Harris stated that during the organizational restructuring of the current administration, the position of Director of Parks and Recreation was eliminated and a list of general responsibilities have been absorbed by the Assistant Director, thus requiring an updated job description that accounts for the additional duties. With the restructure, the role will report to the Director of Health and Social Services and upon review of comparable markets, the Administration has recommended an increase in paygrade from grade 108 (\$83,582-\$98,330 for FY2023-24) to a grade 112 (\$101,595-119,525). This will align the position with other Deputy Directors in Town that are part of the Supervisors AFSCME #818 Union, including the Assistant Finance Director, Deputy Director of Health and Human Services, and Deputy Development Director.

Director Harris confirmed that with the removal of the Director of Parks and Recreation position, the Town's annual budget can accommodate the pay increase.

Re: Assistant Director of Parks and Recreation

Dear Mr. Martin:

Please see the attached job description for the Assistant Director of Parks and Recreation in the Health and Social Services division. We've taken functions from the Director of Parks and Recreation and included them in the new functions of the Assistant Director of Parks and Recreation.

Our Assistant Director of Parks and Recreation, Director of Health and Human Services, and I have reviewed the job description and salary band from surrounding town departments and suggested a grade change and updates to the current job description based on the needs of Parks and Recreation. I've highlighted our changes below.

POSITION DEFINITION:

Under the general supervision of the Director of Health and Social Services, provides administrative and professional supervision in the implementation of a variety of parks and recreation services, including recreation programs, special events, park projects, golf course programs, building and property administration, and construction projects.

ESSENTIAL JOB FUNCTIONS:

- Develops fee schedules and projects revenues for budget-making.
- Oversees work activities and implements controls to ensure cost-effective attainment of goals.
- Develops near and long-range planning for programs.
- Oversees analysis of computer equipment, software, and applications for increasing automation of Department processes, operating systems, and record-keeping.
- Plans and implements technological advances as so determined.
- Oversees the preparation of brochures, news releases, and other public relations materials
- Plans, coordinates, and implements year-round seasonal programs, especially in camps, playgrounds, gymnasium activities, fitness programs, special events, and sports leagues.

ADDITIONAL JOB FUNCTIONS:

- Represents the Department in public meetings.
- Participates in the selection of consulting services for Department projects.
- Coordinates activities with public and private cultural and recreational organizations.

- Speaks to individuals and groups to develop an interest in recreation and promote department activities.
- Actively participates in professional parks and recreation organizations to remain current on developments in the field.

JOB QUALIFICATIONS AND LICENSING REQUIREMENTS:

- Four years of progressively responsible experience in municipal or group recreation work, including at least two years in a supervisory role.
- Credentialing as a Certified Leisure Professional is preferred

The job description for the Assistant Director of Parks and Recreation has not been updated since 2001, and the role has evolved.

I have created the attached description based on the responsibilities.

Therefore, I recommend that this position be referred to the Town Council for consideration.

Tyron V. Harris

Re:

Outdoor Amusement Permit Application

"Annual Car Show"

Dear Chairman Kehoe:

Attached please find the amusement permit application by the East Hartford Parks and Recreation Department by Sean Dwyer, Assistant Director. The applicant seeks to conduct a car show for viewing with awards and musical entertainment provided by a DJ. The Car Show will take place at Sunset Ridge Middle School, 450 Forbes Street on Saturday, July 13, 2024 from 1:00pm to 4:00pm with a rain date of Sunday, July 14, 2024.

Pursuant to Town Ordinance (TO) 5-3, a review of the application was completed by the Directors of the Fire, Health, Parks & Recreation, Public Works Departments and the Offices of the Corporation Counsel and Finance.

The Risk Management Department approves the application as submitted with the understanding that Connecticut Street Legends incorporates language in their car registration forms releasing the Town of East Hartford, and/or any sponsors and organizers of any responsibility for all loss, costs, damages, injuries, judgements, and/or claims from any cause whatsoever while attending and participating in the Car Show.

The Office of Corporation Counsel approves the application as submitted.

The Fire Department approves the application as submitted and indicates there are no anticipated costs to their Department. The Fire Marshal would need to do inspection of any food trucks present.

The Health Department approves the application as submitted and states it is unknown if there will be any anticipated costs to their Department.

The Parks & Recreation and Public Works Departments approve the application as submitted and state there are no anticipated costs to their Departments.

The Police Department conducted a review of the application and the following comments/recommendations are made:

- The Police Department can provide adequate police protection for the event. The site is suitable for the outdoor amusement, the expected crowds are of small to moderate size, and the area has sufficient parking available.
- This event can be conducted with a minimal impact upon the surrounding neighborhoods and a near-normal flow of traffic on the streets adjacent to the site can be maintained.
- There are no anticipated costs to the Department for this event.

Respectfully submitted for your information.

Sincerely,

Mack S. Hawkins Chief of Police
