TOWN OF EAST HARTFORD OFFICE OF THE MAYOR

DATE: May 29, 2019
TO: Richard F. Kehoe, Chair
FROM: Mayor Marcia A. Leclerc 
RE: REFERRAL: Suspense List

Attached is a detailed memo from the Tax Collector requesting a transfer of outstanding Personal Property, Motor Vehicle, and Motor Vehicle Supplemental taxes from the October 2015 Grand List into the Suspense Rate Book.

Included for your review is the list of properties totaling \$413,834.47 to be transferred.

Please place this memo on the Town Council agenda for the June 4, 2019 meeting.

Thank you.

C: I. Laurenza, Tax Collector
M. Walsh, Finance Director

MEMORANDUM

DATE: May 28, 2019
TO: Mayor, Marcia A. Leclerc
FROM: Iris K. Laurenza, Collector of Revenue
SUBJECT: Suspense List

Attached is a list of accounts I am requesting be transferred into the Suspense Rate Book. I have also attached a Collector's Certificate giving reference to this amount. It is anticipated that this list will be acted upon on the **June 4, 2019 Town Council meeting**.

I request that all outstanding taxes for Personal Property, Motor Vehicle and Motor Vehicle Supplemental taxes on the 10-1-2015 Grand List be transferred into suspense.

1. These taxes will remain collectible for fifteen years from the due date, but at this time we feel that it is unlikely that we will be collecting these taxes and therefore they should be removed from the books as a receivable for the Town of East Hartford. All taxes transferred into suspense will show as due and payable during any inquiry for unpaid taxes or parking tickets on our system.
2. If these taxes are transferred into suspense, the prior year taxes will then present a more realistic figure as to what is actually collectible and will be useful in any future budget considerations and bonding issues.
3. By carrying only the current year taxes plus two prior years motor vehicle taxes as open items, we are working in concert with the blockage of motor vehicle registrations and the motor vehicle department. Registrations are renewed every two years. The Department of Motor Vehicle will carry a blockage on their records for 24 months. If we are unable to collect delinquent motor vehicle taxes within that time, our chances of collecting them later are very slim.
4. We have done our very best to collect personal property taxes. In most cases, those accounts not paid are either out of business, in bankruptcy, foreclosure, moved or continue to struggle with the poor economy.
5. The act of placing these accounts in suspense in no way diminishes our efforts or impedes our ability to pursue these delinquent tax amounts.

If I can be of further assistance or if additional information is needed, please feel free to contact me.
Thank you for your attention to this matter.

CC: Michael P. Walsh, Director of Finance

Please answer the following:

How long have you served on this Board or Commission? 13 years

Why do you wish to be considered for reappointment by the Mayor and Council?

because I have the most history of the work of the Agency in terms of years of service and having grown up in EH with a mother who was also politically active in town - I have a long view of the work of the Agency and how it relates to the town's plan of development and all the other land use boards and commissions;

What other information should be considered for your reappointment? (Examples: Ways in which you have personally contributed to the work of the Board or Commission; leadership roles you have held on behalf of the work of the group such as chair, head of a committee or task force etc.)

recently elected chair of the agency having been vice chair for 10 plus years, with perfect attendance record; I know the projects, the issues, the wishes of EH voters when the Areas 1 and 2 and the Burnside Ave properties were purchased and assigned to the Agency to develop; I am also up to date on what we can possibly expect developers to propose to EH in 2019-2020

In accordance with the Boards and Commissions Appointment Policy and Procedures Ordinances please initial your acknowledgment of the following statements;

- understand the commitment required for this reappointment and that members who have been absent for 30% or more of regular meetings will be presumed to have resigned from such board or commission.
- understand that I may be required to complete training and/or continuing education.
- understand that I must be a resident of the Town of East Hartford, have no criminal record considered by the town to be so serious that it should be a disqualification, not be an adversary party to pending litigation against the town, not be in arrears on any town taxes, fines, or other obligations owed to the town.

By submitting this Expression of Interest form and any accompanying resume or other information, you agree to the release of this information to the Mayor, Town Council, the Board or Commission to which you are applying, and to all appropriate Town administrative staff.

Please see attached detailed information provided by Fire Chief Oates requesting that a bid waiver be granted under the terms of the Town of East Hartford's Code of Ordinances Section 10-7(c) to utilize the Hartford Hospital Center for Education, Simulation, and Innovation (CESI) as a training location.

The fire department has piloted a training program at the CESI lab to provide advanced training and simulation opportunities for the fire department emergency medical staff. The current fee to train all of our current paramedic personnel is \$24,000.

RE: Request for bid waiver for Fire Department EMS Training

In accordance with Section 10-7 (c) of the Town of East Hartford Code of Ordinances, I request a bid waiver to permit the fire department to utilize the Hartford Hospital Center for Education, Simulation, and Innovation (CESI) as a training location.

The department has piloted a training program at the CESI lab to provide advanced training and simulation opportunities for fire department emergency medical staff. This program has become a valuable part of our continuing education program. We wish to expand this opportunity and engage the CESI lab as a partner in our training program.

The quantity and scope of simulation technology provided by the CESI lab is unparalleled in our region. Having access to state of the art technology and techniques will improve our member's ability. That higher skill set unquestionably leads to better service for our residents and visitors.

As an early adopter and valued partner, Hartford Hospital and the CESI lab have discounted their fee. However, even with that discount, the fee to train all of our current paramedic personnel is \$24,000. As such, we respectfully request a waiver of the bid requirements to utilize the Hartford Hospital Center for Education, Simulation, and Innovation for emergency medical training.

Chief Medical Officer Todd Lomento and I are available for any questions you, or the Town Council, may have.

I appreciate your consideration of this request.

**Education and Training Agreement
Fire Paramedic Training and Competency Assessment Program**

This Training Services Agreement is entered into as of May, 2019 (“Training Agreement Effective Date”) by and between the **Town of East Hartford acting through its Fire Department (“EHFD”)**, and **Hartford Hospital (“Hartford”)**

1. Title of Program:

CESI Fire Paramedic Training and Assessment of Technical Competence in Select Paramedic Skills

2. Dates of Programs: Multiple Training Dates throughout 2019 as specified in Section 7 of this agreement

3. Background:

The National Registry of Emergency Medical Technicians’ (NREMT) (www.nremt.org/rwd/public/) Paramedic National Continued Competency Program (NCCP) requires a total of *60 hours* of continuing education to recertify. The program requires this continuing education in three components: (1) a national component (30 hours), (2) a local/state component (15 hours), and (3) an individual component (15 hours). EHFD has asked HARTFORD to perform continuing education classes and instruction, as described in this agreement, to help **40** of their paramedics meet a portion of the requirements for the local/state component referenced above.

According to the NREMT website (www.nremt.org/rwd/public/document/paramedic-recert), “if specific local and/or state (*content requirements*) are not specified, these required hours are considered flexible content. PCTs may use any state or Commission on Accreditation for Pre-Hospital Continuing Education (CAPCE) approved EMS-related education to fulfill these requirements. A maximum of 10 hours of distributive education may be used to meet the 15 hour requirement.” EHFD has agreed upon a desired curriculum and has asked HARTFORD to deliver the curriculum chosen by the EHFD. HARTFORD has designed the Program to meet the specific curriculum requested by EHFD. This curriculum consists of didactic, simulation, and skills assessment sessions.

Connecticut’s Department of Public Health stipulates that to qualify for paramedic renewal/recertification an applicant must meet one of the below requirements. EHFD has designed the curriculum to meet these requirements.

1. Complete an approved refresher-training course with a minimum of 30 hours. Refresher training courses shall include both written and practical testing; or

CESI Fire Paramedic Training and Competency Assessment Program – (EHFD)

2. Complete one out-of-state refresher training course with a minimum of 30 hours over the lifetime of the certificate which may be accepted in lieu of a refresher training course required by this department provided: (i) the applicant is currently certified as an EMT for EMT recertification or as a person entitled to perform similar services under a different designation in another state; (ii) the refresher training program is equal to the refresher training program required by this department; and (iii) the refresher training program is approved by the appropriate regulatory body of such other state.

As requested by EHFD, HARTFORD personnel will use EHFD approved Paramedic Assessment of Competency forms, attached as Exhibit A, to assess and document the competency of each training paramedic to perform the specified skills in a simulated environment. No field assessment will be performed. To be clear, HARTFORD and its personnel will assess each paramedic’s competency based solely on the assessment of competency criteria approved by EHFD and the observed performance of the paramedic during the scheduled, simulated session. HARTFORD and its personnel will not use any other criteria to assess competency.

If a paramedic fails to demonstrate competency, then immediate remediation training will occur, followed immediately by a skills competency assessment. If a training paramedic does not demonstrate competence after remediation, a consultation will be required with the EHFD Chief and the Medical Director/EMS Coordinator to determine the best course of action.
