COMMUNICATIONS AND PETITIONS

Interval House Update on Domestic Violence Prevention and Services

Mary Jane Foster, President and CEO of Interval House provided a background of Interval House, Connecticut's largest domestic violence victim service agency. Ms. Foster expressed her gratitude for the Town's support of Interval House through ARPA Funding, the CARES Act and CDBG funds so they may continue their work in the community.

Ms. Foster spoke to the value of the organization's relationship with the East Hartford Police Department where an Interval House employee is assigned to assist police officers in responding to domestic violence incidents. An information and crisis hotline is available as a resource for the public. In FY2022, the organization served 487 victims in East Hartford and 540 this past year.

Ms. Foster shared that October is Domestic Violence Awareness Month, and provided information on two upcoming events. On October 7th, a walk at Dunkin' Park will be held in memory of Jennifer Farber Dulos and on October 25th a free breakfast at the Riverview in Simsbury will be served to recognize the healthcare partners who assist with the safety of clients.

Ms. Foster encouraged all in attendance to serve as advocates and share information regarding the services available through the organization.

<u>Bid Waiver re: Purchase of COVID-19 vaccines from FFF Enterprises by Health and Social Services Department</u>

MOTION

By Harry Amadasun seconded by Don Bell

pursuant to Section 10-7(c) of the Town of East Hartford Code of Ordinances, the Town Council waive the bidding procedures required by Section 10-7(a) and further authorize the Town to purchase approximately 300 COVID-19 vaccines from FFF Enterprises at a purchase price not to exceed \$36,909.00 and enter into a letter of commitment with Moderna US, Inc., and further authorize Mayor Michael P. Walsh to make, execute and approve on behalf of the Town, any and all contracts or amendments necessary to consummate this transaction as such waiver is in the best interest of the Town as it will allow the Department of Health and Human

Services to administer to the public COVID-19 vaccines during town influenza clinics and office visits this fall.

Motion carried 9/0

OPPORTUNITY FOR COUNCILLORS TO DIRECT QUESTIONS TO THE ADMINISTRATION

<u>Councillor Tsegai</u> proposed that the Administration consider adding timed light fixtures to basketball courts in town similar those at the tennis courts at the high school.

Councillor Tsegai also requested an update on the Roberts Street light fixtures. *The Mayor stated that poles are in and connections are complete, but the town is still waiting for Eversource to connect the lights to the power lines.*

Councillor Amadasun asked what is the best course of action for residents to voice their concerns regarding blight or similar issues. The Mayor provided a list of resources available for residents which include the "My East Hartford" phone app; the ability to enter a Q-Alert through the Town Website; or to contact the Town through the bilingual Quality of Life Hotline (860-291-7QOL).

<u>Councillor Parkinson</u> asked for an update on bus shelter installations on Main Street. The Mayor stated that money is allocated for the project and will provide an update.

Councillor Tsegai asked if current staffing for blight enforcement is sufficient.

The mayor stated that the town is adequately staffed with two full time blight enforcement officers as part of the Quality of Life team. The town is still short staffed in the Engineering and Inspections and Permits departments.

<u>Councillor Bell</u> shared that a resident has recommended that a southbound left turn lane installed at intersection on Main Street to turn onto Maple Street.

A new traffic light at Maple and Main Street southbound has been ordered and it has been requested that the fixture include a left turn signal. ConnDOT is in charge as Main Street is a state route.

<u>Councillor Simpson</u> expressed that a similar traffic issue exists on Main Street traveling northbound on Main Street for cars making the left turn onto Broad Street.

RE: BID WAIVER & Multiple Quote Requirements: Deco Manufacturing

In accordance with Section 10-7(c) of the Town of East Hartford Code of Ordinances, please see the enclosed bid waiver request submitted by Director of East Hartford Works Amy Peltier to enter into a contract with Deco Manufacturing to provide a work-based learning opportunity in the form of a 6-week Pre-Apprenticeship where East Hartford Works would subsidize wages.

Additionally, in accordance with Section 10-4(a), East Hartford Works seeks approval of this proposed program to receive a fee, in the form of reimbursed subsidized wages.

Please place this information on the Town Council agenda for the October 3, 2023 meeting.

RE: Request for waiver of bidding and multiple quote requirement under

Ordinance Sec. 10-7(a) and additional request for approval under

Ordinance Sec. 10-4a

East Hartford Works ("EHW") aims to support under and unemployed East Hartford residents who are seeking quality in-demand jobs that offer family sustaining wages. EHW supports the efforts of local employers in need of labor so that there is a mutually beneficial workforce culture contributing to elevating the local economy for all. EHW performs this mission specifically, with individuals in need of training and upskilling for higher wage jobs.

As part of the multi-year \$800,000 American Rescue Plan Act allocation by the East Hartford Town Council, EHW funds the costs of the various training programs, including the proposed pre-apprenticeship and work-based learning program. Given that the ARPA funds are available for multiple fiscal years, EHW desires to secure a pre-apprenticeship program provider similar to the programming offered by the State Office of Workforce Competitiveness, whereby contracts are in place to serve and connect individuals to job training as they present to our office. The goal is that the individuals will be able to secure stable employment at the conclusion of the training.

Due to the niche specialty, difficulty in identifying local employers willing to participate and the inability to determine the number individuals we will serve over the coming years, East Hartford Works (EHW) is requesting a waiver of the bidding and multiple quote procedures and request for proposals process as outlined in Town of East Hartford Code of Ordinances, Sec. 10-7a and Sec. 10-7b *Et. Seq.* for entering into a contract with Deco Manufacturing to provide a work-based learning opportunity in the form of a 6-week Pre-Apprenticeship where East Hartford Works would subsidize wages. It is likely that the costs for multiple pre-apprenticeships will exceed the \$10,000 threshold in Sec. 10-7, therefore total approval of the waiver of bidding, multiple quotes, and request for proposals is requested to cover this program through funding exhaustion. A contract with Deco Manufacturing, subject to Council approval of a bid waiver, would entail hosting and

training each Pre-Apprentice for up to 6 weeks or 240 hours at a wage of \$17/hour. This equates to approximately \$4,392 for the initial Pre-Apprentice.

The requested waiver is necessary to efficiently secure the services of a single local employer who is willing to provide full-time on-the-job training within an in-demand industry for an East Hartford Works job seeker that has completed entry level manufacturing credentials. Deco Manufacturing is currently the only employer willing to participate in this program.

East Hartford Works additionally seeks approval of this proposed program under Town Ordinance Sec. 10-4a for Deco Manufacturing to receive a fee, in the form of reimbursed subsidized wages, in order to utilize the EHW program participant at no initial cost to them. Ideally the EHW program participant will perform well enough to then be hired by Deco on their own right, at the conclusion of the EHW Pre-Apprenticeship.

Section 10-7(c) of the Code of Ordinances establishes the Town Council's authority to waive the requirements for obtaining multiple quotes when such waiver is in the best interest of the Town.

Thank you for your consideration of this request. Please feel free to contact me at x291-4345 if you have any questions.

EAST HARTFORD WORKS FACT SHEET

Established as a town department in 2022, the mission of East Hartford Works (EHW) is to support under and unemployed East Hartford residents who are seeking quality in-demand jobs that offer family sustaining wages. We are dedicated to shaping an East Hartford where every person has access to meaningful workforce development and career pathways. Specifically, EHW partners with local employers in need of labor and provides direct services and referrals to individuals in need of training and upskilling for higher wage jobs, so that there is a mutually beneficial workforce culture contributing to elevating the local economy for all.

- Annual Professional Skills Academy (PSA). Once annually, EHW offers a 5-week long career readiness training that provides direct skills instruction, assessments, subject matter expert feedback, employer panels and mock interviews to support residents being more job ready and having productive job searches. The PSA is offered in partnership with Goodwin University (GU), on a part-time basis so participants can work and maintain other commitments over the training period. Participants can earn up to 4 credentials at the University for successful completion of all coursework. Cohorts of approximately 12 individuals are chosen from applicants for each PSA. EHW partners with the GU Career Development Office to comprehensively case manage participants completing the PSA to move directly into quality employment opportunities or enroll in technical training for in-demand career clusters.
- Widespread Community Outreach. East Hartford Works casts a wide net throughout town to reach interested participants for the training as well as recruit employers to get involved. For months leading up to each PSA, public notice of the training is shared in physical flyer postings, through our professional networks and partners, at school district and other community based functions, on EHW's weekly email blast that reaches a distribution of over 700 email addresses that have signed up to receive updates and in various and continued ways over social media, including a press release from the Mayor's Office.
- Partnerships with private sector employers. Local and regional business are recruited to
 participate in the PSA by offering mock interviews, share job openings or host participants on
 their worksite for work based learning opportunities where wages are paid by EHW. While
 several regional employers have been willing to participate in mock interviews, like Liberty Bank,
 Trinity Health, and InterCommunity Health, none had been willing to take on a Pre-Apprentice
 as part of a subsidized work based learning opportunity. Additional outreach to employers
 willing and able to accept adults who complete our PSA has been done at the CT River Valley

Chamber of Commerce meetings, among employers participating in the summer youth employment program and as part of outreach strategies to major hiring enterprises like Pratt and Whitney and Coca-Cola Enterprises.

- Pilot Program. Deco Manufacturing, a local East Hartford small scale manufacturer is a leader in manufacturing work rest blades for centerless grinders and manufacturer of industrial knives and shears. Deco is the first and only local company willing to host a PSA graduate as part of a time limited Pre-Apprenticeship, 6-week work-based learning opportunity. Additionally, of our PSA graduates, only one has been willing and able to accept a Pre-Apprenticeship opportunity now that one has arisen. Often, work-based learning opportunities are unpaid while the employer determines if a trainee is a good fit. We have seen individuals not accept training opportunities, even if a job pays sufficiently at the end, because they do not have a savings buffer to support their family through any unpaid period of training. We hope this pilot program will allow us to create a successful example of how forward thinking East Hartford can be in addressing both unemployment and employer hesitancy to hire nontraditional workers.
- An approved model with strong outcomes. This Pre-Apprenticeship model is based on similar state-sponsored workforce development opportunities that provide wage subsidies to employers who offer opportunity to unemployed jobseekers. The incentive it provides to employers will encourage local businesses to create job opportunities and support local economic growth.

PROPOSED RESOLUTION TO APPROVE EAST HARTFORD WORKS, PRE-APPRENTICESHIP PROGRAM

WHEREAS, the Town, thought the East Hartford Works! initiative assists residents with career development and educational resources and strives to foster community engagement;

WHEREAS, this Council has previously allocated \$800,000 in American Rescue Plan Act funds to allow the East Hartford Works! initiative to further this goal;

WHEREAS, such American Rescue Plan Act funds are presently required to be obligated by December 31, 2024;

WHEREAS, the Town desires to develop a pre-apprenticeship program modeled after and similar to the programming offered by the State of Connecticut Office of Workforce Competitiveness, whereby contracts would be set in place between the Town and willing employers to place individuals in employment opportunities that offer on-the-job training as these opportunities present themselves;

WHEREAS, to implement this program the Town requests a waiver of the bidding and multiple quote requirement under Ordinance Section Sec. 10-7(a) and requests approval of this program pursuant to Ordinance Sec. 10-4a;

WHEREAS, the requested waiver is necessary to efficiently secure willing employers to provide full-time on-the-job training within in-demand industries for East Hartford Works program participants.

THEREFORE, BE IT RESOLVED, that the East Hartford Town Council does hereby approve the following items:

- 1. A waiver of bidding and request for proposal requirements under Section 10-7(a) of the Town of East Hartford Code of Ordinances to permit the Town to enter into contracts with willing employer-participants of the East Hartford Works! initiative preapprenticeship program.
- 2. Approval of the East Hartford Works! initiative pre-apprenticeship program pursuant to Town Ordinance Sec. 10-4a.
- 3. Such contracts shall be on a form reviewed and approved by the Office of Corporation Counsel and may provide for terms and conditions of reimbursement of program participant wages over a period of time to be determined by the Parties.
- 4. That Mayor, Michael P. Walsh, is hereby authorized to make, execute and deliver all agreements, additional and supplemental documents, and to do and perform such acts and to take such actions as may be necessary or required for the consummation of the transactions provided for and contemplated by this Resolution.
- 5. Such program and this resolution is authorized until December 31, 2024 or until such time that the previously allocated \$800,000 in American Rescue Plan Act funds for the East Hartford Works! initiative is obligated, whichever occurs first.

RE: Request for waiver of bidding requirements

In accordance with Section 10-7(c) of the Town of East Hartford Code of Ordinances, I respectfully request a bid waiver to permit the Department of Health & Human Services to subcontract with the Hispanic Health Council to provide community outreach in East Hartford in order to promote vaccination events as well as educate residents about the benefits of vaccination against COVID-19, influenza and other diseases.

Funding will be supported by the Connecticut State Department of Health immunization grant. These grant funds were effective beginning 9/1/2023 to support local public health efforts to improve vaccination coverage against COVID-19 and influenza during the 2023-24 and 2024-24 viral respiratory disease seasons. These funds can also be used through June 2025 to educate residents about recommended vaccinations for targeted populations, address vaccine misinformation, and link residents to available immunization services.

The Hispanic Health Coalition is a nationally recognized, community-based organization, whose mission is to improve the health and social well-being of Latinos and other diverse communities through advocacy and culturally resonant services. The Hispanic Health Coalition utilizes a community health worker model to promote healthy behaviors and education through direct outreach. Immunization grant funds are available to support contracting services up to \$18,100.00. Funds will be utilized to support the costs of program supplies for outreach activities, including printing educational resources and information about scheduled mobile vaccination events conducted by First Choice Health Centers, Inc. or the East Hartford Health Department, attending community events to reach at-risk populations, and travel expenses for Coalition staff. The budget proposal submitted by the Hispanic Health Coalition accounts for outreach services to promote up to 30 vaccination events during the grant period.

There are two reasons for requesting Council approval for a bid waiver. First, there is a short turnaround time between approval of the health department's grant proposal and the need to initiate outreach services for the current viral respiratory season. Second, the Hispanic Health Coalition has a history of strong performance working with the Town of East Hartford, our local healthcare organizations, and other community-based organizations for promoting public health services. Collaborating with an organization that is familiar with our community and stakeholders will help save time and effort implementing grant-supported services.

I appreciate your consideration for this request. Please let me know if you need additional information or clarification.

RE: Request for waiver of bidding requirements

In accordance with Section 10-7 (c) of the Town of East Hartford Code of Ordinances, I respectfully request a bid waiver to permit the Department of Health and Human Services to contract with First Choice Health Centers, Inc. (FCHC) for clinical and outreach services as specified below.

The Town of East Hartford, Department of Health & Human Services was awarded three grants from the Connecticut State Department of Public Health. These grants are the Epidemiology & Laboratory Capacity (ELC) grant that supports investigation of COVID-19 and other emerging infectious diseases; the immunization grant that supports vaccination services for COVID-19, influenza and other vaccine-preventable diseases as well as marketing and outreach to improve vaccination coverage among residents; and the Preventive Health Strategies at Work in CT Communities grant that supports primary and secondary health programs that impact Healthy People 2030 goals. All three grants allow for subcontracting mobile clinical services to reach high-risk targeted populations.

A bid waiver is requested for contracting with FCHC in the amount of \$70,000. ELC funds are available to support mobile COVID-19 testing services at a cost of up to \$15,000. FCHC will provide mobile testing services at locations and dates arranged by the health department. Mobile testing events will be scheduled in high social vulnerability (SVI) index Census tracts to improve accessibility to testing and promote disease containment measures during periods of elevated COVID-19 community transmission during the 2023-24 viral respiratory season.

Immunization grant funds were awarded to support mobile vaccination events at a cost of up to \$30,000. FCHC has the capacity to offer mobile immunization services for COVID-19, influenza and other recommended vaccines. These contracted services fulfill grant requirements of ensuring vaccination services are made accessible for hard-to-reach populations in high SVI areas. As anticipated, the state is beginning to experience an increase in hospitalizations and deaths related to COVID-19 and it has been projected to continue through the fall and winter. There has also been considerable focus on and concern for the rising rates of Respiratory Syncytial Virus (RSV) and influenza infections indicating a critical need for vaccinating our vulnerable populations to decrease severity, hospitalizations and deaths related to these illnesses this viral-respiratory disease season. Grant funds support a series of mobile vaccination events during the 2023-24 and 2024-25 viral respiratory seasons.

Finally, Town of East Hartford was awarded preventive health strategies grant funds that support mobile preventive health screening services at a cost of up to \$35,000 per year over a five-year period. This grant also allows contracting with FCHC to offer medication counseling and coaching to

maintain optimal health and wellness through encouraging medication regimen compliance, and reviewing treatment options for individuals to discuss with their primary providers.

There are two reasons for requesting Council approval for a bid waiver. First, the immunization grant has a short turnaround time from initial budget approval to the period grant activities are most needed to administer COVID-19 and influenza vaccinations for this viral respiratory season. Second, FCHC is a local healthcare provider with the capacity to offer mobile clinics needed to connect services to vulnerable residents that lack access to healthcare services.

Thank you for considering this request. Please let me know if additional information is needed for your review.

RE: Request for waiver of bidding requirements

In accordance with Section 10-7(c) of the Town of East Hartford Code of Ordinances, I respectfully request a bid waiver to permit the Department of Health & Human Services to subcontract with the United Way of Central and Northeastern Connecticut to development marketing resources for vaccination events in East Hartford, as well as develop educational resources about the benefits of vaccination against COVID-19, influenza and other diseases.

Funding will be supported by the Connecticut State Department of Health immunization grant. These grant funds were effective beginning 9/1/2023 to support local public health efforts to improve vaccination coverage against COVID-19 and influenza during the 2023-24 and 2024-24 viral respiratory disease seasons. These funds can also be used through June 2025 to educate residents about recommended vaccinations for targeted populations, address vaccine misinformation, and link residents to available immunization services.

The United Way of Central and Northeastern CT is a non-profit organization, whose mission is to engage and bring together people and resources committed to the well-being and families in our community. Immunization grant funds are available to support contracting services up to \$20,300.00. Funds will be utilized to support the costs of developing educational resources for outreach activities conducted by the Hispanic Health Coalition and the health department, including printing educational resources and information about scheduled mobile vaccination events conducted by First Choice Health Centers, Inc. or the health department. United Way staff will work directly with health department staff on vaccine event messaging, addressing vaccine misinformation, and resources that educate residents about recommendation vaccination schedules for target populations.

There are two reasons for requesting Council approval for a bid waiver. First, as noted in related bid waivers for organizations identified to collaborate with the health department for immunization activities, there is a short turnaround time between approval of our grant proposal and the need to initiate outreach services for the current viral respiratory season. Second, the United Way of Central and Northeastern CT has a positive history of working with the Town of East Hartford promoting COVID-19 vaccinations. The United Way performed similar marketing and resource development services for COVID-19 vaccine equity activities during 2021. This organization is familiar with addressing vaccine equity among diverse populations.

I appreciate your consideration for this request. Please let me know if you need additional information or clarification.

RE: AGREEMENT: Silver Lane Plaza Parking Lot Use

Please see the attached request from Development Director Eileen Buckheit regarding the use of the Silver Lane Plaza parking for the October 14 U.S. Men's soccer match.

The attendance for the event is above average and additional parking is needed.

Please place this item on the Town Council agenda for the October 3, 2023 meeting.

TO: Mayor Mike Walsh

FROM: Eileen Buckheit, Development Director

DATE: September 21, 2023

RE: Silver Lane Plaza parking lot use – 10/14/23

I am respectfully requesting an item in reference to the above stated address be placed on the October 3rd agenda.

The Capital Region Development Authority (CRDA) who oversees the Rentschler Field Stadium approached the Town about using the Plaza for parking for the October 14th U.S. Men's soccer match. The attendance for the event is above average and large crowds are anticipated.

The use of the Plaza parking lot would be only for the one-day event, in designated areas, and monitored. The agreement would be between Global, who manages the stadium on behalf of CRDA, and the Town. LAZ parking would be the entity managing the parking lot for the day. Appropriate insurance certificates would be supplied to the Town and LAZ will coordinate with the EH Police Department.

In anticipation of the event, LAZ parking would sweep the parking lot, and patch large pot holes near the entrances at no cost to the Town. Notification of use of the parking lot would be given to the tenants, and areas around their stores would be left open for customers. Event goers would be directed to Simmons Street to cross Silver Lane.

Assistant Corporation Counsel Robert Fitzgerald will be supplying the use agreement.

Thank you and let me know if you have any questions or concerns.

PROPOSED RESOLUTION FOR LIMITED LICENSE AGREEMENT REGARDING SILVER LANE PLAZA

WHEREAS, on March 1, 2023, the Town of East Hartford became the owner of the real property located at 794 – 810 Silver Lane, East Hartford and 818 – 850 Silver Lane, East Hartford, Connecticut, known as the Silver Lane Plaza;

WHEREAS, on October 14, 2023, the Pratt & Whitney Stadium at Rentschler Field ("Rentschler Field") will host the US Men's National Soccer Team vs Germany National Men's Soccer Team. It is anticipated that this event will be heavily attended;

WHEREAS, the Capital Region Development Authority, as the entity that controls Rentschler Field, has made an inquiry of the Town to utilize the parking lot and open space located at the Silver Lane Plaza as parking for patrons attending the October 14, 2023, soccer match; and

WHEREAS, the Capital Region Development Authority, has represented that the property management firm hired to manage Rentschler Field, Oak View Group, LLC, will staff the parking lot for the event and provide pre and post event clean-up.

THEREFORE, BE IT RESOLVED, that the East Hartford Town Council does hereby approve the following items:

- 1. This Council waives the requirements of Town Ordinance 10-19, acting as a committee of the whole for the Fees Committee to permit the Town to enter into a license agreement with Capital Region Development Authority, Oak View Group, LLC, or their successor's, assigns, or affiliated entities for use of the parking lot and open space located at the Silver Lane Plaza for the purpose of event parking for the US Men's National Soccer Team vs Germany National Men's Soccer Team at Rentschler Field;
- 2. Such, license agreement may be for a fee of one dollar (\$1.00) and may not exceed the term of October 13, 2023 through October 15, 2023;
- 3. Shall license agreement be on a form reviewed and approved by the Office of Corporation Counsel; and
- 4. That Mayor, Michael P. Walsh, is hereby authorized to make, execute and deliver all agreements, additional and supplemental documents, and to do and perform such acts and to take such actions as may be necessary or required for the consummation of the transactions provided for and contemplated by this Resolution.

RE: Referral to Ordinance Committee re: Policies Concerning the Use

of Traffic Cameras, License Plate Readers and Other Technology

The Police Department has previously discussed with the Town Council their intention to install traffic cameras in limited locations throughout the town for the purpose of aiding law enforcement investigations into criminal activity. The Town Council supported such installation but expressed its desire to limit the locations, ensure that the cameras were only focused on public property and that the recordings would be used solely for gathering evidence in the course of an active investigation and not for proactive surveillance. The Police Chief issued a policy containing those general principles.

There are additional technologies being considered by law enforcement agencies in Connecticut. The East Hartford Police Department recently expressed interest in installing license plate readers. The state has authorized the municipal use of red light cameras. Some Town Councillors have expressed interest in police use of drones to track people who violate the law such as street takeovers and reckless and dangerous driving where police cruiser pursuit would create a danger to others.

The use of these technologies can be an effective law enforcement tool but such use also raises civil liberties issues which must be addressed prior to the implementation of such technology.

Therefore, the Ordinance Committee should review the best practices of protecting civil rights in the use of such technologies and recommend a process for review of police policies by the Town Council and the public prior to adoption or amendment of such policies.

<u>Director Harris</u> shared that as a number of positions have been provided to the committee for review with a number still to come, Human Resources plans to provide an updated organizational chart for the Committee ahead of their next meeting which shows a full list of pay grade changes by department.

<u>Proposed Revision of Job Description and Pay Grade Increase for Administrative Clerk III</u> (Police Department)

The director shared that the job description for Administrative Clerk III has not been updated for some time, and upon review it was confirmed that the person currently in the role is performing a number of duties that were not listed as the responsibilities have increased and evolved over time. Additional responsibilities that have been added to the job description include:

- Coordination of Police Department activity statistics and reports
- Assistance in drafting and coordination of Operation Plans
- Response to Freedom of Information requests
- Assistance with requisitions and financial reporting in the absence of the Accounts Payable Clerk

The director shared that after review of the position's pay grade, the role was under market relative to other municipalities, so the recommendation is to increase pay from Grade 4 (salary range \$40,975-\$49,801 for FY23-24) to Grade 5 (\$43,597-\$52,992).

MOTION

By Harry Amadasun Seconded by Tom Rup

to **recommend** the Town Council accept the Proposed Revision of Job Description and Pay Grade Increase for Administrative Clerk III in the Police Department, dated April 30, 2023, as provided by the Department of Human Resources per the subcommittee's discussion.

Motion carried 3/0

<u>Proposed Revision of Job Description, Pay Grade Increase and Change in Title for Administrative Clerk III- Quartermaster (Police Department)</u>

The Director stated that this particular position has evolved to more specific needs of the Police Department that are focused on report processing, vendor relations and inventory. Duties added to the job description provided include:

- Coordinating police activity statistics for reports to the Mayor's Office, State Police, State Attorney, and the Federal Bureau of Investigation.
- Maintenance of the criminal information system, alarm registrations and fingerprint files as required by the department
- Various record keeping and reporting duties
- Inventory maintenance of various office supplies, uniforms, and safety equipment

Upon review, the director also recommended that the job description include the requirement of National Crime Information Center (NCIC) certification.

The director stated that to better reflect the specific duties as described, the inclusion of "Quartermaster" to the job title was made to more accurately define the position. In addition, similar to the job description discussed previously at tonight's meeting, a pay grade increase for this role is also recommended.

MOTION

Re Fire Services Technician Heavy Mechanic

Dear Mr. Walsh:

Please see the attached job description for Fire Services Technician Heavy Mechanic. The new title will be Assistant Master Mechanic.

Over the last several months, we have cooperatively engaged Local 1548 in conversations to upgrade the job descriptions of our maintenance personnel. We researched many other communities and sought out best practices. Included in the attached draft are the changes which will position us for the future. There is no financial impact, this simply adjusts the essential job functions and desired qualifications to align the position with contemporary standards of work for heavy equipment mechanics.

Some of the changes are listed below:

- Skill in welding and in the care and use of skilled mechanics tools employed in all phases of vehicle and equipment repair.
- Ability to meet the minimum training requirements of OSHA 191.156 for exterior firefighting functions (department will provide required training).
- Preference will be given to those who are certified Firefighter I/II.
- Selected individuals should meet the requirements of NFPA 1071: Standard for Emergency Vehicle Technician Professional Qualifications, Chapter 5 Emergency Vehicle Technician II within one year of appointment.
- ASE certification preferred but not required.

Therefore, I recommend that this position be referred to the Town Council for consideration.

TO:

Richard F. Kehoe, Chair

FROM:

Mayor Michael P. Walsh

RE:

REFERRAL: Personnel and Pensions Subcommittee

Please see the attached request for changes to the job title and job description of Senior Secretary to the Mayor.

These changes more appropriately define the job responsibilities for the position.

The official title is "Senior Secretary to the Mayor," but over the last couple of years, the responsibilities have shifted to perform more communications-related duties, including website and social media management, newsletters, council memos, graphic design, photography, and more. However, the current job description for Senior Secretary is more admin-like and almost replicates the duties of Executive Secretary.

It is time to revise this position's title and job description to reflect the responsibilities being performed in this role.

We want to rename the position from "Senior Secretary to the Mayor" to "Municipal Communications Specialist" and adopt the attached job description.

Please place this item on the Town Council agenda for the October 3, 2023 meeting for referral to the Personnel and Pensions Subcommittee.

The Hon. Mayor Mike Walsh 740 Main Street East Hartford, CT 06108

Re Municipal Communications Specialist

Dear Mr. Walsh:

Please see the attached job description for Senior Secretary to the Mayor. The new title will be Municipal Communications Specialist.

The official title is "Senior Secretary to the Mayor," over the last couple of years the responsibilities have shifted to perform more communications-related duties to support the Mayor's and Chief of Staff's vision to increase our interaction with residents & businesses.

As such, the day-to-day duties incorporate many more communications tasks, including website and social media management, newsletters, council memos, graphic design, photography, and more. However, the job description for Senior Secretary is more admin-like and almost replicates the duties of Executive Secretary.

With that, we have concluded that it is time to revise the title and job description of this position to reflect the responsibilities being performed in this role.

We want to rename the position from "Senior Secretary to the Mayor" to "Municipal Communications Specialist" and adopt the attached job description. That will allow our office to have a true communications position that accurately aligns with the job description.

I have created the attached description based on the responsibilities While the Communications Specialist will be performing all the communications duties, we still want them to support the Mayor's Office with occasional admin duties.

Therefore, I recommend that this position be referred to the Town Council for consideration.

Re: Recommendation for Reappointment

Dear Chairman Kehoe:

The District Chairs and Vice Chairs of the East Hartford Democratic Town Committee met on August 17, 2023, to consider recommending the following candidate for reappointment to the East Hartford Housing Authority for a full four year term.

James Kate, 22 Greenhurst Lane, East Hartford. His term expired on July 31, 2023.

In accordance with our guidelines the candidate qualifications were reviewed and a vote to endorse the recommendation was held. The result was a vote to recommend the reappointment.

Please contact me if you have questions or need additional information.

Respectfully,

Moriah H. Moriarty Chairman
