Chair Kehoe called the public hearing to order at 7:16 pm.

## COMMUNICATIONS AND PETITIONS

### Town Hall Renovation Project Update

Marilyn Cruz-Aponte, Director of Public Works and Tom Baptist, Project Manager-Sustainability, presented a brief video detailing current conditions of Town Hall.

Mr. Baptist provided the results of a cost management analysis as provided by Downes Construction with a revised project budget based on the report’s recommendations. The total cost of the project is projected at \$21.6 Million, revised from the initial bid amount of \$23.3 Million. The savings has been generated by revising the required work on specific elements of the project. All items deemed by the project engineers as “absolutely necessary” components are still included, as well as the replacement of aged electrical wiring; the renovation of public bathrooms, strategic relocation of departments within Town Hall, and the permanent relocation of the Social Services Department to the Community Cultural Center. Items removed from the project include the replacement of the air handler, duct work and lighting in Town Council Chambers, the renovation of the staff kitchen and bathrooms in the basement. Additional savings is provided by value engineering of individual bids.

Jeff Anderson, Vice President of Preconstruction for Downes Construction and Mark Allyn, Senior Vice President of BVH Integrated Services and project engineer, discussed the potential risks and additional costs that could be incurred if the project is delayed further based on market projections.

The Council discussed the repercussions of moving forward with the Town Hall project vs. addressing other needs for the Town, specifically the issues at Public Works facilities that are to be presented later in the meeting. Director Cruz-Aponte confirmed that a full assessment of town facilities is in progress, with the goal of prioritizing needs. Such assessment will be presented to the Town Council at a subsequent meeting.

Mr. Baptist confirmed that recommended items removed from the project, such as the upgrades to Council Chambers could be addressed at a later date without an adverse effect on the rest of the building’s operations.

Melissa McCaw, Finance Director, stated that currently the Town has \$16.9 million in authorizations and allocations available for this project. This includes the remaining available funds of \$11.9 million from existing 2018 and 2020 bond authorizations for public building renovations and the current ARPA allocation of \$5 million. The Director provided a summary of proposed funding sources to support the revised total project cost

of \$21.6 million. The recommendation includes increasing the ARPA allocation to \$7.6 million, primarily leveraging the unallocated balance of \$1.8 million previously held for the North End Community Center renovation project that did not move forward and other smaller allocations. The Director has proposed additional funding of \$2 million from the Town's General Fund, with \$1.4 million pulled from current year excess municipal aid from the state. The remaining \$600,000 would come from the establishment of a capital reserve fund to be funded with \$200,000 annually from the general budget appropriation over the next three years.

#### Presentation by Department of Public Works Re: Facilities Conditions

Director Cruz-Aponte introduced John Comeau, Architect, Weston and Sampson Engineers who shared a presentation of the current work environment and conditions at the Public Works facility on Ecology Drive. Based on the findings of the report provided, a number of buildings at the facility are in disrepair and require immediate attention to be brought up to code. The Director is requesting action taken in phases, with short term projects to address substandard sanitary conditions and immediate employee safety concerns while more permanent accommodations and a plan for funding can be developed. These projects include the temporary lease of a more adequate facility to use as a Fleet Maintenance Shop and the rental of two modular buildings to serve as facilities for department employees.

The Council acknowledged the need to upgrade facilities to meet the concerns of staff and will consider the proposal. Councillors requested a comparison of the costs of purchasing rather than leasing modular bathroom facilities, combining town and board of education vehicle maintenance services and whether it is more cost effective to outsource maintenance services.

Currently, the East Hartford Police Department issues it's uniformed patrol officers the Axon "Taser 7" less lethal weapon system. The "Taser 7" is the most current model designed by Axon and utilizes state of the art pulse technology which is more effective when an officer chooses to use less lethal force options. This is not only a benefit to the officer but also the subject it is deployed on when appropriate.

Another benefit of the Taser 7 is the ease of evidence collection and the software updates from Axon. When a Taser 7 is either activated or discharged, that information is uploaded into "Evidence.com" where it is stored and utilized for "Use of Force" tracking and review by O.P.S. panel. The battery pack (or DPM) is required by department General Order to be placed into the docking station after deployment or on assigned common days.

We currently have dozens of old/non-functioning X26/X26P Tasers and cartridges that utilizes older, less effective technology and also is not user friendly when attempting to track their usage or keeping current software up to date. Also when training the department, ALL officers can receive the same training for the "Taser 7" rather than run two different training classes. This alone will save the department money and the additional resources needed keep the older Taser system functional.

I have located a company that will purchase all of the older Taser X26/X26P's, along with their cartridges. I would like to sell this older, outdated equipment and use that money to purchase Taser 7's for the officers who currently do not have them.

If you have any questions, please feel free to contact me directly.

Thanks,

Mike Weglarz

As you are aware, the Department of Public Works Director Marilynn Cruz Aponte and Project Manager Tom Baptist have provided an update on the estimated Total Project Cost for the Town Hall Renovation for the Town Council meeting on September 20, 2022. This memo serves as a communication of the proposed funding plan to supplement the materials as Council weighs a final decision regarding the Town Hall Renovation project. If Town Council votes to proceed with the Town Hall Renovation project, it is requested that Council take action at the October 4<sup>th</sup> meeting to approve the funding plan and changes to the ARPA allocations accordingly. In addition, it is noted that this funding plan includes GO Bonding requirements of \$9 million for the Town Hall Renovation project.

The debt service impact of the estimated cashflow requirements for GO bonding was presented in the Bond Referendum Council agenda item. This is subject to change based on timing of expenditures. A copy of the presentation is attached hereto. To address the potential peaks in debt service for fiscal diligence and sustainability, it is recommended that the Town dedicate the annual excess municipal aid, estimated at up to \$1.4 million per year, to partially offset debt service increases and also evaluate planned capital spending to lower the debt issuance requirements in 2023 and 2024.

Should you have any further questions, please do not hesitate to contact me.

I, Jason Marshall, the duly appointed Clerk of the Town Council of the Town of East Hartford, a corporation organized and existing under the laws of the State of Connecticut, hereby certify that the following is a true copy of a resolution adopted at a meeting of the East Hartford Town Council of said corporation, duly held on the 4th day of October, 2022

# Other Considerations and Conclusion

- Use of a hybrid pay-as-you-go and bonding funding source in peak years.
- 15 year amortization schedule for Roads in 2023 or 2024 issuance given the useful life of the asset. Not a permanent change.
- Consider rate of spend and adjust if necessary.
- Increasing interest rate environment – consistent interest rate increases expected by the federal reserve and reflected in projections.
- 2023 Issuance is an opportunity to leverage lower interest rate. Maximize lower cost of debt service on our community.

# Alternative Scenario: 15 Year Road Bonds Only in 2023

- Tradeoff: Increases overall debt service cost but provides a smoother debt schedule to soften mill rate impact.

# Conclusion

- The two Bond Referendum questions are time-sensitive to ensure adequate authorization to maintain roads and procure vehicles/equipment for Fire.
- The increased investments in Roads, Town Hall and other assets will likely yield a faster rate of spend.
- Important to recognize that the necessary timing of debt issuances may not align to when East Hartford is experiencing debt service schedule decreases.
- Recognizing spending timing, planning strategically and maximizing options for the increased debt service requirements provides a pathway for building a sustainable budget with desirable community outcomes.

**RE:** Threads of Assumption project – Bid Waiver Approval Request

In accordance with Section 10-7(c) of the Town of East Hartford Code of Ordinances, I respectfully request that the Town Council waive the bidding procedures required by Section 10-7(b) and allow the Town to contract with MF Dynamics to implement the Threads of Assumption project, a dynamic art installation and performance examining gender bias in the community, for the sum of \$36,000, the same being in the best interests of the Town given the unique nature of the project, the exclusivity of the project to MF Dynamics, the emphasis on community participation, and the limited number of organizations currently doing interactive work of this type.

Artists Maria Finkelmeier, Martha Rettig, U-Meleni Mhlaba-Adebo, and Sofie Hodara, collect personal stories about gender-based harm and look for patterns and narratives within the submissions. These stories are transformed into an immersive art exhibition with digital visualizations, musical composition, spoken-word poetry, weaving, and live performance. Through this process, we see, hear, and feel the collective impact of gender-based harm.

At East Hartford Public Library, the project will begin with collecting community stories. The artists will host gatherings on November 16-17, 2022 and February 15-16, 2023 at the library to gather spoken and written experiences of gender bias from residents of East Hartford. These experiences will drive the art created for the final exhibition and performance in April 2023.

This is the third iteration of Threads of Assumption. Most recently, the project was shown at Installation Space, North Adams, MA, June through July 2022. The work premiered at the Goethe Institute, Boston's Studio 170, in June 2021, and was made possible (in part) by a Live Arts Boston grant from The Boston Foundation.

It is an incredible opportunity for East Hartford residents to contribute to the creation of the next "iteration" of this groundbreaking multimedia project. Given the unique nature of the project, I appreciate your consideration of this request for a bid waiver. Should you have any questions or concerns regarding the above noted, please do not hesitate to contact me.

## THREADS OF ASSUMPTION

*An interactive installation and performance by artists Maria Finkelmeier, Sofie Hodara, U-Meleni Mhlaba-Adebo, & Martha Rettig*

Our work responds to real stories about experienced bias, gathered on a virtual, anonymous conversation platform and analyzed by artificial intelligence (AI). The resulting exhibition is a visual, sonic, and tactile representation of human truths and errors. The project asks us to reconsider our assumptions surrounding bias and what we accept as normal. How can we expect machines to extract meaning from what we don't yet understand?

Data was collected from 22 sourced conversations. Each conversation was analyzed for emotional content and thematic language and transformed, by AI, into datasets. As artists, the concept of weaving this rigid data and the human experience became essential at every turn, similar to the way tactile weavings are made, with a tense warp and threaded weft.

The exhibition is centered around an interactive, room-scale loom. The loom is surrounded by our artistic interpretations of the data, in the form of hanging weavings, video projections, and recordings of spoken word poetry and musical compositions.

The data we received did not teach us anything new. It simply reinforced our society's acceptance of harmful structures and individual's perpetuation of rigid assumptions.

The work premiered at the Goethe Institute, Boston's Studio 170 in June 2021 and was made possible (in part) by a Live Arts Boston grant from The Boston Foundation. Additional thanks to Bianca Mauro of BRM Production Management, J. Cottle, The Loop Lab, Aram Boghosian, Adam DeTour, Gabi Ammirat.

Senior Services at the

September 19, 2022

To: Mayor Michael Walsh

From: Victoria Liberator, CTRS & CDP  
Senior Services Coordinator

RE: Request for waiver of bidding requirements

In accordance with Section 10-7(c) of the Town of East Hartford Code of Ordinances, I respectfully request a bid waiver to permit Senior Services a Division of the Department of Parks and Recreation to purchase goods for a weekly, and weekend meal program at the East Hartford Senior Center.

Funding for the meal program will be supported by the American Rescue Plan Allocation (ARPA) Federal Grant. Town Council previously approved the allocation and the center has budgeted \$172,680 for the planned 2-year meal program. The program budget includes hourly wages for kitchen staff, the weekly grocery items, and packaging supplies.

The pilot program will consist of a once weekly "home cooked" meal served at the Senior Center for up to 75 seniors and cooked and packaged to go meals on the weekends for up to 60 seniors.

Wholesale food vendors including those on the State bid list and purchasing consortiums were contacted for quotes. Unfortunately, those larger scale vendors will be unable to scale their services down to accommodate our meal program, as the minimum purchasing costs do not align with our budget and the minimum volume of food required would result in food waste.

Based on this information we are requesting a 3 month bid waiver to be able to purchase goods at locale wholesale stores, such as BJ's, and Costco, as well as local grocers such as Shop Rite and Stop and Shop, which would be more cost effective and align with the volume of food needed for the program. The 3-month time frame will allow the center to launch the program on October 5<sup>th</sup> as originally planned, and will allow time to create a more accurate food budget going forward.

I appreciate your consideration for this request. Please let me know if you need any additional information.

Re: Communication of YWCA 50/50 campaign

Dear Mr. Kehoe & Mr. Walsh:

The town of East Hartford will be participating in the YWCA 50/50 campaign, demonstrating our commitment to developing inclusive boards and commissions. We are excited to begin this work alongside the City of Hartford and the Town of Bloomfield.

During the 2021 Legislative Session, the Connecticut General Assembly enacted Public Act No. 21-35, declaring racism a public health crisis, and Public Act No. 21-49, which enacted efforts to diversify state boards and commissions. YWCA Hartford Region was an active advocate for the passage of both laws, standing on its mission to eliminate racism and empower women. The 50/50 Campaign galvanizes a local response to deepening this work.

The 50/50 Campaign seeks to increase civic participation amongst marginalized communities and equitable racial and gender representation on municipal boards and commissions.

- 50 percent of our effort is in partnership with Hartford Region municipalities to make focused efforts to reform policies, processes, and practices to promote equitable racial and gender representation on municipal boards and commissions, especially those focusing on the quality of life issues for all residents.

- 50 percent of our effort engages and educates community members on the roles, authority, and impact of boards and commissions on their community while using community voice to inform municipalities of the community's perceived barriers to participation.

The MOA is non-binding, and both parties reserve the right to vary from the approach, and obligations, set forth herein; the agreement will remain active for 12 months from the date of signing this agreement and is renewable if needed to complete the process by mutual written agreement of the Parties.

Thank you

RE: Referral to Town Council: Request to enter into a Letter of Commitment with the CT State Library and Libraries Without Borders US concerning a Community Accelerator Pilot Program.

I am respectfully requesting the Town Council to approve the East Hartford Public Library to enter into a Letter of Commitment with the Connecticut State Library for the Community Accelerator Pilot Program.

The Community Accelerator Pilot program will create pop-up libraries in selected Connecticut communities through a partnership between the Connecticut State Library and Libraries Without Borders. These temporary pop-up libraries will be located in community spaces such as barbershops, laundromats, and apartment complex common rooms, and will be run by Libraries Without Borders with support from local public library staff and community volunteers. The program will run for 12 – 18 months. The goal is to generate interest in public libraries in underserved communities and neighborhoods. This exciting and innovative no-cost program will enhance library services in East Hartford, one of the communities selected for the Pilot Program.

Section 3.4 of the Town Charter requires Council approval of contracts with the State. Accordingly, I ask that you forward this to the Town Council for inclusion on the October 4 meeting agenda.

Please note that the Letter of Commitment was reviewed by Town of East Hartford Corporation Council prior to submitting for Town Council approval.

## **The Community Accelerator Pilot Program, a collaboration between the CT State Library, Libraries without Borders, and Selected Connecticut Public Libraries**

### **Letter of Commitment**

[Your Library Name] \_\_\_\_\_ acknowledges that the Community Accelerator Pilot Program, a collaboration between the Division of Library Development (DLD) of the CT State Library and Libraries Without Borders US, is a 12–18-month program, with the following general cycle elements:

#### **1. Targeting and Assessment: 2 months**

LWB US and DLD will work with library leadership to canvass existing quantitative and qualitative assessments and work with community leaders and organizations to determine specific literacy and information needs among underserved or unserved communities.

#### **2. Community Co-design: 4-6 months**

LWB US and DLD will work with the local library staff and community leaders to identify and form an informal planning committee charged with helping to locate, plan, bring partners to, and ultimately help promote temporary library spaces within the community. The process will involve selecting high-traffic, trusted community spaces or institutions in which to locate pop-up programming and community-based service partners.

#### **3. Training: 2 months**

LWB US and DLD will work with the library to identify current capacity and skills, confidence, and training gaps. The LWB team of community organizers and trainers will work with library leadership to develop a community outreach curriculum with in-person and virtual training for key existing library staff.

#### **4. Activation: 2 months**

LWB US and DLD will install pop-up libraries in nontraditional places. We will work with library staff to select services and resources which may include but are not limited to age, culture, and language-appropriate books, periodicals, and reading materials; digital devices, hotspots, and broadband internet access; take-and-go resources and in-person services addressed to multiple forms of literacy.

#### **5. Opening and Celebration: 2-6 months**

Temporary spaces create an opportunity to transform relationships, but the financial limits do not allow for permanent activation. Each project is designed for a specific time, which is clearly and regularly communicated to users. As the end date approaches, focus is placed on helping users understand, feel welcome at,

and connected to their permanent library. This may include card registration days and/or “field trips” to the local library. The closure of the site is treated as a day of celebration that helps to solidify relationships and open pathways to ongoing library usage.

#### **6. Wrap-up and next steps: 1 month**

LWB US and DLD will conduct a post-project evaluation in collaboration with library staff, including recommendations for sustaining community engagement, documentation of our shared work, ongoing evaluation tools, and finalized curriculum.

[Your Library Name] \_\_\_\_\_ agrees that measurable goals of the pilot program, while yet to be detailed via community discussion, will include:

- Increased usage of library services by previously underserved or unserved communities measured by metrics co-created by LWB US and library leadership. They may include but are not limited to library utilization, pop-up visits, and library card registration.
- Deepened relationships with community partner organizations, institutions, and leaders from previously underserved or unserved communities.
- Confidence and capacity among key staff for ongoing outreach efforts to connect underserved communities with library resources.
- Increased access to information resources including but not limited to digital literacy and digital devices; culturally and linguistically appropriate books, periodicals, and reading materials; resources addressing other literacies: English, health, civic, legal, and financial.

We agree to become part of this collaboration with community organizations under the guidance of Libraries without Borders and a consultant from the Division of Library Development of the CT State Library. We are committed to participating in good faith, seeing the pilot through the proposed cycle, and reporting all data and responses to the whole state team for analysis and a report to support replication of this community outreach model.

## ***U DRIVE. U TEXT. U PAY.***

### **Fact Sheet — Enforcement**

Texting and other forms of messaging while driving are real dangers on America's roads. While distracted driving can take many other forms, these texting behaviors have become one of the most pervasive forms of distracted driving.

#### **Staggering Statistics**

- According to NHTSA, between 2012 and 2019, approximately 26,000 people died in crashes involving a distracted driver. While fatalities from motor-vehicle crashes decreased slightly from 2018, distraction-related fatalities increased by 10%.
- NHTSA reports that the number of deaths linked to driver distraction was 3,142 nationwide, or almost 9% of all fatalities in 2019. This represents a 10% increase over the year 2018, or 284 more fatalities. The distraction figure was the largest increase in causes of traffic deaths reported for 2019.
- Distracted-driving crashes accounted for 15% of injury crashes and 14% of all police-reported motor vehicle traffic crashes in 2019.
- Texting while driving has become an especially problematic trend among younger drivers. In fact, 9% of drivers 15 to 19 years old involved in 2019 fatal crashes were reported as distracted. This age group has the largest proportion of drivers who were distracted at the time of the fatal crashes.
- According to NHTSA research from 2017, young drivers 16 to 24 years old have been observed using handheld electronic devices while driving at higher rates than older drivers have since 2007.
- In 2019, there were 566 nonoccupants (pedestrians, bicyclists, and others) killed in crashes involving a distracted driver.

#### **Safety Tips for Driving**

- If you are expecting a text message or need to send one, pull over and park your car in a safe location. Once you are safely off the road and parked, it is safe to text.
- Designate your passenger as your “designated texter.” Allow them access to your phone to respond to calls or messages.
- Do not engage in social media scrolling or messaging while driving.
- Struggling to not text and drive? Activate your phone's “Do Not Disturb” feature, or put your cell phone in the trunk, glove box, or back seat of your vehicle until you arrive at your destination.

#### **Put Your Phone Away or Pay**

- When you get behind the wheel, be an example to your family and friends by putting your phone away. Just because other people do it doesn't mean texting and driving is

“normal” behavior. Instead, it’s a selfish, deadly and, oftentimes, illegal activity that could kill you, a loved one, a friend, or a stranger.

- In 48 states, the District of Columbia, Puerto Rico, Guam, and the U.S. Virgin Islands, texting while driving is an illegal, ticketable offense. You could end up paying a hefty fine, and get points on your license.
- If you see someone texting while driving, speak up. If your friends text while driving, tell them to stop. Listen to your passengers: If they catch you texting while driving and tell you to put your phone away, put it down.
- Remember, when you get behind the wheel, put your phone away. *U Drive. U Text. U Pay.*

Dear Chairman Kehoe:

Attached please find the amusement permit application submitted by **General Conference Corporation of Seventh Day Adventist, et al Northeastern Conference Corporation of SDA**, also known as **Charity Seventh-day Adventist Church (Charity SDA Church)** submitted by **Margaret Answer, the Interest Coordinator**. The applicant seeks to conduct a **Community Meet and Greet on Sunday, October 9, 2022 from 1:00 pm to 5:00 pm on their premises at 1535 Forbes Street**. The event is open to the community and will have booths with church information showing different programs, a health booth taking blood pressures and partnering with Griffin Health to offer Covid-19 boosters, music, a bouncy house and children in costumes parading on the grounds. They will provide water and prepackaged snacks. **The rain date will be Sunday, October 16<sup>th</sup> with the same time.**

The applicant respectfully **requests a waiver of the associated permit fee**, under the provisions of (TO) 5-6(a), due to the Town of East Hartford as the event is a community event.

Pursuant to Town Ordinance (TO) 5-3, a review of the application was completed by the Directors of the Fire, Health, Parks & Recreation, Public Works Departments and the Offices of the Corporation Counsel and Finance.

Hi Margaret,

I was asked the following questions, please answer:

1. Inspections and Permits Dept. wants to know if the bounce house needs power and if so where will it get plugged it into?

The bounce house will be plugged into the church outlet inside.

2. Corp Counsel asked for me to confirm the Church's true legal name. Is it Charity Seventh-Day Adventist Church? The application has Charity SDA Church, if it indeed is Charity Seventh-Day Adventist Church please revised the application on question number 3 where you have Charity SDA Church and on page 3 near the signature part where it says Charity SDA Church and change it to Charity Seventh-Day Adventist Church. Please ensure that what the legal name of your church is, is both on the application and on your Certificate of Insurance.

The name on the Certificate of insurance is Charity SDA Church -therefore no change is needed

If I get any other questions or concerns I will contact you, in the meantime, please update the application if indeed the legal name is something other than Charity SDA Church and resubmit to me asap so I can get that approved.

I will forward the copy of the insurance certificate to you ..

Thank you.

our reason for being interested in serving our Town in this capacity

I love East Hartford. My mother, children and I were born and raised here. I am a member of The Senior Center, serving on the Advisory Board. I attended some Commission meetings and volunteered for the Senior Picnic. I found the Commission's efforts to enhance the lives of our Seniors is something I want to be part of. I'd also like to work to expand their responsibilities.

**List of qualifications that you believe will be an asset to the board/commission on which you wish to serve:**

I am a senior. I have a very good relationship with the staff and membership of the Sr.Center. Perhaps because I am elderly, was hearing impaired, have had mobility issues and care for a spouse with severe medical issues, I feel I understand and empathize with other seniors faced with many of these issues. I have worked with the Mayor, Town Council, State and U.S. Representatives, the DOT and my neighbors to try to minimize the adverse effects of Rt. 2

**INTEREST STATEMENT.**

Culture and art are central to a cohesive society. The more interests people have in common with one another, the more community members will look out for their neighbors. Art is a place of free expression that welcomes all types of people. Art is a way to foster communication and empathy. Participating in and attending community cultural and art events encourages neighbors to meet one another. I am interested in doing whatever I can do to create community. As an art enthusiast and parent to budding artists, the Commission of Culture and Fine Arts seems like the perfect niche for me.

List of qualifications that you believe will be an asset to the board/commission on which you wish to serve:

I have participated with East Hartford Summer Youth Festival for the past seven years. (And also way back in the 80s/90s!) I was active in Circle of Life and helped produce the Holiday shows and other events. I have also performed with Cue & Curtain and regularly share my poetry through the East Hartford Public Library readings. I am a bit of a people person and know many local artists. I am well versed in social media and virtual communications. I am involved in the community in a variety of other ways, as well. I volunteer with Protectors of Animals and participate in the library Community Conversations, as well as many other library events. I am the Parent Liason of my childrens' School Governance Council. But, most importantly, I believe in community.

**WORKING AGREEMENT**  
**Between**  
**THE TOWN OF EAST HARTFORD**  
**And**  
**TEAMSTERS LOCAL #671**

This agreement is entered into by and between the Town of East Hartford, hereinafter referred to as the "Town" and the Teamsters Local #671, hereinafter referred to as the "Union."

**ARTICLE I - RECOGNITION**

- 1.0 The Town recognizes the Teamsters Local #671, as the sole and exclusive bargaining agent for the purpose of collective bargaining on matters of wages, hours of employment, other conditions of employment and all other benefits derived through contractual negotiations for all Telecommunications Operator, Public Safety, (hereinafter referred to as employees) excluding: supervisors, professionals, uniformed and investigatory employees of the Police and Fire Departments, and excluding all others excluded by the Municipal Employee Relations Act (MERA).

**ARTICLE II - UNION CHECKOFF**

- 2.0 The Town agrees to deduct monthly Union dues on a weekly basis upon receiving a union authorization form (appendix A) in whatever sum is established by the Union as the regular monthly dues required by the local union's by-laws. If, for any reason, a deduction was not made on the payday in which Union dues are to be deducted, a sufficient amount will be deducted in the first pay period in which the employee has sufficient funds due him or her to bring the membership dues up-to-date. The Union provided authorization form is attached hereto as Appendix A and made a part of this Agreement.
- 2.1 The referenced amounts so deducted provided in 2.0 shall be remitted/mailed to the Union on or before the 7<sup>th</sup> calendar day of the month following the month for which the deductions were made.
- 2.2 The Town's obligation to make such deduction shall terminate automatically upon termination of the employee who signed the authorization or upon his transfer to a job not covered by this Agreement.

Employees may elect to opt out of union member status upon a written and notarized letter, submitted to the Town's Human Resources Director, stating their intentions to opt out of member and revoke pay roll deduction.

- 2.3 During the term of this Agreement, the Town shall furnish the Union with an up-to-date list of employees. When a new employee is hired, the Town shall notify the Union and furnish the Union with the name, date of employment, classification and rate of pay of the new employee. When the employment of an employee terminates, the Town shall notify the Union and furnish the name and date of termination of the employee.

The Union steward will be provided up to 20 minutes on the clock, provided the orientation/training occurs during his/her normal working schedule. Attendance by the steward shall not cause a disruption of operations and the town shall not claim such disruption in a constructive manner to deny the steward the ability to attend such meeting.

- 2.4 The Town agrees that there will be no lockout of any employee or employees during the life of this Agreement. The Union agrees that during the term of this Agreement, it will not authorize any strike.
- 2.5 At least one (1) bulletin board shall be reserved at an accessible place for the exclusive use of the Union for posting of official Union notices or announcements within the Police Communications Room.
- 2.6 The Union agrees that it will indemnify and save the Town harmless from any and all liability, claim, responsibility, damage, or suit which may arise out of any action taken by the Town in accordance with the terms of the dues check-off provisions of this Article, or in reliance upon the authorization described herein, in an amount not to exceed the sum received by the Union on account of the deductions made from earnings of such employee or employees.
- 2.7 The Town will provide each member of the Union with a copy of this Agreement within thirty (30) days after the signing of this Agreement. A copy of the Personnel Rules and Regulations and Merit System will be made available to each employee upon request with no charge.

### **ARTICLE III - SENIORITY/LAYOFF/VACANCIES**

- 3.0 The Town shall prepare a list of full-time telecommunicators showing their length of service with the Town and deliver same to the Union on or before December 1st of each year. Upon completion of their probationary period, new employees shall be added to this list.
- 3.1
  - a. Seniority shall commence upon the date that the employee begins employment as a Public Safety Telecommunicator in the bargaining unit. The employee's earned seniority shall not be lost because of absence due to illness, pregnancy, maternity leave, bereavement, jury duty, personal leave, or authorized leaves or while eligible for recall. Seniority and seniority rights will not be accrued during unpaid leaves of absence or layoff, but previously accrued seniority rights will not be lost by the employee because of such leave or layoff. When more than one employee is appointed on the same date, seniority shall be determined by their relative positions on the eligibility list, or alphabetically by last name (as of employment date) in the absence of a current eligibility list.
  - b. New telecommunicators shall serve a probationary period of six (6) months after completing the training period but no less than one (1) year, and shall have no seniority rights during this period, but shall be subject to all other provisions of this Agreement. The Town may extend such probationary period for up to a maximum of six (6) additional months. The dismissal of a probationary employee during

probationary period shall not be subject to the grievance procedures. All employees who have completed their probationary period shall be full-time employees and shall acquire seniority as of date of their employment. Probationary employees may be evaluated once each month by their department head or their designee.

- c. Employees who are promoted shall serve a trial period of three (3) months, which may be extended by an additional three (3) months by the Chief. Management shall return an employee to the former pay grade or position if the employee fails to successfully complete the trial period. Employees may be evaluated once each month during trial period. Reduction in grade shall be only for just cause.
- 3.4 When a new position or assignment is created within the bargaining unit, the employee with the highest bargaining unit seniority shall be given first opportunity to fill the position, provided he or she has qualified and has demonstrated the capacity to perform the duties of the position or assignment. If he or she refuses, it shall go to the next senior person who has qualified.
  - 3.5 The person appointed to the vacancy or new position and a Union Steward shall be notified, in writing, of the appointment. Notification shall be made not later than forty-five (45) calendar days after the initial posting.
  - 3.6 If no employees in the bargaining unit are qualified, the position may be filled through recruitment of applicants from outside the bargaining unit.
  - 3.7 Layoffs are permitted when an appointing authority, with the approval of the Mayor, deems it necessary by reason of lack of work or funds, the abolition of the position, material change in the duties or organization which are outside the employee's control and which do not reflect discredit of the service of the employee. Positions in this bargaining unit may be abolished upon recommendation of the Mayor and approval of the Town Council.
  - 3.8 a. In the event of a layoff, the employee shall be given at least two (2) weeks' notice in writing, and the layoffs shall take effect as follows:
    - 1. ~~Temporary and Seasonal Employees~~
    - 2. ~~Part Time Employees~~
    - 3. Probationary Employees

In the event of further layoffs, they shall occur in reverse seniority within the bargaining unit. (Example: The least senior person in his/her classification within the bargaining unit shall be laid off first etc.)

- b. Employees who are laid off shall have recall rights for a period of twenty-four (24) months from the date of layoff and only to the classification from which the employee was laid off. The last employee in the classification laid off shall be the first employee recalled to that classification. Employees shall have two (2) weeks from the date the Town sends a notice of recall by certified mail to the employee at their last known address to return to the job, unless there are extenuating circumstances.

- c. During the period of layoff the employee shall have the right to receive any insurance benefits listed under Article IX of this labor agreement, subject to the provisions of COBRA, as amended.
- 3.9 Laid off employees with the most seniority, in the reverse order provided in Section 3.9 of this Article, shall be rehired first and no new employee, full or part-time, shall be hired until all laid off employees have been given an opportunity to return to work.
- 3.10 An employee shall lose his seniority rights under any of the following circumstances:
  - a. Resignation.
  - b. Discharge for just cause.
  - c. Failure to report to work within two (2) weeks after due notice by the Town to the employee's last known address to return to work after layoff, provided the employee makes known his desire, in writing, to return within five (5) days.
- 3.11 For all purposes, except layoff, the seniority rights of the Stewards shall be exactly the same as the seniority rights of all other employees. In the event of a layoff, the Stewards will have super seniority during their term of office.

#### **ARTICLE IV - HOURS OF WORK AND OVERTIME**

- 4.0
  - a. Telecommunicators shall work a schedule of five (5) consecutive days on duty followed by two (2) consecutive days off duty, with the exception of agreed shift changes.
  - b. The work day shall be eight (8) hours, with one-half (½) hour paid meal break. The meal break may be combined with one fifteen (15) minute break per Section 10.1. The meal break shall not be taken during either the first or last hour of the employee's shift.
- 4.1
  - a. Hiring of overtime shifts shall be fairly distributed within the Bargaining Unit to all qualified members. Hiring of overtime shifts will be distributed equally with an agreed upon method of hiring between the Bargaining Unit members and the Department Head.
  - b. Overtime work, when required, will be offered to qualified full-time employees within the bargaining unit only.
  - c. When overtime is required to fill a vacant shift or fill other demands of public service, all eligible employees shall first be polled for voluntary acceptance of the opening. If no volunteers are found, the vacant shift shall be split into two (2) four-hour segments. The on-duty Telecommunicator with the least number of total overtime hours during the calendar year shall be required to extend his/her shift by four hours to fill the first portion of the vacant shift. The second portion of the vacant shift shall be filled by the employee scheduled for the succeeding shift who has the least number of total overtime hours during the calendar year. In the event

that employee cannot be contacted, the next scheduled employee on the successor shift with the least number of total overtime hours shall be called, until the position is filled. Seniority, from least to most, shall be used to determine eligibility in the event of equality of total overtime hours.

- d. Employees may voluntarily work sixteen (16) consecutive hours in conjunction with a mandatory eight (8) hour rest period, however, no employee shall be ordered to work in excess of twelve (12) consecutive hours except that if no employee from the successor shift can be contacted, the employee from the preceding shift may be required to work the full shift. However, if an employee has received a 4-hour order-in for the preceding shift or subsequent shift, that employee shall be the last employee considered for the succeeding/proceeding shift. In no case shall an employee be required to work more than sixteen (16) consecutive hours.
- e. If an employee has worked twenty-four (24) hours of voluntary or involuntary overtime in five (5) consecutive calendar days, he/she will not be eligible to be ordered in for involuntary overtime in the five (5) day work period.

4.2 a. Telecommunicators shifts are as follows:

A Squad	23:30 hours to 07:30 hours
B Squad	07:30 hours to 15:30 hours
C Squad	15:30 hours to 23:30 hours

SEE APPENDIX B FOR ROTATION OF THIS SCHEDULE

Employees shall be paid an hourly differential of ten percent (10%) of their hourly base rate for each hour that they work on third shift. The third shift differential shall apply to all hours paid or worked, including temporary assignments to third shift.

- b. Overtime at the rate of one and one-half (1.5) times the regular hourly rate shall be paid for each quarter hour or more worked in excess of eight (8) hours per day or in excess of forty (40) hours per week. Overtime will be paid at double time rate when it is performed on the holidays listed below.

- c. For the purposes of pay computation, the pay period begins on Sunday and ends the following Saturday.
  - d. The Town shall have the right to require overtime work consistent with the needs of public safety and service. When conditions require the prompt and urgent mobilization of public safety employees to respond to emergencies (including but not limited to fires, floods, natural disasters, strikes and demonstrations), the Chief of Police shall have the right to order a full or partial mobilization of Telecommunicators without regard to any method of equalization of employee overtime or any overtime rotational hiring scheme or method.
- 4.3 Until a probationary employee has completed required training and has been certified by the Chief to work independently, the employee shall not be eligible for overtime shifts, nor subject to ordering in.
- 4.4 Compensatory time shall not accumulate to more than twelve (12) working days, or ninety-six hours.   - 3. No employee's accrual will be allowed to exceed the 96 hour limit.
- 4.5 Any employee called in to work outside the regular schedule shall be guaranteed a minimum of four (4) hours work, or pay for actual time worked if by mutual agreement.
- 4.6 Shift Swaps will be administered according to the following procedures:
- a. All exchanges must be requested in advance in writing and be approved or disapproved by the Chief or his/her designee.

If the employee(s) becomes ill and cannot work, he/she shall be charged with the sick time deduction and the shift will be processed as any other open shift. Any and all types of approved time off will be deducted from the employee taking responsibility for the shift.

base salary as holiday compensation. This lump sum payment will be based upon the rates of pay effective on December 1 and shall not become part of base pay.

The seven percent (7%) lump sum holiday compensation will be paid annually in the first pay period in December.

The seven (7%) percent lump sum holiday compensation shall be prorated on a monthly basis for bargaining unit members who are hired or who voluntarily separate from employment during the course of the year, regardless of the specific date on which such hiring or voluntary separation occurs. For example, if an employee works 6 of the 12 contractual holidays he/she would be compensated 6/12<sup>th</sup> (i.e., ½) of the lump sum holiday compensation. For purposes of this Section, termination during an employee's probationary period shall not constitute involuntary separation barring the employee from receiving the prorated holiday compensation.

## **ARTICLE VII - LEAVE PROVISIONS**

### **Section 7.0: Sick Leave:**

All employees shall earn paid sick leave at the rate of 1-1/4 days per month with no maximum on accumulation. Sick leave with pay may only be used for the employee's recovery from personal illness or injury, or to permit the employee's absence for a reasonable period to make arrangements to care for a member of the immediate family.

- a. Accrual of earned sick leave credits will continue while employees are absent from work

due to vacation, injury, or illness, except for unpaid leave.

- b. In exceptional cases, the Human Resources Director, with the advice of the department head, may grant additional sick leave with pay. Requests for such additional sick leave shall be in writing and signed by the employee, when possible.
- c. Sick leave with pay will not be granted for recuperation from illness or injury which is directly traceable to employment by another employer.
- d. Two accrued sick days may be taken as sick/personal days at a minimum of one-quarter (1/4) day segments for personal business or appointments that must be conducted during working hours. Use of this time will not interrupt the earning of Earned Days (see 7.0g below).
- e. It shall be the responsibility of the employee to notify the department or division head in advance of sick leave usage, if possible, and in any event not later than one hour prior to the commencement of the shift. If the absence exceeds five (5) working days, or when an employee's attendance shows frequent or habitual absence because of claimed sickness, the employee shall provide the department head with a doctor's certificate on the approved form (Appendix D) within three (3) working days unless there are extenuating circumstances that prevent the doctor, APRN or Physician's Assistant from providing such certificate within that time period.
- f. It shall be the responsibility of the department head to maintain accurate up-to-date leave records for his/her employees. Once every calendar year in the month of January, the department head shall notify all employees of the amount of vacation and sick leave to their credit.
- g. For every calendar quarter of perfect attendance, an employee shall earn one (1) Earned Day. Maximum accrual of earned days shall be eight (8) days. A continuous absence commencing in one (1) calendar quarter and continuing into another quarter will break the perfect attendance for the initial quarter only. Perfect attendance, for the purpose of this article, shall mean no time taken for tardiness, sick leave, unauthorized leave, authorized leave without pay, or disciplinary suspension. Earned Days shall be used at times mutually agreeable to the employee and department head. Requests for Earned Day usage shall not be unreasonably denied. The Town will not provide payment to any employee who wishes to cash in unused earned days upon retirement or voluntary/involuntary termination.
- h. If an employee has unused sick leave at the time of his/her retirement, he/she shall be paid in a lump sum for each day of unused sick leave up to a maximum of ninety (90) days.

Personal leave will be approved in the following manner: (1) date of submission, (2) duration, (3) seniority. In the case of conflict, the Department Head taking into account

seniority will have the final authority; subject to the provisions of the Grievance Procedure. These days are non-accumulative from calendar year to calendar year. ~~However, should operating needs require the Department Head to deny usage of any of the three (3) personal leave days, such day(s) shall be carried over and utilized within the first thirty-one (31) days of the following calendar year. Unused carryover personal leave balance as of February 1 will be paid to the employee.~~

- b. **Workers' Compensation:** The Town will comply with all applicable state legislation relating to Workers' Compensation.

Whenever an employee shall be absent because of a Town service connected injury or occupational disease he/she will be compensated under the provisions of the Workers' Compensation Act. Such absence will not be charged against accrued sick leave. In addition to payments received under the Workers' Compensation Act, any employee with six (6) months of continuous service shall receive a supplemental payment from the Town, equal to the difference between his take-home pay (gross pay less deduction for pension, income tax and FICA) and the payments received under the Workers' Compensation Act for up to one year or maximum improvement, whichever comes first.

Current employees as of the ratification of this agreement shall continue to be eligible for the supplemental payments described above for up to two (2) years in accordance with the terms of the 2010-2013 agreement.

In those cases wherein the disabled employee receives damages or awards through litigation or settlement against third parties, he/she will reimburse the Town for monies received during such absence.

The Corporation Counsel is authorized by the Town to negotiate anything less than the full amount of such reimbursement, subject to approval by the Town Council.

Notwithstanding the above, the employee has the right to retain 2 weeks of accrued paid vacation time.~~
- ~~b. To qualify for FMLA leave, employees requesting such leave must explain the reason for the leave in writing or verbally to their department head so that the Town can determine if FMLA-qualified leave will be granted.~~
- ~~c. The Town may require medical certification to document the reason for the leave, where provided by law.~~
- ~~d. The Town will notify the employee in writing before the leave begins that the leave has been designated as FMLA leave and will be deducted from the allowable maximum.~~
- ~~e. During the period of FMLA-qualified leave, the employee shall retain health benefits at the same level as before the leave. The Town will continue to pay the premiums as before the leave.~~
- ~~f. Employees, where authorized by law, may be required to provide a "fitness for duty" certification upon return to work~~

## **Section 7.3: Unpaid Leave of Absence**

The Human Resources Director, with advice of the department head, may grant a leave of absence without pay for a period not to exceed one (1) year, provided such leave may not be taken for the purpose of seeking or performing other employment, and provided the employee has previously exhausted all accumulated leave.   2. An employee interested in utilizing their ability to communicate in a secondary language while on duty for the benefit of the community must submit a request in writing to the town requesting an evaluation of their ability. When more than one person volunteers for an assignment, the CTOs will be alternated throughout the trainee's training period.

The Chief or his/her designee shall have the authority to cancel this program based on the Department's needs.

## **APPENDIX E - HEALTH AND WELFARE FUND**

This Health Fund Article shall supercede and prevail over any other inconsistent provisions or articles contained within this Agreement.

Commencing with the signing of this Agreement, and for the duration of the current collective bargaining agreement between Local Union 671 and the Town of East Hartford (“the Town”), and any renewals or extensions thereof, the Town agrees to make payments to the IBT Local 671 Health Services and Insurance Fund (“the Fund”), for each and every employee performing work within the scope of and/or covered by this collective bargaining agreement whether such employee is a regular, probationary, temporary or casual employee, irrespective of his/her status as a member or non-member of the Local Union, from the first hour of employment subject to this collective bargaining agreement, as follows:

For each hour or portion thereof, figured to the nearest quarter hour for which an employee receives pay or for which pay is due, the Town shall make a contribution of ~~\$9.95~~ \$10.90 to the Health Fund but not more than ~~\$398.00~~ \$436 per week for any one employee from the first hour of employment in such week. Commencing with the 1st day of July, ~~2018~~ 2022 the said hourly contribution rate shall be ~~\$10.20~~ \$11.00 but not more than ~~\$408.00~~ \$440 per week for any one employee. Commencing on the 1st day of July ~~2020~~, 2023 the said hourly contribution rate shall be ~~\$10.55~~ \$11.50 but not more than ~~\$422.00~~ \$460 per week for any one employee. Commencing with the 1st day of July ~~2021~~, 2024 the said hourly contribution rate shall be ~~\$10.90~~ \$12.00 but not more than ~~\$436.00~~ \$480 per week for any one employee.

For purposes of this section, each hour for which wages are paid or due, or any portion thereof, figured to the nearest quarter hour, as well as hours of paid vacation, paid holidays and other hours for which pay is due or received by the employee, shall be counted as hours for which contributions are payable. In computing the maximum amount due any week, there shall be no daily limit on the number of hours for any one day in such week, whether such hours are performed on straight time or overtime rates, the payments shall be made at the amounts set forth above.

If an employee is absent because of illness or off-the-job injury and notifies the Town of such absence, the Town shall continue to make a required contribution of forty (40) hours for a period of four (4) weeks. If any employee is injured on the job, the Town shall continue to pay a required contribution until such employee returns to work, however, such contributions of thirty-two (32) hours shall not be paid for a period of more than twelve (12) months. The Town agrees to and accepts the Health Fund’s Agreement and Declaration of Trust as amended, and ratifies the selection of the Town Trustees now or hereafter serving as such, and all action heretofore or hereafter taken by them within the scope of their authority under such Agreement and Declaration of Trust.

The parties agree that the Health Plan adopted by the Trustees of the Health Fund shall, at all times, conform to requirements of the Internal Revenue Code so as to enable the Town at all times to treat its contributions made to the Fund as a deduction for income tax purposes.

It is also agreed that all contributions shall be made at such time and in such manner as the Trustees shall reasonably require; and the Trustees shall have the authority to have an audit of the payroll and related wage records of the Town for all employees performing work within the scope of and/or covered by this collective bargaining agreement for the purpose of determining the accuracy

of contributions to the Fund and adherence to the requirements of this section of the collective bargaining agreement regarding coverage and contributions, such audit may, at the option of the Trustees, be conducted by an independent certified public accountant or a certified public accountant employed by the Fund.

If the Town shall fail to make contributions to the Health Fund by the twentieth (20<sup>th</sup>) day of the month following the month during which the employees performed work or received pay or were due pay within the scope of this collective bargaining agreement, up to and including the last completed payroll period in the month for which contributions must be paid, or if the Town, having been notified that its contributions to the Fund have been under-reported and/or underpaid, fails within twenty (20) days after such notification to make any required self-audit and or/contributions found to be due, the Local Union shall have the right after an appropriate 72-hour notice to the Town, to take whatever steps it deems necessary to secure compliance with this agreement, any provisions of this collective bargaining agreement to the contrary notwithstanding, and the Town shall be responsible to the employees for losses resulting therefrom. Also, the Town shall be liable to the Trustees for all costs of collecting the payments due together with attorney's fees and such interest, liquidated damages or penalties which the Trustees may assess or establish in their discretion. The Town's liability for payment hereunder shall not be subject to the grievance procedure and/or arbitration if such is provided in this Agreement.

It is understood and agreed that once a payment or payments are referred to an attorney for collection by the Trustees of the Health Fund and/or the Local Union, the Local Union and its business agent or chief executive officer shall have no right to modify, reduce or forgive the Town with respect to its liability for unpaid contributions, interest, liquidated damages or penalty as may be established or assessed by the Trustees in their discretion against delinquent Employers.

No oral or written modification of this section regarding the Health Fund shall be made by the Local Union or the Town, and if made, such modification shall not be binding upon the employees performing work within the scope of this collective bargaining agreement and covered by this section or upon the Trustees of the Health Fund.
