BID # 22-24

RE: R.F.P. – Debt Collection Services

Prospective bidders and all those concerned, are hereby informed that the following is made a part of the bid documents, which should be amended to read as follows:

- 1) It has come to our attention that not all respondents have the ability to submit a proposal on both Debt Collection Services and Tax Sales; therefore, it is possible to award bids to two different respondents for each scope of service requested in this RFP. Further, it does not diminish a respondent's chances of a contract award based on a single service bid submission.
- 2) The due date for this R.F.P. has been extended to Thursday, June 23, 2022 @ 11 a.m.
