**CAMPS ARE OPEN TO CHILDREN AGES 5
(COMPLETED KINDERGARTEN) TO AGE 12
EAST HARTFORD RESIDENTS ONLY**

What's Different This Year?

- Summer Camp will be operated at three sites for 2020: Gorman Park, Goodwin School and Hockanum School. Each site will be open to ages 5 (completed kindergarten) - age 12. Non-residents are not eligible to register this year.
- Campers will have recreational swim time at the pools.
- Each site will be permitted to have a maximum of 50 campers per site. Campers will be placed in groups of 10 and will have a space designated solely for their group, to promote social distancing protocols and safety procedures and limit contact with other groups. Areas will be sanitized daily.
- Staff will design schedules to prevent groups from being in the same areas, and will encourage frequent hand-washing and use of sanitizers as normal practice.
- Staff will be required to wear masks. For campers, it's optional.
- Staff and campers will be required to maintain 6 feet of distance, when possible.
- All staff and campers will have a health screening daily upon arrival. If their temperature reads 100 degrees or above they will not be able to remain at camp.
- Parents will be required to sign a consent form acknowledging that they understand the risks of sending their child to camp.
- If someone in the group shows signs of illness, they will be moved to an isolated area and will be sent home for the day.
- Campers will not be transported by bus, and therefore will not have off-site field trips. Instead, we will have various games, activities, and performers scheduled to provide on-site entertainment.
- Camper t-shirts will not be provided since campers will not be needing them for off site trips.
- All activities will be designed to promote social distancing, while providing campers with much-needed time to socialize with peers, enjoy the outdoors, stay active and most importantly, HAVE FUN!
