Section 8-60. Purpose and Intent.

- (a) It is the purpose of sections 8-60 through 8-79, inclusive, to regulate sexually oriented businesses in order to promote the health, safety, and general welfare of the citizens of the Town of East Hartford, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within the town. The provisions of sections 8-60 through 8-79, inclusive, have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of sections 8-60 through 8-79, inclusive, to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of sections 8-60 through 8-79, inclusive, to condone or legitimize the distribution of obscene material.
- (b) Based on evidence of the adverse secondary effects of adult uses presented in hearings and in reports made available to the Town Council, and on findings, interpretations, and narrowing constructions incorporated in the cases of *City of Littleton v. McCleary, Weinstein, 11/14/07; "Rural Hotspots – The Case of Adult Businesses", McCleary, 2008; "NLC Summaries of 'SOB Land Use' Studies. Crime Impact Studies by Municipal and State Governments on Harmful Secondary Effects of Sexually Oriented Businesses", National Law Center, 1996; "How to Regulate Adult Entertainment by Zoning", Laurien, Delaware County Regional Planning Commission; "Adult Entertainment, Staff Report", St. Paul, MN 1983, 1988; "Report to: The American Center for Law and Justice on the Secondary Impacts of Sex Oriented Businesses", Hecht, 1996 and the Report of the Attorney General's Working Group On The Regulation of Sexually Oriented Businesses, (June 6, 1989, State of Minnesota), the Town Council finds:

- (1) Sexually oriented businesses, as a category of commercial uses, are associated with a wide variety of adverse secondary effects including, but not limited to, personal and property crimes, prostitution, lewdness, public indecency, unsanitary conditions, potential spread of disease, obscenity, illicit drug use and drug trafficking, negative impacts on surrounding properties, blight, litter, and sexual assault and exploitation; and
- (2) Each of the foregoing negative secondary effects constitutes a harm which the Town has a substantial government interest in preventing or abating. This substantial government interest in preventing secondary effects, which is the town's rationale for the provisions of sections 8-60 through 8-79, inclusive, exists independent of any comparative analysis between sexually oriented and non-sexually oriented businesses. Additionally, the Town's interest in regulating sexually oriented businesses extends to preventing future secondary effects of either current or future sexually oriented businesses that may locate the in the Town. The Town finds that the cases and documentation relied on in the provisions of sections 8-60 through 8-79, inclusive, are reasonably believed to be relevant to said secondary effects.

ARTICLE 8. NEWS RACKS.

Sec. 8-78. Purpose.

The Town Council finds that the unregulated maintenance of news racks in public rights-of-way can present an inconvenience and a danger to the safety and welfare of persons using such rights-of-way, including pedestrians, persons entering and leaving all types of motor vehicles, cyclists, and to persons entering and leaving buildings. The Council also finds that the unregulated maintenance of such news racks also can present an inconvenience and a danger to persons performing essential utility, traffic control, and emergency services; prevent easy access for the use, repair, maintenance and replacement of posts, poles, traffic signs and traffic signals; makes it difficult and/or hazardous to maintain, repair or replace hydrants and mailboxes; encourages the keeping of unsightly news racks; and increases the Town's exposure to claims for personal injuries or damages to property brought by persons injured directly or indirectly by the unregulated placement of such news racks. To avoid such conditions, found by the Council to be injurious to the public health, safety and welfare, the Council finds it necessary and desirable to enact this ordinance to regulate the placement, appearance, maintenance and insurance of news racks located on public rights-of-way.

The notice shall contain the date, time and place on which a hearing is to be had with respect to such charges, and shall be mailed to the owner by registered or certified mail. From any order to correct violations or to remove a news rack, the owner shall have a right of appeal to the Superior Court for the Judicial District of Hartford/New Britain at Hartford. Said appeal shall be filed and served within the time provided by and in accordance with the provisions of Connecticut General Statutes Section 4-183, as the same may be amended from time to time, and appeal proceedings shall be governed by said statute. Enforcement of any decision by the hearing officer shall be stayed until the expiration of the time within which the owner may appeal; and if the owner shall appeal, the order shall be stayed until 20 days after notice of the decision of the Superior Court on said appeal has been sent to all parties. Service of any such appeal shall be made upon the Director of Inspections and Permits.

Upon request of the Board, and certification that funds are to be used for such educational purposes, the Finance Director and the Mayor shall recommend, and the Council shall approve, release of such funds, up to the amount then included in the Board account. Upon the approval of any such expenditure, an appropriation shall be set up, plainly designated for the project or acquisition for which it has been authorized, and such unexpended appropriation may be continued until such project or acquisition is completed. Any unexpended portion of such appropriation remaining after such completion shall revert to the reserve account from which the appropriation was taken.

Sec. 10-39. Appropriation When Reserve Fund Insufficient.

time on the property in question;

(ii) Motor vehicle parts used in the restoration must be stored in the motor vehicle or in a structure;

(iii) Such motor vehicles are to be covered with a tarpaulin whenever work is not being done upon them;

(iv) In the case of a motor vehicle being restored to an operable condition, a permit has been obtained from the Department of Inspections and Permits, said permit limited to sixty days, renewable once for an additional sixty days.

(c) Notice to Remove. Any officer of the Police Department, upon discovery of any abandoned motor vehicle, or upon notification by any official of the Department of Inspections and Permits, or any official of the Health Department of an abandoned motor vehicle, shall affix to such motor vehicle a notification sticker in a manner so as to be readily visible. Said notification shall contain the following information: (1) The date and time the notification sticker was affixed to the motor vehicle; (2) A statement that pursuant to Section 14-150 of the Connecticut General Statutes, if the motor vehicle is not removed within twenty-four (24) hours of the time the sticker was affixed, it shall be taken into custody, and stored at the owner's expense; (3) The location and telephone number where additional information may be obtained; and (4) The identity of the affixing officer. If an abandoned vehicle has a market value, based on its current condition, of one hundred dollars or less, and is so vandalized, damaged or in disrepair as to be unusable as a motor vehicle, title to such motor vehicle shall, upon taking custody of such motor vehicle, immediately vest in the Town. Within forty-eight hours of the time that such motor vehicle is taken into custody, the affixing department shall notify the Commissioner of Motor Vehicles, in writing, of the vehicle identification number and a description of the motor vehicle. Upon sale or other disposition of the motor vehicle, the affixing department shall give written notice by certified mail to the person who was the owner of such motor vehicle at the time of abandonment, if known, which notice shall state that the motor vehicle has been sold or otherwise disposed of. The proceeds of the sale or disposition, or the fair market value of the motor vehicle in its current condition, whichever is greater, less the towing and sale or disposal expenses, shall be paid to such person or his representatives, if claimed by him or them within one year from the date of sale. If such balance is not claimed within such period, it shall escheat to the municipality. If the expenses incurred by the municipality for towing and the sale or disposition of such motor vehicle exceed the proceeds of such sale or disposition, such person shall be liable to such municipality for such excess amount. All sales and/or other dispositions of abandoned motor vehicles shall be accomplished in compliance with the notice and advertising provisions of Public Act No. 87-372 or such amendments and/or successor statutes adopted by the General Assembly.

(e) Penalty. Any person violating any of the provisions of this section shall be guilty of a misdemeanor, and, upon conviction, shall be subject to a fine of not more than one hundred dollars. If the abandoned vehicle is on private property, each day which such violation continues after the expiration of the thirty day removal order shall be considered a separate violation. If the abandoned vehicle is on a street or public property, the daily fine shall commence upon the posting of a notice on the vehicle. Nothing herein shall be construed as limiting the civil remedies available to a private property owner for damage to, or violation of, the owner's property rights by the owner of the abandoned vehicle.

(f) Removal by the Town. If the motor vehicle is on private property and has not been removed within the thirty day period of compliance, the Town or its designee shall have the right to take possession of the abandoned vehicle and remove it from the premises. This thirty day period may be extended by the hearing officer, appointed pursuant to Sec. 21-2 of the Code of Ordinances, if there is a pending appeal and if the vehicle is on private property. It shall be unlawful for any person to interfere with, hinder, or refuse to allow the Town or its designee to enter upon private property for the purpose of removing an abandoned motor vehicle under the provisions of this ordinance.

(g) Redemption of Impounded Motor Vehicle. The owner of any abandoned motor vehicle seized under the provisions of this section may redeem said motor vehicle prior to its disposition or destruction upon proof of ownership and payment to the Town and/or its designee such sum as determined and fixed for the actual and reasonable expense of removal, storage and any preliminary disposition costs.

(h) Liability of Owner or Occupant. Upon failure of the owner of the abandoned motor vehicle, the owner of the private property or the occupant of the private property from which abandoned motor vehicles have been removed by the Town to pay the unrecovered expenses incurred by the Town in such removal, a lien shall be placed upon the property of the owner of the abandoned motor vehicle, or the owner of the property, for the amount of such expenses.

(i) Designee of the Town. Any designee of the Town selected for purposes of storing or disposal of abandoned motor vehicles shall be selected through competitive bidding. Upon receipt of a notice to remove an abandoned motor vehicle, a person may appeal the determination that such vehicle is abandoned, such appeal to be filed within the thirty (30) day period provided for removal. If a vehicle has been towed in violation of Sec. 21-1 of this Code, an appeal challenging such towing may also be filed. Upon receipt of such an appeal, the hearing officer shall notify the custodian of the motor vehicle not to dispose of such motor vehicle until further order of the hearing officer. A hearing shall be scheduled within seven (7) days of the receipt of an appeal. If it is determined by the hearing officer that the motor vehicle is not abandoned, the notice to remove shall be lifted, and no penalties shall be imposed under Sec. 21-2 of the Municipal Code. If the hearing officer determines that the motor vehicle was towed in violation of Sec. 21-1 of the Municipal Code, the lien provisions of Sec. 21-1 of the Municipal Code shall not apply, and any towing and storage expenses incurred by the owner of the motor vehicle, or the owner or occupant of the property on which such motor vehicle was found, shall be reimbursed; provided that such appeal was brought within thirty (30) days of receiving the notice of removal, or if notice was wrongfully sent, within thirty (30) days of actual discovery of the towing. The hearing officer shall render his or her decision in writing, and note on the decision that any person aggrieved thereby may, within fifteen (15) days of the notice of such decision, appeal to the Superior Court for the Judicial District of Hartford/New Britain.
