

EAST HARTFORD BOARD OF EDUCATION

CONTRACT FOR ASSISTANT SUPERINTENDENT

This Agreement is made between the East Hartford Board of Education (the "Board") and Elsie Torres (the "Employee"), who has been appointed by the Board as its Assistant Superintendent of Schools for Elementary Curriculum, Instruction and Assessment. This Agreement outlines the compensation and other terms of employment of the Employee.

Section 1. RIGHT TO MANAGE.

The Board and the Superintendent reserve and retain the full right, authority, and discretion under governing local, state and federal law, ordinances, rules, regulations and Board policies, to control, supervise, and manage the East Hartford Public Schools and its employees. As such the Board and Superintendent have the right to determine and assign the duties and responsibilities of the Employee and to transfer Employee after consultation with the Employee.

Section 2. WORK YEAR.

The Employee shall work all of the workdays of the Office of the Superintendent. For Employee this shall mean two hundred and nineteen (219) workdays, which is exclusive of fourteen (14) paid holidays established by the Board and twenty-seven (27) vacation days of the Employee as set forth below.

For the purposes of this Agreement, the per diem rate shall be calculated by dividing the Employee's annual salary by 219 and proration of any other salary or benefits set forth in this Agreement shall be based on the number of days worked relative to 219.

Section 3. LEAVE PROVISIONS.

a. Sick Leave. The Employee shall be credited with eighteen (18) sick leave days per fiscal year during the Term of this Agreement, which shall be credited each July 1st. In the event that the employee leaves her position prior to the completion of a full year, the sick leave days shall be retroactively prorated accordingly. No sick leave shall accrue for any period in which the employee is on leave of absence without pay.

Sick leave may be accumulated to a maximum of two hundred twenty-five (225) days. Once the Employee has been credited with 225 days, the Employee may opt to receive cash payment for up to twenty-five percent (25%) of the days in excess of the 225 days for the fiscal year at the per diem rate for that year. The Employee must request such payment in writing, to the Superintendent, not later than June 15th of the fiscal year for which the Employee is seeking the cash payment. Once payment is made, the Employee's balance shall revert back to 225 days until July 1st when the new year's sick

leave shall be credited. There shall be no option for cash payment of excess sick leave in any year in which the Employee's sick leave balance dips below 225 days.

There shall be no payout of unused sick leave on resignation, retirement or other separation from employment.

Sick days may be used for:

- i. personal illness or enforced quarantine of the Employee;
- ii. illness or physical incapacity of a member of the Employee's immediate family, defined as the Employee's spouse, parent, child, grandchild, stepchild or sibling;
- iii. absence for personal business beyond employee's control and which cannot be conducted outside of school hours, except that two such days may be taken without reason for the leave;

In exceptional cases, the Board may grant additional sick leave with or without pay. Requests for such sick leave must be made in writing. If an Employee has exhausted sick leave, as well as vacation, the Employee may request an unpaid leave of absence from the Superintendent.

b. Vacation. Vacation days amounting to twenty-seven, (27), days shall be credited to the employee on July 1 of each fiscal year. Such days must be used by September 30th of the following year. However, at the Employee's option, the Employee may be paid for up to five (5) vacation days in any year at the per diem rate. Any vacation days not used by September 30th of the following year shall be forfeited.

In the event that the Employee retires or resigns or otherwise separates from employment prior to completing a full year, vacation days shall be prorated from the July 1st prior to the last day of employment.

In the event that the Employee resigns with at least one (1) months' notice in writing to the Superintendent, the Board shall pay the Employee at the per diem rate for accrued and unused vacation up to the date of resignation.

In the event that the Employee retires with at least three (3) months' notice in writing to the Superintendent, the Board shall pay the Employee at the per diem rate for accrued and unused vacation up to the date of retirement.

If, at the time of resignation, retirement or other separation from employment, the Employee has used vacation days in excess of the prorated number of days due for that year, the Board shall withhold from any compensation due to the Employee at the time of separation, such amounts as are necessary to reimburse the Board for the use of such unearned vacation days, based on the Employee's per diem rate. At the time of signing of this Agreement, the Employee shall sign the wage deduction authorization form attached hereto as Appendix A, for this purpose. If the compensation due to the

Employee at the time of separation is insufficient to make repayment for use of excess vacation, then the Employee will make payment to the Board within thirty (30) days.

- c. Other Paid Leave. The Employee shall be paid for other leave as follows:
- i. Three days special leave may be taken for funeral of a member of employee's immediate family, which includes spouse, child, parent, parent in law, sibling, grandparent, grandchild or relative who lives with employee. Such funeral leave shall not count against sick day account.
 - ii. Employee will receive full pay for time on jury duty and such time shall not be taken from accumulated sick leave.
 - iii. With advance approval of the Superintendent, leave may be granted for professional conferences or visitations.
 - iv. Up to three days leave with pay may be granted for religious leave.
- d. Unpaid Leave. The Employee shall be eligible for leave as provided in the Family and Medical Leave Act. In addition, the Employee may be granted unpaid leave for study or other professional development activities involving improvement in her position, provided that the Superintendent approves a request for such leave made at least ninety (90) days prior to the requested leave.

Section 4: SALARY.

The Employee's annual salary shall be paid in biweekly installments, and shall be prorated for any fiscal year in which the Employee does not work the full 219 workdays. The Employee's annual salary rate shall be \$169,485.06. Thereafter, the Employee's salary may be increased effective July 1st based on the prior year's performance and the Superintendent's recommendation. Any increase in salary determined following July 1st shall be retroactive to the beginning of the fiscal year.

Effective July 1, 2022, if the Employee fully complies with all of the Wellness Program requirements in a given year she shall receive a two hundred and fifty dollar (\$250.00) contribution into her Health Savings Account.

In the event that the Employee declines participation, the Employee may enroll in a health insurance plan only at such times as the plan permits. The Board retains the right to change its insurance plans to similar plans from time to time as it may do with its bargaining unit employees.

WAGE DEDUCTION AUTHORIZATION

I recognize that under Section 3 of the attached contract that I signed in connection with my employment with by the East Hartford Board of Education, the Board of Education posts twenty-seven (27) days of vacation to my account on July 1 of each contract year. I also recognize, however, that for any contract year in which I start or finish employment, all of my salary payments, vacation days and other leave days are prorated.
